	Appendix: The Analysis of Financial Resources	135

PART 3

ALTERNATIVE BUSINESS STRATEGIES

Chapter 8	Obtaining a Sustainable Competitive Advantage	141
	The Sustainable Competitive Advantage	141
	The Role of Synergy	147
	Strategic Vision versus Strategic Opportunism	149
	A Dynamic Vision	156

Chapter 9	Differentiation Strategies	163
	Successful Differentiation Strategies	164
	The Quality Option	166
	Building Strong Brands	172
Chapter 10	Obtaining an SCA—Low Cost, Focus, and the Preemptive Move	181
	Low-Cost Strategies	181
	Focus Strategies	190
	The Preemptive Move	194
Chapter 11	Growth Strategies: Penetration, Product-Market Expansion, and Vertical Integration	203
	Growth in Existing Product Markets	204
	Product Development for the Existing Market	209
	Market Development Using Existing Products	213
	Vertical Integration Strategies	214
Chapter 12	Diversification	222
	Related Diversification	223
	Unrelated Diversification	229
	Entry Strategies	234
Chapter 13	Strategies in Declining and Hostile Markets	239
	Creating Growth in Declining Industries	240
	Be the Profitable Survivor	242
	Milk or Harvest	243
	Divestment or Liquidation	245
	Selecting the Right Strategy for the Declining Environment	246
	Hostile Markets	249
Chapter 14	Global Strategies	255
	Motivations Underlying Global Strategies	256
	Standardization versus Customization	260
	Strategic Alliances	267

PART 4

**IMPLEMENTATION AND THE
PLANNING PROCESS**

Chapter 15	Implementing the Strategy	277
	A Conceptual Framework	278

Structure	278
Systems	281
People	282
Culture	283
Obtaining Strategic Congruence	286
Organizing for Innovation	290

Chapter 16	Formal Planning Systems	294
	The Formal Planning System	294
	Pitfalls of a Formal Planning System	298
	Modifying a Planning System—A Case Study	301
	Getting Started	304

Appendix	Planning Forms	307
