<i>Introduction</i>	1
Christos C. Paraskevopoulos, Ricardo Grinspun and Theodore Georgakopoulos	

PART I EUROPEAN INTEGRATION: GENERAL ISSUES AND PROBLEMS

1. Systemic and fundamental pressures in the EMS: strong- versus weak-currency countries 9
Christos C. Paraskevopoulos and John Paschakis
2. Flaws and omissions in the Maastricht process for European integration 21
Patrick M. Crowley and Robin Rowley
3. Cohesion in a stratified EU: development under integration 33
Arvind Jaggi
4. 'Fortress' common markets: are they welfare-improving? 47
Constantinos Syropoulos and Elias Dinopoulos
5. Are there political cycles in the member countries of the EU? An empirical investigation 61
Andreas A. Andrikopoulos and Kyprianos Prodromidis

PART II EMPIRICAL AND THEORETICAL ANALYSES OF MONETARY UNION

6. Convergence issues in the emerging European economic and monetary union 79
Apostolos Serletis and Panos Afxentiou

7.	The politics and economics of exchange rate intervention <i>Richard Jankowski</i>	90
8.	Empirical issues of the sterling–Deutschmark exchange rate behaviour before and after the September 1992 crisis <i>Dimitris Georgoutsos and Nicolaos Karamouzis</i>	101
9.	The real interest rate differential in an economic union <i>Leo Michelis</i>	112
10.	Industry- versus nation-specific shocks in the EU: evidence from industry data <i>Bernd Kempa</i>	123
 PART III SOCIAL POLICY REFORM AND SOCIAL UNION		
11.	Economic integration and social policy reform <i>Christos C. Paraskevopoulos</i>	135
12.	Economic integration and social security: experiences in federal states and in the EU <i>Steven Vansteenkiste</i>	143
13.	The relative welfare position of older persons in the member states of the EU: evidence and policy implications <i>Panos Tsakoglou</i>	154
 PART IV PUBLIC FINANCE IN THE EUROPEAN UNION		
14.	Fiscal policy in European economic and monetary union <i>George Demopoulos and Kyprianos Prodromidis</i>	171
15.	Taxing intra-union trade in the EU: the hybrid destination/origin principle <i>Theodore Georgakopoulos and Theodore Hitiris</i>	181
 PART V EUROPEAN UNION: POLICIES AND ACCESSION		
16.	The Common Agricultural Policy of the EU and developing countries <i>Bala Batavia and A.G. Malliaris</i>	193
17.	Foreign direct investment in the EU: integrating or disintegrating effects? <i>Mike Pournarakis and Nikos C. Varsakelis</i>	206
18.	The Community's technology policy: its role and effects on European economic integration <i>George M. Korres and Yannis G. Paraskevopoulos</i>	218

19. Economic integration and the EU: the Spanish experience <i>Miren Etxezarreta</i>	232
PART VI GREECE AND THE EUROPEAN UNION	
20. European integration and industrial structure in Greece: prospects and possibilities for convergence <i>George C. Petrakos and Spyros E. Zikos</i>	247
21. Interactions between agricultural credit and private investment: empirical evidence and policy implications <i>Nicholas C. Baltas</i>	260
22. An empirical study of the effects of economic integration of Greece with the EU <i>George Zestos</i>	273
23. Purchasing loyalty: Greece and the EU <i>Dimitris Bourantonis and Constantine Tsoutsoplides</i>	285
<i>Index</i>	299

Figures

4.1a	Home bloc's import tariffs under CU and CM regimes	54
4.1b	Foreign bloc's import tariffs under CU and CM regimes	54
4.2a	Home bloc's welfare level under CU and CM regimes	56
4.2b	Foreign bloc's welfare level under CU and CM regimes	56
6.1	Nominal exchange rate differentials, Belgium, Denmark, France and the Netherlands	85
6.2	Nominal exchange rate differentials, Greece, Italy, Portugal, Spain and the UK	86
8.1	Three months' London inter-bank rate-of-return bounds	104
8.2	Yields on ten years' UK gilts	104
10.1	Industry-specific idiosyncratic shocks for pairs of countries	129
13.1	Mean equivalent expenditure of elderly persons in the countries of the EU	160
13.2	Poverty rates of elderly and non-elderly persons in the countries of the EU	161
15.1	Trade flows under free trade	182
15.2	Tax burdens under the hybrid destination/origin principle	183
17.1	Possible conflict of interests in the EU integration scheme	214
18.1	Structural funds' expenses, % of total Community funding, 1987-92	223
18.2	Rate change, per capita imports (1989-93)	226
18.3	Greece: rate change, employment (1989-93)	226
18.4	Greece: rate change, investment (1989-93)	227
18.5	Greece: rate change, consumption (1989-93)	227
22.1	Stability of the Greek agricultural CES production function	277
22.2	Recursive coefficients of the Greek agricultural CES production function	278
22.3	Instability of the Greek industrial sector	280
22.4	Recursive coefficients of the Greek industrial CES production function	281

Tables

1.1	Composition of the ECU announced on 21 September 1989	12
2.1	Effects of EMU	29
3.1	Basic macroeconomic statistics	37
3.2	Structural indicators, 1989	38
3.3	Relative importance of agriculture, forestry and fishing	42
4.1	Sector-specific factor endowments and productivity levels	49
4.2	Maximum producible output in each trading bloc	50
5.1	Election years and elected governments in the 12 EU countries	64
5.2	Evidence for electoral cycles in policy variables	67
5.3	Evidence for electoral cycles in target variables	68
5.4	Evidence for partisan cycles in policy instruments	70
5.5	Evidence for partisan cycles in target variables	73
7.1	Foreign exchange holdings of central bank (1973: 2–1983: 4)	95
8.1	Descriptive statistics on nominal £/DM and DM/\$ changes	106
8.2	Maximum likelihood GARCH-in-mean estimates for the ERM (1/1/92–15/9/91) and the post-ERM (17/9/92–20/10/93) periods	107
8.3	Unit root tests	108
8.4	Granger-causality tests from a VAR model	109
10.1	Analysis of variance for annual quantity data	128
13.1	Relative welfare position of the elderly in the countries of the EU	159
13.2	Welfare position of sub-groups of elderly in eight EU countries	164
14.1	Government deficits, interest payments and gross public debt (as percentages of GDP)	175
15.1	Prices under the destination and the hybrid destination/origin principle with a general VAT and costless deflection	183
15.2	Prices under the hybrid destination/origin principle with deflection costs	185
15.3	Prices under the hybrid destination/origin principle with domestic rates or rates of border tax adjustments equal	186
17.1	US direct investment position abroad on a historical-cost basis, EC	208

17.2	Japanese direct investment abroad, 1990–92, European Communities	209
17.3	Intra-Community inward direct investment	210
17.4	Mergers and acquisitions in the EC, involving the top 1000 European firms by industry, 1987–91	211
18.1	The Community's framework research programmes	220
18.2	Empirical results of simultaneous equation model: Greece (1989–93)	225
18.3	CSFs and gross fixed capital formation	228
18.4	Estimated workforce dependent on Community grants (1993)	228
20.1	Employment in Greek industry by sector (1963–88)	251
20.2	Number of firms in Greek industry by size (1973–88)	252
20.3	Number of employees in Greek industry by size (1973–88)	252
20.4	Average firm size in Greek industry (1973–88)	253
21.1	Aggregate private investment expenditure	265
21.2	Non-residential buildings	267
21.3	Machinery and other equipment	268
21.4	Other constructions and works	269
22.1	Estimated CES production function of Greek industry	279
22.2	Elasticity of substitution based on CES Kmenta approximation production function	282
