# LIST OF FIGURES

---

## *Australia and New Zealand*

3.1	Trade and invisible balances, 1970–1995	85
3.2	Real long-term interest rates, net of US interest rate, 1970–1995	90
3.3	Fiscal deficits, 1970–1997	91
3.4	Unemployment rates, OECD definition, 1970–1996	92
3.5	Consumer price inflation, 1970–1998	93
3.6	Public sector employment to population, 1970–1997	95
3.7	Employment to population rate, 1970–1998	97
3.8	Business sector employment as percentage of population, 1970–1997	97
3.9	Social expenditures as a percentage of GDP, 1980–1997	100
3.10	Income from work as a share of national income, 1970–1995	103

## *Switzerland*

4.1	Employment and unemployment rates in Switzerland compared to OECD average, 1975–1995	139
4.2	Foreign workers by type of permit, 1960–1996	140
4.3	Sectoral composition of employment in Switzerland, 1970–1990	144
4.4	Government revenues, expenditures and deficit (or surplus), 1980–1995	152
4.5	Switzerland's tax structure, 1970–1996	162

## *Austria, Belgium, and the Netherlands*

5.1	Annual real growth, 1970–1998	178
5.2	Annual unemployment rates as a percentage of the labor force, 1970–1997	180
5.3	Employment as a percentage of the working age population (15–65), 1970–1997	181
5.4	Annual percentage change of consumer prices, 1970–1997	183
5.5	Index of unit labor costs, in real terms, relative to 1990 (= 100), 1970–1997	183

## *Germany*

6.1	Employment in agriculture, industry, and services, 1970–1990	276
-----	--	-----

6.2	Early retirement and labor force participation, 1979–1990	282
6.3	Social insurance contribution rates, 1970–1998	292
6.4	Early retirement and labor force participation in East Germany, 1992–1996	294
6.5	Early retirement and labor force participation in West Germany, 1992–1996	295
6.6	Private services in the OECD and West Germany, 1980–1993	297
6.7	Tax wedge and social assistance in Germany, 1970–1998	299

*France*

7.1	Social expenditure as a share of GDP, Christian Democratic welfare states, 1981	311
7.2	Labor force participation rates, males, aged 55–64, 1974–1995	327

*Italy*

8.1	Gross public debt as a share of GDP, 1970–1997	366
8.2	Public deficits as a share of GDP, 1970–1997	367
8.3	Foreign direct investment outward stock, 1985–1995	369
8.4	Employment/population rates, exposed, sheltered, and public sectors, 1980–1994	373
8.5	Employment/population rate in various sectors, 1980–1994	374
8.6	Total, Center-Northern, and Southern unemployment rates, 1980–1995	375
8.7	Youth unemployment rate in Italy (pop. aged 15–24), compared to OECD average, 1980–1995	376
8.8	Total taxation and total outlays of government in Italy, total taxation in OECD–18, 1970–1995	377
8.9	Old age and survivors' benefits as part of total social expenditure, 1993	377
8.10	Old age and survivors' benefits as part of total social expenditure, 1996	378
8.11	Pension expenditure projections, 1995–2045	387

*Sweden and Denmark*

9.1	Inflation, 1970–1996	414
9.2	Hourly earnings in manufacturing, 1973–1995	415
9.3	Total employment rate, 1970–1996	415
9.4	Employment rate, exposed sectors, 1970–1996	434
9.5	Social expenditures as a share of GDP, 1980–1996	424
9.6	Growth rates of real GDP, 1970–1996	418
9.7	Employment rate, public sector, 1970–1994	425

*Women's Labor Market Participation*

10.1	Male and female labor force participation rates, 1996	470
10.2	Female labor force participation rates, 1970, 1980, 1990, 1996	473
10.3	Proportion of women's employment that is part-time 1970, 1980, 1990, 1996	475
10.4	Female economic activity rate by age group in EU, 1996	477
10.5	Part-time employment (as percentage of all employment) and the female employment rate, 1996	480
10.6	The service sector and female employment rates, 1996	482
10.7	The public employment and female employment rates, 1996	484
10.8	Expenditure on services for elderly and disabled people as percentage of GDP and the activity rate of women aged 50 and over in 1996	494
10.9	Female labor profiles in a cross-national context on the basis of the continuity and extent of labor force participation	500

*Exit from Work*

11.1a	Male employment rates, aged 55–59, 1965–1995	516
11.1b	Male employment rates, aged 55–59, 1965–1995	516
11.2a	Male employment rates, aged 60–64, 1965–1995	517
11.2b	Male employment rates, aged 60–64, 1965–1995	517
11.3	Multiple pathways to early exit from work	525

*Public Interest Services*

12.1	Employment in telecommunications services (overview A)	574
12.2	Employment in telecommunications services (overview B)	575
12.3	Employment in telecommunications services (OECD–Data)	577
12.4	Employment in telecommunications services (ITU–Data)	578
12.5	Employment at postal operators	585
12.6	Employment in railways	588

*Tax Competition*

13.1	An extended framework for analyzing national tax policy adjustment	600
13.2	Average tax ratios of 18 OECD countries in 1970, 1975, 1980, 1985, 1990, and 1996 (intervening years are not covered)	625
13.3	Average tax mix of 18 OECD countries, 1970–1996	626
13.4	Average total government outlays, total tax receipts, and public deficits in 16 OECD countries, 1970–1997	636

# LIST OF TABLES

---

## *Australia and New Zealand*

3.1 State institutional structures, <i>c.</i> 1970	72
3.2 Trade structure, various indicators, 1961–1997	74
3.3 Inward foreign direct investment, <i>c.</i> 1980	75
3.4 ‘Golden age’ formal welfare states, 1970s	81
3.5 Australia—utilities employment, 1985–1995	117
3.6 Export growth, annual percentage change, 1981–1993	124

## *Switzerland*

4.1 Imports and exports, 1980–1996 (million CHF)	148
4.2 Swiss foreign direct investment (stock) by region and employed persons, 1990–1996	148
4.3 Employment by sector, 1991–1996 (thousands)	151
4.4 Receipts, outlays, and balance of the unemployment insurance fund, 1988–1997 (million CHF)	153
4.5 Beneficiaries (thousands), receipts, outlays, and balance of the disability insurance fund, 1988–1996 (million CHF)	153

## *Austria, Belgium, and the Netherlands*

5.1 Austria, Belgium, and the Netherlands compared, 1994	177
5.2 Output, employment, labor force, and unemployment, 1970–1996	179
5.3 Some characteristics of labor relations in the mid-1990s	181
5.4 Labor’s share in the national income, 1960–1997	185
5.5 Electoral results of Social Democrats and Christian Democrats, 1975–1999	191
5.6 Average annual growth of real (gross) wages and productivity (%)	235

## *Germany*

6.1 Unit labor costs by sector in East Germany, 1991–1997 (%; West Germany = 100%)	286
--	-----

## *France*

7.1 The French welfare mix: A combination of Bismarckian and Beveridgean features	313
---	-----

*Italy*

- |   |     |
|---|-----|
| 8.1 Social policy reforms, 1950–1980        | 354 |
| 8.2 Labor policies, 1950–1980: A summary    | 356 |
| 8.3 Employment and imports: Sectoral trends | 372 |

*Sweden and Denmark*

- |   |     |
|---|-----|
| 9.1 Tax reforms for Sweden and Denmark in the 1980s and 1990s | 445 |
|---|-----|

*Women's Labor Market Participation*

- |   |     |
|---|-----|
| 10.1 Childcare provision and maternity and parental leave policies in the early to mid-1990s  | 488 |
| 10.2 Classification of countries on the basis of the degree to which public policies offer a degree of choice to mothers about employment and the proportion of mothers employed in the early 1990s   | 490 |
| 10.3 Public and private mandatory expenditures on services for the elderly and disabled persons as percentage of GDP in 1995, the proportion of elderly people in residential care or in receipt of home help services in 1990/1991 and the activity rate of women aged 50 years and over in 1996 | 493 |
| 10.4 Personal income taxation provisions as of the early 1990s  | 496 |
| 10.5 Orientation of income tax system and labor force participation rates of married women, 1996  | 497 |

*Exit from Work*

- |   |     |
|---|-----|
| 11.1 Labor force participation of older men, 1989 (%)                     | 519 |
| 11.2 Generosity (1995) and older recipients (1990) of disability benefits | 537 |
| 11.3 Typology of exit patterns and early retirement regimes               | 545 |

*Public Interest Services*

- |  |     |
|--|-----|
| 12.1 Great Britain: Accessibility and quality of services after liberalization | 569 |
| 12.2 Germany: Service performance  | 570 |
| 12.3 France: Service performance   | 571 |
| 12.4 User spending France, Great Britain, Germany, 1996                        | 571 |

*Tax Competition*

- |  |     |
|--|-----|
| 13.1 Average effective corporate tax rates, 1979–1994                    | 608 |
| 13.2 Statutory corporate tax rates in 18 OECD countries, (1986 and 1998) | 612 |
| 13.3 Taxes on interest from bank deposits, 1980 and 1996                 | 618 |

13.4	Percentage of tax receipts from relatively 'immobile' tax bases in total tax receipts and GDP, 1985 and 1996	627
13.5	Percentage of tax receipts from relatively 'mobile' tax bases in total tax receipts and GDP	628
13.6	Average/implicit tax rates on capital/other factors of production and labor, 1975–1995	629
13.7	Percentage of total government outlays, total tax revenues, and public deficits in GDP, 1970–1997	637
