Part I Introduction

1 INTERNATIONAL MIGRATION 1850–1939: AN ECONOMIC SURVEY 3
Timothy J. Hatton and Jeffrey G. Williamson

Part II Why did they migrate?

2 EUROPEAN LABOR MARKETS, EMIGRATION AND INTERNAL MIGRATION, 1850–1913 35
Dudley Baines

3 LATECOMERS TO MASS EMIGRATION: THE LATIN EXPERIENCE 55
Timothy J. Hatton and Jeffrey G. Williamson

4 ITALIAN EMIGRATION IN THE PRE-WAR PERIOD 72
Riccardo Faini and Alessandra Venturini

5 MASS MIGRATION TO DISTANT SOUTHERN SHORES: ARGENTINA AND AUSTRALIA, 1870–1939 91
Alan M. Taylor

Part III How were they absorbed?

6 FOREIGN IMMIGRATION AND THE FRENCH LABOR FORCE, 1896–1926 119
Pierre Sicsic
CONTENTS

7 IMMIGRATION AND EMIGRATION: CANADA IN THE LATE NINETEENTH CENTURY
   Marvin McInnis
   139

8 INTERNATIONAL MIGRATION AND THE EVOLUTION OF PRAIRIE LABOR MARKETS IN CANADA, 1900–1930
   Alan G. Green
   156

9 IMMIGRANTS AND EMIGRANTS: INTERNATIONAL MIGRATION AND THE US LABOR MARKET IN THE GREAT DEPRESSION
   Henry A. Gemery
   175

Part IV What was their impact?

10 MASS MIGRATION, COMMODITY MARKET INTEGRATION AND REAL WAGE CONVERGENCE: THE LATE-NINETEENTH-CENTURY ATLANTIC ECONOMY
   Kevin O’Rourke, Jeffrey G. Williamson and Timothy J. Hatton
   203

11 THE IMPACT OF EMIGRATION ON REAL WAGES IN IRELAND, 1850–1914
   George R. Boyer, Timothy J. Hatton and Kevin O’Rourke
   221

12 WAGE EFFECTS OF IMMIGRATION IN LATE-NINETEENTH-CENTURY AUSTRALIA
   David Pope and Glenn Withers
   240

FIGURES

1.1 Emigration from Europe, 1846–1924 5
1.2 Immigration to the Americas, 1846–1924 6
1.3 Labor absorption, with homogeneous labor and exogenous immigration 19
3.1 Stylized emigration responses 60
4.1 Italy’s income differentials, 1876–1913 74
4.2 Italy: emigration flows, 1876–1920 76
4.3 Italy: American emigration, 1876–1920 76
4.4 Italy: European emigration, 1876–1920 77
4.5 Italy’s migration rate, 1876–1913 77
5.1 Immigration rates, Australia and Argentina, 1860–1939 95
5.2 Immigrant origins, Argentina and Australia 96
5.3 Wage gaps between Argentina, Australia and their principal sending regions 99
8.1 Annual total immigration to Canada, 1900–30 159
8.2 The ratio of rural to urban wages for Ontario, Quebec, the Prairies and Canada, 1900–30 164
8.3 The determination of actual agricultural wages: actual versus predicted values for the Canadian Prairies, 1900–30 168
8.A1 Real and nominal Prairie wages, 1900–30 172
8.A2 Annual estimates of the nominal Prairie wage, terms of trade, and ratio of western immigration to regional population, 1900–30 173
9.1 US: percent of immigration quota fulfilled, 1925–44 181
10.1 A two sector labor market 206
10.2 International real wage dispersion, 1870–1913 207
11.1 Irish–British real wage ratios, 1855–1913 224
11.2 Irish–US real wage ratios, 1855–1913 225
11.3 Agricultural product wage and male population, Ireland, 1855–1913 229
TABLES

1.1 European emigration rates 7
1.2 New World immigration rates 7
3.1 Home real wage relative to destination real wage for the Latin countries, 1870–1913 56
3.2 Gross and net emigration from Europe, 1850–1913 58
3.3 Explaining late-nineteenth-century European emigration 63
3.4 Sources of changing emigration rates, 1890s–1900s 65
3.5 Time-series regressions: Portugal, Spain, Italy 67
4.1 Italy: Employment growth 75
4.2 Italy: Population growth 75
4.3 Italy: Growth of employment relative to population 78
4.4 Italy: Determinants of migration 81
4.5 Italy: Determinants of migration: alternative specifications 83
4.6 Italy: Determinants of migration: wage differential 84
4.7 Italy: Determinants of migration: aggregate equation 85
5.1 Argentine immigration equations 104
5.2 Australian immigration equations 107
5.3 Implied long-run wage elasticities of migration 108
5.4 Immigration rates and wage gaps, Argentina and Australia 110
6.1 France: contributions of immigration to the increase in the labor force 125
6.2 France: contribution of foreigners to labor force 127
6.3 France: relative occupational distributions 130
6.4 $\chi^2$ statistics between populations in France 135
6.5 Shares of alien residents in France 137
7.1 Accounting for Canadian population change, 1871–1901 140
7.2 Canada: comparative migration statistics, 1870–1900 146
8.1 Percentage distribution of immigration to Canada, 1901–29 159
8.2 Determining prairie farm wages in Canada, 1901–30 168
8.A1 Monthly farm and non-farm wage series for Ontario, Quebec, the Prairies and Canada, 1900–30 171
9.1 United States: components of population growth, 1850–1980 177
9.2 Net immigration into the United States, 1910–39 178
