1 Introduction	1
<i>Richard W. Butler</i>	
2 Contemporary tourism – trends and challenges: sustainable authenticity or contrived post-modernity?	12
<i>Erik Cohen</i>	
3 An exploration of tourism as superstructure	30
<i>Dennison Nash</i>	
4 The past in the present in Japan: nostalgia and neo-traditionalism in contemporary Japanese domestic tourism	47
<i>Nelson H.H. Graburn</i>	
5 Gender and race: neglected variables in tourism research	71
<i>Linda K. Richter</i>	
6 Tourism between quasi-states: international, domestic or what?	92
<i>Richard W. Butler and Baodi Mao</i>	
7 A socio-linguistic approach towards changing tourist imagery	114
<i>Graham Dann</i>	

8 Constructing traveller types: new methodology for old concepts	137
<i>Josef A. Mazanec</i>	
9 The emergence of casino gaming as a major factor in tourism markets: policy issues and considerations	159
<i>William R. Eadington</i>	
10 The economic evaluation of publicly assisted tourism projects	187
<i>Stephen Wanhill</i>	
11 Resource constraints on tourism: water resources and sustainability	208
<i>John J. Pigram</i>	
12 Planning for tourism in the 1990s: an integrated, dynamic, multiscale approach	229
<i>Douglas Pearce</i>	
Index	245

Illustrations

PLATES

Plate 1	The image of an ideal mountain <i>furusato</i> village	49
Plate 2	Traditional domestic tourism	51
Plate 3	Brochure combining religious and secular attractions	52
Plate 4	Men's room with bath <i>ofuro</i> in the Yunosato <i>ryokan</i>	54
Plate 5	Men's outside bath <i>rotenburo</i> in the Yunosato <i>ryokan</i>	55
Plate 6	Brochure advertising high-class food	56
Plate 7	Brochure map of <i>onsen</i> and other natural and cultural tourist attractions	58
Plate 8	<i>Omiyage</i> gift stand on the 'Apple Line'	59
Plate 9	Brochure showing young women in the outside bath <i>rotenburo</i>	60
Plate 10	Yamaguchi <i>onsen</i> on the slopes Mount Aso volcano in Kyushu	62
Plate 11	Brochure showing the reconstructed Old Kumano Road	63
Plate 12	Stuffed wild animals in cultural poses	65

FIGURES

6.1	The political process and tourism classification	97
6.2	Tourism flows in a world system (after Thurot 1980)	100
6.3	Tourist flows in quasi-states	103
6.4	The dynamic process of quasi-state tourism	108

8.1	The logical structure of <i>a priori</i> and <i>aposteriori</i> segmentation	140
8.2	A neural network 'hybrid' model	146
8.3	Network model after pruning	152
11.1	Coachella Valley and Palm Springs (location)	221
11.2	Coachella Valley and Palm Springs (golf courses)	222
12.1	Location of Sarawak and competitive destinations analysed	231
12.2	A conceptual framework for the preparation of the Second Sarawak Tourism Masterplan	233
12.3	A framework for interorganizational analysis	236

TABLES

7.1	Nouns and adjectives featured in pre-trip and on-trip mental images	120
7.2	Top ten nouns with percentage frequencies	121
7.3	Top ten adjectives with percentage frequencies	123
7.4	Percentage response rates with and without pictorial stimuli	126
7.5	Overall response patterns	127
8.1	Variables, hidden units and weight estimates (before network pruning)	147
8.2	Variables, hidden units and weight estimates (after network pruning)	150
8.3	Percentage correctly classified (hold-out sample)	151
8.4	Motive and activity bundles ('types'): size and interrelations	152
8.5	Indeterminacy of motive and activity bundles ('types')	153
10.1	New Theatre visitor attendances at target capacity	196
10.2	New Theatre revenue categories	196
10.3	Economic impact of trading operations	197
10.4	Additional off-site expenditure by theatregoers	198
10.5	Economic impact of additional expenditure	199
10.6	Overall economic impact of the New Theatre	199
