

# Cases on Information Technology Management in Modern Organizations

## Table of Contents

### **Preface**

Jay Liebowitz  
George Washington University

Mehdi Khosrowpour  
Pennsylvania State University, Harrisburg

### **Chapter 1**

Introducing Expert Systems at The Corporation ..... 1  
Jay Liebowitz  
George Washington University

### **Chapter 2**

Montclair Mutual Insurance Co. .... 9  
William Money  
George Washington University

### **Chapter 3**

Better Army Housing Management Through Information Technology ..... 19  
Guisseppe A. Forgionne  
University of Maryland, Baltimore County

### **Chapter 4**

The Training Challenge: Installing a POS for Improved Reporting and Customer Satisfaction ..... 32  
Janette Moody  
The Citadel  
  
David Jordan  
CompuTech Consulting

### **Chapter 5**

Changing the Old Order: Sequencing Organizational and Information Technology Change to Achieve Successful Organizational Transformation ..... 48  
Chris Sauer  
University of New South Wales

### **Chapter 6**

Costs and Benefits of Software Engineering in Product Development Environments ..... 57  
Sorel Reisman  
California State University, Fullerton

### **Chapter 7**

Implementing a Wide-Area Network at a Naval Air Station: A Stakeholder Analysis ..... 72  
Susan Page Hocevar, Naval Postgraduate School  
Barry A. Frew, Naval Postgraduate School  
Virginia Callaghan Bayer, Naval Postgraduate School

**Chapter 8**

Using Information Technology to Enhance Industry ..... 83

Effectiveness: The Case of the Textile Industry

Ram L. Kumar  
University of North Carolina, Charlotte

Connie W. Crook  
University of North Carolina, Charlotte

**Chapter 9**

A Comprehensive Process Improvement Methodology: ..... 94

Experiences at Caterpillar's Mossville Engine Center (MEC)

David Paper  
Utah State University

Steve Dickinson  
Caterpillar, Inc.

**Chapter 10**

Systems Requirements and Prototyping ..... 107

Vincent Yen  
Wright State University

**Chapter 11**

Risk and Rewards at Frontier Communications: Improving ..... 121

Customer Service using Client/Server Technology

Kieran Mathieson  
Oakland University

Tim Toland  
Frontier Communications, Inc.

**Chapter 12**

USCInfo: A High Volume, Integrated Online Library ..... 132

Resources Automation Project

Mathew J. Klempa  
Computer information systems applications consultant

Lucy Siefert Wegner  
University of Southern California

**Chapter 13**

Mismanaging a Technology Project: The Case of ABC Inc. .... 156

John H. Benamati  
University of Kentucky

Ram Pakath  
University of Kentucky

**Chapter 14**

DSS For Strategic Decision Making ..... 168

Sherif Kamel  
American University in Cairo

**Chapter 15**

End-User Computing at BRECI: The Ordeals of a One-Person IS Department ... 183  
Kathleen Moffitt  
California State University, Fresno

**Chapter 16**

Evolving Organizational Growth Through Information Technology ..... 194  
Ira Yermish  
St. Joseph's University

**Chapter 17**

Integrating Information Technologies Into Large Organizations ..... 209  
Gretchen L. Gottlich, NASA Langley Research Ctr.  
John M. Meyer, NASA Langley Research Ctr.  
Michael L. Nelson, NASA Langley Research Ctr.  
David J. Bianco, Computer Sciences Corporation

**Chapter 18**

Developing Effective Computer Systems Supporting ..... 225  
Knowledge Intensive Work: Situated Design in a Large Paper Mill  
Martin Müller, University of Zurich  
Rolf Pfeifer, University of Zurich

**Chapter 19**

Business Reengineering at a Large Government Agency ..... 250  
Nina McGarry  
PRC  
  
Thomas Beckman  
Internal Revenue Service

**Chapter 20**

The Clinical Information Systems: Case of MIS Leading ..... 275  
Design Decisions  
Gurpreet Dhillon  
Cranfield School of Management

**Chapter 21**

Managerial Challenges in Information of Danish Geodata Sector ..... 288  
Erik Frøkjær  
University of Copenhagen  
  
Helge Korsbæk  
University of Copenhagen

Glossary ..... 306

Authors Bios ..... 312

Index ..... 319
