THE MARKETING RESEARCH PROCESS 26

The Marketing Research Process: 11 Steps 27

Step 1: Establish the Need for Marketing Research 29

Step 2: Define the Problem 30

Step 3: Establish the Research Objectives 31

Step 4: Determine Research Design 32

Step 5: Identify Information Types and Sources 32

Step 6: Determine Methods of Accessing Data 33

Step 7: Design Data Collection Forms 34

Step 8: Determine Sample Plan and Size 34

Step 9: Collect Data 35

Step 10: Analyze Data 35

Step 11: Prepare and Present the Final Research Report 35

Metro Civic Center: A Case Example of the Marketing Research Process 36

Establish the Need for Marketing Research 36

Define the Problem 37

Establish Research Objectives 38

Determine Research Design 38

Identify Information Types and Sources 38

Determine Methods of Accessing Data 38

Design Data Collection Forms 39

<i>Determine Sample Plan and Size</i>	39
<i>Collect Data</i>	39
<i>Analyze the Data and Prepare the Final Research Report</i>	39
Some Final Comments on the Marketing Research Process	40

THE MARKETING RESEARCH INDUSTRY 44

Marketing Research: A Brief History 46

Pre-Marketing Research Era 46

Early Development Era 46

Questionnaire Era 47

Quantitative Era 47

Organizational Acceptance Era 47

PC Technology Era 47

Globalization–Online Era 47

Understanding the Industry Structure 48

Internal Suppliers 48

How Do Internal Suppliers Organize the Research Function? 49

External Suppliers 51

External Suppliers of Online Survey Research 54

How Do External Suppliers Organize? 54

Classifying External Supplier Firms 55

Can the Marketing Research Industry Improve Its Performance? 58

Marketing Researchers Should Focus on Diagnosing Problems 58

Marketing Researchers Should Speed Up Marketing Research by Using IT 59

Marketing Researchers Should Take an Integrative Approach 59

Marketing Researchers Should Expand Their Strategic Impact 59

Industry Improvements: Certification, Auditing, and Education 60

Ethics and Marketing Research 63

Your Ethical Views Are Shaped by Your Philosophy: Deontology or Teleology 63

Ethical Behavior in Marketing Research 64

Marketing Research and Spam Surveys 70

Online Research 71

What Does the CASRO Code of Ethics Say About Online Survey Research and Spamming? 71

What Do Online Research Industry Leaders Have to Say About Ethical Issues Related to Online Research? 75
