What This Book Is About	1
Quantitative and Qualitative Research	1
The Analysis of Qualitative Data	3
How to Read This Book	5
History of Qualitative Research	9
Qualitative Research in Sociology	21
Qualitative Research in Psychology	33
Existential-phenomenological Approaches	33
Other Qualitative Forms of Psychological Research	37
Qualitative Research in Education	43
Types of Qualitative Research	55
Introduction	55
Working with Words	56
Words as Data in the Social Sciences	57
Research that Studies the Characteristics of Language	60
Research that Aims at the Discovery of Regularities	63
Research that Seeks to Discern Meaning	67
Research that is Based on Reflection	69
Finale	71
Graphic Overview of Qualitative Research Types	72
Types of Qualitative Analysis	77
Introduction	77

Analysis in Types of Research where the Interest is in the <i>Characteristics of Language</i> as Communication or as the Cognitive Representation of Culture	79
Content analysis	79
Discourse analysis and ethnography of communication	80
Ethnoscience and structural ethnography	81
Symbolic interactionism and ethnomethodology	82
Analysis in Types of Research where the Interest is in the <i>Discovery of Regularities</i> as the Identification and Categori- zation of Elements and the Establishment of their Connections, or as the Identification of Patterns	84
Research in which Connections among the Identified and Categorized Elements are Sought	85
Research in which the Identification of Regularities is Sought in the Form of Patterns	89
Analysis in Types of Research where the Interest is in the <i>Comprehension of the Meaning</i> of Text or Action	92
Summary	94
The Mechanics of Structural Qualitative Analysis	103
Introduction	103
Parts and Relationships	103
Interactional Structures	105
Logical Structures	106
Electronic Data Handling	107
Text Data Base Managers	108
Text Retrievers	109
Text Analysis Package (TAP)	109
ETHNO	110
The Mechanics of Interpretational Qualitative Analysis	113
Introduction	113
De-contextualizing and Re-contextualizing in Descriptive/Interpretive Analysis	115
Segmenting	115
Developing an organizing system	118
Sorting data (coding)	121
De-contextualizing and Re-contextualizing in Theory-Building Analysis	123
Organizing Systems	123
Exploring Connections	124
Physical Data Handling	127
Electronic Data Handling	130

Organizing Systems and How to Develop Them	135
The Nature of Classification	135
Categorization in Qualitative Research	138
How to Develop an Organizing System	141
Qualitative Analysis Programs (MS-DOS):	
Basic Structures and Functions	147
Introduction	147
The Structure of Analysis Software	149
Analysis Software Functions	150
The main functions	151
Enhancement functions	155
Preparatory functions	158
Housekeeping functions	160
Individual Programs	163
Programs for Descriptive/Interpretive Analysis	163
Programs for Theory-building	163
How to Deal With a Computer	167
Introduction	167
The Myth	168
Basic Facts	169
Appropriate Expectations	172
How to Read the Descriptions of Text Analysis Programs	177
Text Retrievers	181
Introduction	181
Search Programs	183
Content Analysis Programs	186
Operations	187
Conclusion	195
Data Base Managers	199
Introduction	199
Basic Principles and Original Structure	200
Program Architecture	202
Sorting and Searching	203
Development of New Features and Types	205
Conclusion	208
ETHNO	211
Introduction	211
Program Structure	215
Working with ETHNO's Basic Functions	218
Enhancements	222

Technical Description	222
ETHNO Glossary	222
Text Analysis Package (TAP)	223
Introduction	223
Underlying Concepts	224
Program Structure	224
How TAP Works	226
The main functions	226
Enhancement functions	231
Preparatory functions	233
Housekeeping functions	233
Technical Description	234
TAP Glossary	234
QUALPRO	237
Introduction	237
Underlying Concepts	238
Program Structure	241
How QUALPRO Works	243
The main functions	243
Enhancement functions	247
Preparatory functions	248
Housekeeping functions	249
Technical Description	249
QUALPRO Glossary	249
The Ethnograph	251
Introduction	251
Underlying Concepts	252
Program Structure	253
How The Ethnograph Works	255
The main functions	255
Enhancement functions	264
Preparatory functions	264
Housekeeping functions	267
Technical Description	267
The Ethnograph Glossary	268
TEXTBASE ALPHA	271
Introduction	271
Underlying Concepts	272
Program Structure	273
How TEXTBASE ALPHA Works	274
The main functions	274
Enhancement functions	282

Preparatory functions	284
Housekeeping functions	285
Technical Description	286
TEXTBASE ALPHA Glossary	286
HyperQual	287
Introduction	287
Underlying Concepts	288
Program Structure	289
How HyperQual Works	290
Data entry	290
Segmenting and assembling	292
Coding and assembling	293
Multiple codes	296
Memos and illustrations	297
Technical Description	297
HyperQual Glossary	298
Conclusion	299
Bibliography	307
Author Index	319
Subject Index	323
