PART I

***MARKET-DRIVEN STRATEGY* 1**

CHAPTER 1

***Market-Driven Strategy* 3**

- Market-Driven Strategy 4
 - Characteristics of Market-Driven Strategies 5
 - Implications of Market-Driven Strategies 5
- Market Orientation 6
 - Characteristics of Market Orientation 6
 - Becoming a Market-Oriented Organization 8
- Capabilities 10
 - Distinctive Capabilities 11
 - Types of Capabilities 12
 - Value and Capabilities 14
- Creating Value for Customers 14
 - Customer Value 15
 - Providing Value to Customers 15
 - Value Initiatives 16
- Becoming Market Driven 16
 - Identifying and Developing Capabilities 17
 - Market Sensing and Customer Linking Capabilities 17
 - Aligning Structure and Processes 18
- Summary 18

CHAPTER 2

***Business and Marketing Strategies* 21**

- Corporate Strategy 22
 - What Is Corporate Strategy? 22
 - Organizational Change 23
 - Components of Strategy 24
- Business and Marketing Strategy 28
 - Developing the Strategic Plan for Each Business 29
 - Business Strategy and Marketing Strategy 29
 - Strategic Marketing 31
- Marketing Strategy Process 31
 - Situation Analysis 31

Summary	43

APPENDIX 2A:

<i>Financial Analysis for Marketing Planning and Control</i>	47
--	-----------

CASES FOR PART I

Case 1-1 Bertelsmann China	55
Case 1-2 Wal-Mart	59
Case 1-3 EuroDisney	63

PART II

SITUATION ANALYSIS	71
---------------------------	-----------

CHAPTER 3

<i>Market Vision, Structure, and Analysis</i>	73
---	-----------

Markets and Strategies	75
Strategies and Markets Are Interlinked	75
Value Migration	75
Shared Vision about the Market	76
Mapping Product-Markets	76
Matching Needs with Product Benefits	76
Mapping Product-Market Boundaries and Structure	77
Forming Product-Markets	80
Illustrative Product-Market Structure	82
Describing and Analyzing End-Users	83
Identifying and Describing Buyers	84
How Buyers Make Choices	84
Environmental Influences	85
Building Customer Profiles	86

Analyzing Competition	87
Defining the Competitive Arena	87
Key Competitor Analysis	91
Anticipating Competitors' Actions	95
Developing a Strategic Vision about the Future	96
Phases of Competition	97
Anticipating the Future	97
Market Size Estimation	98
Market Potential	99
Sales Forecast	99
Market Share	99
Evaluating Market Opportunity	100
Summary	101
APPENDIX 3A:	
<i>Forecasting Guidelines</i>	104
CHAPTER 4	
<i>Segmenting Markets</i>	111
Segmentation and Market-Driven Strategy	112
Market Segmentation and Value Opportunities	112
Matching Value Opportunities and Capabilities	112
Market Targeting and Strategic Positioning	113
Selecting the Market to be Segmented	114
Market Segmentation Activities and Decisions	114
Identifying Market Segments	114
Purpose of Segmentation Variables	115
Characteristics of People and Organizations	115
Product Use Situation Segmentation	118
Buyers' Needs and Preferences	118
Purchase Behavior	120
Forming Segments	120
Requirements for Segmentation	121
Approaches to Segment Identification	123
Customer Group Identification	123
Forming Groups Based on Response Differences	126
Finer Segmentation Strategies	128
Logic of Finer Segments	128
Finer Segmentation Strategies	129
Selecting the Segmentation Strategy	130
Deciding How to Segment	131

Strategic Analysis of Market Segments	131
Summary	135

CHAPTER 5

Continuous Learning about Markets 138

Market Orientation and Organizational Learning	139
Market Orientation	139
Learning about Markets	140
Information, Analysis, and Action	142
Marketing Research Information	144
Collecting Existing Information	144
Standardized Information Services	147
Special Research Studies	148
Computerized Information Systems	151
Management Information Systems	152
Database Systems	153
Decision Support Systems	153
Issues in Collecting and Using Information	155
Role of the Knowledge Officer	155
Invasion of Customer Privacy	156
Information and Ethics	156
Summary	156

CASES FOR PART II

Case 2-1 Iridium	159
Case 2-2 Nike	165
Case 2-3 Campbell Soup	169

PART III

Designing Market-Driven Strategies 175

CHAPTER 6

Market Targeting and Strategic Positioning 177

Market Targeting Strategy	178
Targeting Strategies	178
Targeting Alternatives	178
Factors Influencing Targeting Decisions	179
Targeting in Different Market Environments	180
Emerging Markets	182
Growth Markets	184
Strategies for Mature and Declining Markets	185

Global Markets	187
The Positioning Process	189
Selecting the Positioning Concept	190
Developing the Positioning Strategy	192
Considerations about Targeting/Supporting Activities	192
Marketing Program Decisions	193
Determining Positioning Effectiveness	196
Customer/Competitor Research	196
Test Marketing	197
Positioning Models	198
Positioning Effectiveness	198
Positioning and Targeting Strategies	199
Determining Positioning Feasibility	199
Summary	199

CHAPTER 7

Relationship Strategies **203**

The Rationale for Interorganizational Relationships	204
Value-Enhancing Opportunities	204
Environmental Turbulence and Diversity	205
Skill and Resource Gaps	206
Examining the Potential for Collaborative Relationships	208
Types of Organizational Relationships	210
Customer-Supplier Relationships	210
Distribution Channel Relationships	211
End-User Customer Relationships	213
Strategic Alliances	215
Joint Ventures	217
Internal Partnering	219
Developing Effective Relationships between Organizations	219
Objective of the Relationship	219
Relationship Management Guidelines	221
Global Relationships among Organizations	223
Types of Global Organizations	223
The Strategic Role of Government	225
Summary	226

CHAPTER 8

Planning for New Products **230**

Product Planning as a Customer Satisfaction Process	231
---	-----

Corporate and Business Strategies	231
Finding Customer Satisfaction Opportunities	232
Success Criteria	234
Steps in New Product Planning	235
Deciding Which Customer Needs to Target	236
New Product Planning Process	236
Responsibility for New Product Planning	238
Idea Generation	239
Developing an Idea Generation Program	239
Methods of Generating Ideas	241
Screening, Evaluation, and Business Analysis	243
Screening	243
Evaluation	244
Business Analysis	245
Product and Process Development	247
Product Development Process	247
Quality Function Deployment	250
Developing Marketing Strategy and Market Testing	251
Marketing Decisions	251
Market Testing Options	252
New Product Models	255
Commercialization	256
The Marketing Plan	256
Monitoring and Control	257
Variations in the Generic New Product Planning Process	257
Technology Push Processes	257
Platform Products	258
Process-Intensive Products	258
Customized Products	258
Summary	258

CASES FOR PART III

Case 3-1 Johnson & Johnson	262
Case 3-2 McDonald's	267
Case 3-3 Apex Chemical Company	275

PART IV

<i>Market-Focused Program Development</i>	277
---	-----

CHAPTER 9

<i>Strategic Brand Management</i>	279
-----------------------------------	-----

Product Management Issues	280
Managing the Product Portfolio	280
Responsibility for Managing Products	281
Product Success Depends on Several Factors	282
The Role of Marketing in Product Strategy	282
Analyzing Product Performance	283
Tracking Product Performance	284
Product Life Cycle Analysis	285
Product Grid Analysis	286
Brand Positioning Analysis	287
Other Product Analysis Methods	287
Strategies for Products/Brands	288
Strategies for Improving Product Performance	288
Product Mix Modifications	291
Strategic Brand Management	291
Brand Equity	292
Brand Identification Strategy	293
Brand Leveraging Strategy	295
Managing Brand Systems	298
Summary	299

CHAPTER 10

Managing Value-Chain Relationships 302

Strategic Role of Distribution	303
Distribution Functions	303
Channels for Services	305
Direct Distribution by Manufacturers	306
Channel of Distribution Strategy	308
Types of Distribution Channels	308
Distribution Intensity	312
Channel Configuration	314
Selecting the Channel Strategy	315
Adequacy of Existing Distribution Systems	316
Strategies at Different Channel Levels	317
Managing the Channel	317
Channel Leadership	318
Management Structure and Systems	318
Physical Distribution Management	318
Channel Relationships	319
Conflict Resolution	319
Channel Performance	320

Legal and Ethical Considerations	320
International Channels	321
Examining International Distribution Patterns	321
Factors Affecting Channel Selection	322
Strategic Alliances	322
Summary	323

CHAPTER 11

Pricing Strategy **327**

Strategic Role of Price	328
Price in the Positioning Strategy	328
Pricing Situations	329
Uses of Price in Positioning Strategy	330
Pricing Strategy	331
Pricing Objectives	331
Analyzing the Pricing Situation	332
Customer Price Sensitivity	333
Cost Analysis	335
Competitor Analysis	339
Legal and Ethical Considerations	340
Selecting the Pricing Strategy	341
How Much Flexibility Exists?	342
Price Positioning and Visibility	342
Illustrative Pricing Strategies	344
Determining Specific Prices and Policies	347
Determining Specific Prices	347
Establishing Pricing Policy and Structure	348
Special Pricing Considerations	349
Summary	350

CHAPTER 12

Promotion, Advertising, and Sales Promotion Strategies **353**

Promotion Strategy	354
The Components of Promotion Strategy	354
Developing Promotion Strategy	356
Communications Objectives	356
Deciding the Role of the Promotion-Mix Components	359
Budgeting Approaches	360

Integrating the Promotion Strategy	
Components	361
Advertising Strategy	363
Setting Advertising Objectives and Budgeting	364
Creative Strategy	365
Media/Programming Strategy	366
Role of the Advertising Agency	367
Implementing the Advertising Strategy and	
Measuring Its Effectiveness	369
Sales Promotion Strategy	370
Nature and Scope of Sales Promotion	371
Sales Promotion Activities	372
Advantages and Limitations of Sales	
Promotion	375
Developing the Sales Promotion Strategy	375
Summary	375

CHAPTER 13

Sales Force and Direct Marketing Strategies

378

Developing and Implementing Sales Force Strategy	379
The Role of Selling in Promotion Strategy	379
Types of Sales Jobs	380
Defining the Selling Process	382
Sales Channels	383
Designing the Sales Organization	385
Managing the Sales Force	387
Sales Force Evaluation and Control	388
Direct Marketing Strategies	390
Considerations in the Use of Direct Marketing	390
Direct Marketing Methods	392
Direct Marketing Strategy	394
Summary	394

CASES FOR PART IV

Case 4-1	Hill's Science Diet Pet Food	397
Case 4-2	Hewlett-Packard Company	401
Case 4-3	Yoplait USA	406

PART V***Implementing and Managing Market-Driven Strategies* 413****CHAPTER 14*****Designing Market-Driven Organizations* 415**

- Considerations in Organization Design 416
 - Organizational Change 416
 - Hybrid, Process-Type Structures 417
 - Partnering with Other Organizations 418
- Organizational Design Options 419
 - Traditional Designs 420
 - New Forms of Marketing Organizations 424
- Selecting an Organization Design 426
 - Organizing Concepts 426
 - Organizing the Sales Force 428
 - Marketing's Links to Other Functional Units 429
- Global Dimensions of Organizations 429
 - Issues in Organizing Global Marketing Strategies 430
 - Coordination and Communication 430
- Summary 432

CHAPTER 15***Marketing Strategy Implementation and Control* 436**

- The Marketing Plan 437
 - How the Marketing Plan Guides Implementation 437
 - Contents of the Marketing Plan 437
- Implementing the Plan 438
 - Implementation Process 439
 - Improving Implementation 439
 - A Comprehensive Approach to Improving Implementation 444
 - Internal Strategy-Structure Fit 445
 - Developing a Market Orientation 446
- Strategic Evaluation and Control 447
 - Overview of Evaluation Activities 448

The Strategic Marketing Audit	449
Performance Criteria and Information Needs	452
Selecting Performance Criteria and Measures	452
Obtaining and Analyzing Information	453
Performance Assessment and Action	454
Opportunities and Performance Gaps	454
Determining Normal and Abnormal Variability	456
Deciding What Actions to Take	457
Summary	457

CASES FOR PART V

Case 5-1	Airbus	460
Case 5-2	United States Tobacco Company	464
Case 5-3	Motorola	472

PART VI

<i>Comprehensive Cases</i>		477
Case 6-1	Coca-Cola (Japan) Company	479
Case 6-2	SystemSoft Corporation	489
Case 6-3	Cima Mountaineering, Inc.	500

- Case 6-4 CUTCO International 518
- Case 6-5 Highlights for Children, Inc. 547
- Case 6-6 L'Oréal Nederland B.V. 556
- Case 6-7 *Capital* 567
- Case 6-8 Amtech Corporation 590
- Case 6-9 Düring AG (Fottle) 603
- Case 6-10 Optical Fiber Corporation 619
- Case 6-11 Murphy Brewery Ireland,
Limited 630
- Case 6-12 Golden Valley Microwave Foods,
Inc. 646
- Case 6-13 The Bacova Guild, Ltd. (A) 654
- Case 6-14 Powrtron Corporation 671
- Case 6-15 Wind Technology 680
- Case 6-16 Dunkin' Donuts 687
- Case 6-17 Stone & Lewis 693
- Case 6-18 Konark Television India 702
- Case 6-19 Wentworth Industrial Cleaning
Supplies 712
- Case 6-20 LoJack Corporation 727
