

INTRODUCTION

xv

PART ONE

Understanding Strategic Tax Planning: A Framework 1

CHAPTER 1

A Framework for Understanding Taxes 3

How Are Taxes Important in Decision Making? 4

Types of Taxes 9

Basic Principles of Taxation 25

Sources of Tax Laws 29

Important Principles and Concepts in Tax Law 35

Savant Framework 45

CHAPTER 2

Utilizing the SAVANT Framework to Guide Tax Planning 49

Strategy 51

Anticipation 54

Value-Adding 59

Negotiating 68

Transforming 69

Putting It All Together: SAVANT Concepts Illustrated 71

PART TWO

Forming the Enterprise 75

CHAPTER 3

Choosing a Legal Entity: Risk Management, Raising Capital, and Tax Management 77

Strategy 82

vii

Anticipation and Timing Issues	87
Value-Adding	88
Negotiating	90
Transforming	92
Putting It All Together: Applying SAVANT to Entity Choice	95
Specialized Legal Forms	97
CHAPTER 4	
Financing a New Venture	102
Internal Financing	103
External Financing: Debt versus Equity	105
PART THREE	
Operating the Firm	123
CHAPTER 5	
New Products: Development, Promotion, and Advertising	125
New Products and Product Improvement	125
SAVANT and Research and Development	141
CHAPTER 6	
Attracting and Motivating Employees and Managers: Company and Employee Tax Planning	144
Executive Compensation	145
Nonexecutive Employee Compensation	146
Perquisites	152
Pension and Profit Sharing Plans	153
Current and Deferred Compensation	156
Limits on Deductibility on Executive Compensation	157
Stock Options	157
Management Bonus Plans	163
Financial Statement/Finance versus Tax Strategy Trade-Offs	164
Putting It All Together: Applying SAVANT to Executive Compensation	166
CHAPTER 7	
Market Penetration: Operating in Different States	173
General Principles of State and Local Taxation	176

Planning with Income Taxes: Manipulation of Plant, Workforce, and Point of Sale Locations	176
Location Choice: Sourcing versus Production Platforms	185
Distribution: Planning for Sales and Use Taxes	186
Lobbying and Tax Abatements	189
Trade-Offs with Local Tax Incentives: Infrastructure, Government Costs/Subsidies, and Other Local Costs	191
Putting It All Together: SAVANT Applied to Market Penetration in Other States	191

CHAPTER 8

Market Penetration: Company and Employee Tax Planning for Operating in Foreign Countries **184**

Some Basics on U.S. Taxation of Overseas Operations	194
Some Basics on Taxation by Countries Other Than the United States	197
Tax Treaties	198
Effective Tax Management	199
Putting It All Together: Penetrating Foreign Markets from a SAVANT Perspective	216

CHAPTER 9

Operations Management **219**

Production Design and process Selection	219
Inventory: Methods of Accounting and Includable Amounts	223
Strategic Capacity Planning: Plant versus People	231
Putting It All Together: Operations Management from a SAVANT Perspective	235

CHAPTER 10

Financing Ongoing Operations and Tax Planning **239**

Operating Earnings	240
Sale of Operating Assets	240
Sale of Investments	241
Short-Term Borrowing	243
Accounts Receivable	244
Decrease in Dividends	245
Stock Dividends	246
Stock Buybacks	246

Using Employee Stock Ownership Plans	248
Receipt of Dividends from Subsidiaries	249
Putting It All Together: Financing Ongoing Operations from a SAVANT Perspective	254

CHAPTER 11

Capital Budgeting	259
Fixed Asset Acquisition	259
Analysis from a SAVANT Perspective	263
Putting It All Together: SAVANT Concepts Applied to Capital Budgeting	269
Make or Buy Decisions	271
Capital Budgeting and Plant Capacity	274
Risk Considerations	279

CHAPTER 12

Financial Statement Analysis and Proactive Tax Planning	282
Segmental Analysis	282
Strategic Analysis: Using Competitor's Tax Note and Segmental Data	289

PART FOUR

Changing Original Form	299
-------------------------------	------------

CHAPTER 13

Restructuring	301
Financial Restructuring	301
Financial Restructuring in the SAVANT Framework	303
Business Restructuring	306
Legal Entity Restructuring	306
Divestitures in the SAVANT Framework	312
Selling Off Parts of the Business	312
Selling a Business to an Outside Entity	313

CHAPTER 14

Mergers and Acquisitions	319
Some General Tax Rules	320
Tax Free Mergers and Acquisitions	321

Statutory Mergers and Consolidations	322
Taxable Mergers and Acquisitions	328
Tax Planning and Acquisition Costs	331
Allocating Purchase Price	332
Financial Accounting Trade-Offs	332
Minimizing Tax Benefits	333
Leveraged Buyouts	336
Sources of Merger and Acquisition Finance	337
Defensive Strategies	339
Merger and Acquisition Activity and Scrutiny by Tax Authorities	341
Putting It All Together: Merger and Acquisition from a SAVANT Perspective	341
CHAPTER 15	
Other Topics in Changing Original Form	344
Use of Flow-through Entities for Divestitures	344
Use of Flow-through Entities for Acquisitions	347
Liquidations	348
Buying a Subsidiary for Its Assets	353
Fighting Off Takeover Attempts with ESOPs	357
Bankruptcies	360
APPENDIX A	
Basic Tax Research Skills	361
Steps in the Research Process	361
Sources of the Law	362
Getting Answers to Simple Questions	362
APPENDIX B	
Present Value Analysis: Lump Sums	364
Annuities	366
Uneven Cash Flows	368
BIBLIOGRAPHY	369
INDEX	371
