

<i>Preface</i>	vii
<i>Acknowledgements</i>	x
<i>Abbreviations</i>	xi
1 What is Cable Management?	1
2 Metal, Composite and Insulating Conduit Systems	27
3 Commercial and Industrial Cable Trunking Systems	46
4 Perimeter Trunking Systems	62
5 Mini-trunking Systems	79
6 Bench Trunking Systems	89
7 Service Poles and Posts	98
8 Control Panel Trunking	111
9 Cavity Floor Systems	116
10 Floor Distribution Systems	140
11 Lighting Trunking and Track	158
12 Cable Ladders and Cable Trays	173
13 Busbar Trunking Systems	190
14 Special Systems	208
15 Cable Support Systems	219
16 Electrical Interference and Preventive Measures	240
17 Fire Protection and Rodent Resistance	246
18 Metal or Plastics Systems?	255
Appendix A Standards and Specifications	261
Appendix B Conduits	264
Appendix C Cable Trunking	268
Appendix D Cavity Floor Systems	272
Appendix E Busbar Systems	275
Appendix F Lighting Track	279
Appendix G Flammability Ratings of Cable Ties	281
Appendix H Metal Channel Cable Support Systems	283
Appendix I Screening and Electromagnetic Compatibility	286
Appendix J Fire Protection	291
Appendix K Earthed Equipotential Systems	297
Appendix L List of Suppliers	303
<i>Index</i>	317
