

***Family Planning and Population:
A Compendium of International Statistics***

CONTENTS

Acknowledgments	v
Introduction	1
Acronyms and Abbreviations	6
Abbreviations of Sources	7

Demographic and Social Settings

Table 1. Selected Demographic Characteristics, Developing and Developed Countries	8
Table 2. Vital Rates, and Life Expectancy by Sex, Developing and Developed Countries	14
Table 3. Social and Economic Characteristics, Developing and Developed Countries	20
Table 4. Total Fertility Rates, Developing and Developed Countries	26

Eligible Populations and Prevalence of Contraceptive Use

Eligible Populations

Table 5. Number of Women of Reproductive Age (000s), 1993, in Five-Year Age Groups, Developing and Developed Countries	29
Table 6. Percentage of Women Married/Cohabiting, by Age, Developing Countries	32
Table 7. Vital Statistics for Adolescent Women Aged 15–19, Developing Countries	35

Prevalence of Contraceptive Use

Table 8. Percentage of Couples in Reproductive Ages Using Contraceptives, by Country, Date, and Method, Developing and Developed Countries	38
Table 9. Prevalence of Contraceptive Use by Personal Characteristics, Selected Dates, Developed Countries	56
Table 10. Source of Supply for Users of Modern Methods of Contraception, Developing Countries	62

Family Planning Programs

Program Effort and Coverage

Table 11. Family Planning Program Effort Scores (percentage of maximum), by Effort Level and Program Components, 1982 and 1989; and Contraceptive Prevalence for 1990, Developing Countries	68
Table 12. Community-Based Distribution Programs, Developing Countries	71
Table 13. Social Marketing Programs, Selected Dates, Developing Countries	74

Table 14. Percentage of Population with Access to Family Planning Services, 1989, Developing Countries	79
Table 15. Number of Acceptors of Family Planning Services (000s), by Method and Year, Developing Countries	83
Government Policies	
Table 16. Government Positions on Population Growth and Interventions, 1986, 1989 and 1992, Developing Countries	97
Table 17. Legal Status of Female Sterilization, 1987 and 1992, Developing Countries	100
Table 18. Conditions for Performing Sterilization, 1989 and 1992, Developing Countries	102
Table 19. Legal Status of Abortion, 1989 and 1992, Developing Countries	109
Table 20. Conditions for Performing Legal Abortion, and Average Price of Abortion, Developing Countries	112
Family Planning Budgets and Expenditures	
Table 21. Annual Family Planning, Health, and Total Government Budgets, Developing Countries	115
Table 22. Annual Total and Per Capita Funding for Family Planning Programs, by Major Source, Developing Countries	123
Table 23. Percentage Distribution of Family Planning Program Expenditures, by Type of Expenditure, Developing Countries	132
Table 24. Percentage Distribution of Family Planning Program Expenditures, by Program Function, Developing Countries	136
Imports, Contraceptive Supplies, and Costs	
Table 25. Import Regulations, Contraceptive Supplies Available, and Price Range in Private Sector, Developing Countries	140
Table 26. Charges to Acceptors of Family Planning Services and Supplies, Developing Countries	172
Table 27. Payments to Personnel for Specified Family Planning Services, by Type of Service and Category of Worker, Developing Countries	178
Personnel and Facilities	
Table 28. Personnel Specifically Allocated for Family Planning Services, Developing Countries	188
Table 29. Facilities Specifically Allocated for Family Planning Services, Developing Countries	194
Donor Support	
Table 30. Donor Assistance: Statistics for 20 Donor Countries, 1991	202
