Preface xvii

*Harvey B. Milkman*

Introduction xix

*Harvey B. Milkman*

## Part I Biological Factors 1

Prologue 3

*Boris Tabakoff*

### 1. A Review of Genetic Influences on Psychoactive Substance Use and Abuse 7

*Allan C. Collins and Christopher M. de Fiebre*

Some Questions 7

Genetic Influences on Human Substance Abuse 14

Genetic Influences on Substance Use–Related Behaviors  
in Animals 19

Summary 20

References 21

### 2. Harnessing Brain Chemicals: The Influence of Molecules on Mind, Mood, and Behavior 25

*Stanley G. Sunderwirth*

Hypocrisy and the Need for Mood Alteration 26

Activities, Molecules, and Mood 27

Molecules, Neurotransmission, and Mood 28

Arousal and Synaptic Chemistry 30

Synaptic Homeostasis 32

Relaxation and Synaptic Chemistry 34

Food for Your Mood	35
Exercise and Endorphins	38
Summary	39
References	40

**3. Biological Approaches to Addiction Treatment 43**

*John A. Renner, Jr.*

Opiates	43
Alcohol	48
Cocaine	54
Benzodiazepines	58
Nicotine	62
Polydrug Abuse	65
References	67

**4. Nutrition and Recovery from Alcoholism 73**

*Lee Ann Mjelde Mossey*

Alcoholic Malnutrition	74
Specific Nutrient Deficiencies	78
Deficiencies and Relapse	81
Nutritional Assessment	83
Treatment	84
Evaluation	84
Conclusion	85
References	86

**Part II Prevention and Early Intervention 89**

**Prologue 91**

*Robin Room*

**5. Prevention and Early Intervention of Addictive Disorders 95**

*Peter E. Nathan*

Some of the Dimensions of Abuse in the United States	95
Outcomes of Treatment for Long-Term Alcohol Dependence	97
Alternatives to Treatment: Prevention and Early Intervention	98
References	105

**6. The Assessment and Treatment of Alcohol- and Drug-Related Traffic Offenders 109**

*David S. Timken*

The Legislation	109
The Law	109
The Evaluation Process	110
Classification and Referral	114

Education and Therapy Programs 115  
 Monitoring Clients 117  
 Program Evaluation 118  
 Conclusion 119  
 References 119

**Appendix 6–A: Classification Criteria**

**7. Prevention and Intervention in Schools 123**

*Mary VanderWall*

Policy 126  
 Curriculum 126  
 Staff Development 127  
 Alternatives for Students 128  
 Parent and Community Involvement 129  
 Intervention 129  
 Evaluation 132  
 Conclusion 132  
 References 132

**Appendix 7-A: Hawkins-Stafford School Improvement Act PL 100-297 Title V—Drug Free Schools and Communities Act 135**

**Appendix 7-B: Sample DFSCA Three-Year Action Plan 137**

**Appendix 7-C: Sample DFSCA Three-Year Action Plan 139**

**Appendix 7-D: School District Contacts 141**

**8. Employee Assistance Programs as an Early Intervention Strategy for Substance Abuse 143**

*Carol L. Hacker*

Employee Assistance Programs 144  
 Prevention, Intervention, and Treatment 148  
 The EAP as an Information Resource 153  
 The Future 155  
 References 156

**Part III Multiproblem Patients 159**

**Prologue 161**

*William A. Froesch*

**9. Mental Disorders and Substance Abuse 163**

*Lloyd I. Sederer*

Models of Dual Diagnosis 164  
 Concurrent Axis I and Substance Abuse Disorders 166  
 Concurrent Axis II and Substance Abuse Disorders 170

Discussion 174  
References 178

**10. Alcohol and Drug Problems in Women: Old Attitudes,  
New Knowledge 183**

*Sheila B. Blume*

The Drinking or Drug-Taking Woman as Victim 185  
Implications for Prevention 186  
Barriers to Chemical Dependence Treatment 187  
Special Problems of Chemically Dependent Women 190  
Codependence Issues 193  
Treatment Outcomes 194  
Summary 195  
References 196

**Appendix 10–A: DIS Questionnaire 199**

**11. Elements of Recovery: A Longitudinal Analysis 201**

*George E. Vaillant*

Why Does Addiction Occur? 202  
Why Does Relapse Occur? 204  
Why Do People Not Relapse? 205  
Pathways to Recovery 206  
Summary 207  
References 208

**Part IV Treatment and the Law 209**

**Prologue 211**

*Norman E. Zinberg*

**12. The Prosecutor's Goals Beyond Conviction 217**

*Alexander M. Hunter and Robert A. Pudim*

Conviction and Punishment 218  
Reasons for Punishment 219  
References 224

**13. Treatment Strategies for Juvenile Delinquents to  
Decrease Substance Abuse and Prevent Adult Drug and  
Alcohol Dependence 225**

*Susan L. Stein, Carol J. Garrett, and Dave Christiansen*

Theoretical Model 226  
Treatment Components 227  
Project Clients 228

Evaluation Plan 230  
References 232

**14. Rehabilitation of Multiple DUI Offenders:  
An Innovative Model 235**

*Phillip G. Sidoff, Carole Christianson, Steven P. Merrefield, and  
Judy Brown*

Background 235  
The Existing System in Colorado 237  
The Melding of Treatment and Corrections 238  
The Colorado Model for Rehabilitation of Multiple  
DUI Offenders 241  
Clinical and Programmatic Observations 244  
Summary and Future Applications 245  
References 246

**Part V Treatment Alternatives 247**

**Prologue 249**

*Howard J. Shaffer*

**15. Alcohol Treatment Alternatives: What Works? 253**

*William R. Miller*

Five Myths of Treatment 254  
Specific Treatment Modalities 256  
Client-Treatment Matching 259  
Conclusions 260  
References 262

**16. Cognitive-Behavioral Treatment of Problem Drinking 265**

*Chad D. Emrick and Gregory A. Aarons*

Theory 266  
Treatment 275  
Conclusion 282  
Notes 283  
References 283

**17. Affective Modes in Multimodality Addiction Treatment 287**

*Robert Vaughn Frye*

Treatment Planning 287  
Change and Recovery 289  
Affective Modes 290  
Conclusion 304  
References 305

**18. Family Therapy Approaches to Substance Abuse with a Special Focus on Alcohol Issues 309**

*Victor A. Harris*

- Typology of Treatment Approaches 311
- A Model for Type 3 Family Therapy 315
- Summary 318
- Annotated Bibliography 318
- Notes 319
- References 319

**Appendix 18–A: Codependence Project Protocol for Therapy Sessions 323**

**19. Therapy with Families of Adolescent Substance Abusers 329**

*M. Duncan Stanton and Judith Landau-Stanton*

- Family Life Cycle Issues 330
- Dealing with the Parental Subsystem 333
- Sibling Factors 336
- Grandparents 336
- Other Systems 338
- References 338

**20. Interventions with the Substance-Abusing Nurse 341**

*Vernice Griffin Hills.*

- Patient Dynamics and History 342
- Treatment 345
- Results 348
- Conclusion 349
- Suggested Readings 349
- References 350

**Epilogue: Integrating Treatment Choices 351**

*Howard J. Shaffer and Blase Gambino*

**Appendix: Counseling Interest Inventory 377**

**Index 381**

**About the Contributors 391**

**About the Editors 397**

# Figures

- 1-1. Frequency distributions of risk of substance abuse due to genetic and environmental factors. 11
- 2-1. Structural similarity between norepinephrine and amphetamine. 27
- 2-2. Chemical transmission of a nerve impulse. 29
- 2-3. Effect of cocaine on the reabsorption of excitatory neurotransmitters (norepinephrine) into the presynaptic membrane. 32
- 2-4. Conversion of tryptophan to serotonin in the brain. 36
- 2-5. Conversion of tyrosine to norepinephrine in the brain. 37
- 3-1. Phases following a cocaine binge. 56
- 7-1. Relationship between health education experience and health-related behavior. 125
- 9-1. Differential diagnosis. 175
- 18-1. Flowchart of delivery design/treatment protocol. 317
- 20-1. Primary drugs of abuse. 344
- 20-2. Noncontingency versus contingency patients. 348

# Tables

- 3-1. Standard Benzodiazepine Dosing Schedule 51
- 3-2. Bromocriptine Regimen for Cocaine Withdrawal 57
- 3-3. Benzodiazepines in Common Use 59
- 5-1. Estimated Number of Deaths Attributable to Alcohol in the United States, 1980 96
- 9-1. Models of Dual Diagnosis 164
- 9-2. DSM III-R Axis I Disorders: Clinical Syndromes 166
- 9-3. Psychoactive Substance-Induced Organic Mental Disorder: Alcohol 167
- 9-4. DSM III-R Axis II Disorders 171
- 9-5. DSM III-R Axis II Disorders: Personality Traits and Disorders 171
- 9-6. Importance of Identifying Dual-Diagnosis Patients 174
- 9-7. Effects of Substance Abuse on Recovery from Psychiatric Disorder 176
- 11-1. Outcome of One Hundred Heroin Addicts at Three Points in Time after Index Hospital Discharge 203
- 11-2. Outcome of One Hundred Alcohol-Dependent Individuals at Three Points in Time after Index Hospital Discharge 203
- 11-3. Factors Associated with Absence of Relapse for a Year or More 206

- 13-1. Prevalence of Drug Use among 1986  
Committed Juveniles 229
- 13-2. Characteristics of Drug Use 230
- 13-3. Delinquency Factor Assessment 232
- 14-1. Admission Criteria for Colorado Multiple DUI  
Offender Program 243
