NEW MARKETS** *Ed Anuff*      **121**
- A Web Revenue Primer
  - New Markets for HotWired
  - Case Studies
  - Next Steps
- 7      **NETSCAPE: JAVA FOR THE NETWORKED  
ENTERPRISE** *Ammiel Kamon*      **147**
- Netscape's Intranet Vision
  - Intranet Payback and ROI
  - Netscape and Java-Powered Intranets
  - AppFoundry for Corporate Intranets
  - AppFoundry Advantages
  - Sorting Out the Rebellion
  - In Java Time
  - Spending Habits
  - Java Intranet Applications
  - Some Limitations
  - Rapid Development, Rapid Deployment
  - The Whole Internet Clipboard
- 8      **NJC/LANL: IMPROVING PATIENT CARE WITH  
JAVA** *James L. Cook, Mimi N. Hackley, Richard L. Phillips,  
James E. George, and David W. Forslund*      **173**
- TeleMed's Origin

- Description of the TeleMed System  
 Benefits of the TeleMed System for Chronic  
 Mycobacterial Diseases and Other Chronic  
 Illnesses  
 Importance of Java and CORBA for Implementation  
 of the TeleMed System  
 Better Health-Care
- 9**      **F. HOFFMANN-LA ROCHE: JAVA FOR THE  
 PHARMACEUTICAL INTRANET** *Enrico Bondi  
 and Gabriela Keller*      **201**
- About Ergon Informatik AG  
     The Roche Intranet  
     Building a Data Warehouse  
     State of the SDS Project  
     Put It On the Network  
     Java Connection  
     User Response  
     Using Java
- 10**      **NATIONAL SEMICONDUCTOR: ACCELERATING  
 TIME TO MARKET FOR DESIGN ENGINEERS**  
*Phil Gibson and Saif Kantrikar*      **215**
- National's Web Strategy  
     Simplified Searching  
     What Makes It Simple, Fast, and Interactive  
     What Customers Think  
     Results and Lessons Learned  
     Java at National Semiconductor
- 11**      **@HOME: CABLE JAVA** *Mark Neumann*      **233**
- Cable Modems: Internet for the Rest of Us  
     Creating Dynamic Content With Java and JavaScript  
     Lessons, Limitations, Context  
     Java: Taking @Home Beyond the Browser  
     Implications for Business
- 12**      **VIRTUAL VINEYARDS AND SUN MICROSYSTEMS:  
 THE NAPA VALLEY WINE AUCTION LIVE,  
 ON-LINE** *Carl Meske and Rob Reesor*      **253**
- The Napa Valley Wine Auction  
     Business Goals  
     Technical Goals  
     Auction System Overview  
     "Going to the Woman With the Red Powerbook"  
     Auction Outcome and Outlook
