Kiel Working Paper No. 429

UMWELTPOLITIK IN DER EUROPÄISCHEN GEMEINSCHAFT  
ZENTRALISIERUNG ODER DEZENTRALISIERUNG?

by

|  
Horst Siebert

July 1990

The authors, not the Kiel institute of World Economics, are solely responsible for the contents and distribution of each Kiel Working Paper.

Since the series involves manuscripts in a preliminary form, interested readers are requested to direct criticisms and suggestions directly to the author and to clear any quotations with him.
