Notes on Contributors	298
Index	301

Acknowledgements

Most of the papers in this book arose from a conference on the Labour of Division organized by the Centre for Social Theory and Technology at Keele University in November 1995.

The paper entitled 'The visibility of social systems' by Robert Cooper previously appeared in *Operational Research and the Social Sciences*, N.C. Jackson, T. Keys, S.A. Cropper (eds), Plenum Press, New York, 1989.

The paper entitled 'Gender: division or comparison?' by Marilyn Strathern previously appeared in *Practising Feminism: Identity, Difference, Power*, N. Charles and F. Hughes-Freeland (eds), Routledge, London, 1996.
