CONCLUSIONS	151
Lessons	152
Entrepreneurial climate at the local level is essential	153
Local development vision is lacking	153
Governments need to articulate an unambiguous regional development policy	155
A balance must be struck between leading and letting go	156
Communities need capacity-building	158
Local initiatives have a serious need for financing	159
Evaluation must take into account the long-term nature of the process	162
Recommendations	163
Regarding local initiatives	163
Regarding government responses	163
Regarding foreign assistance for local and regional economic development	164
