PART I THEORY, METHODOLOGICAL CONCERNS, AND INSTRUMENTS

1	Norm violation as a precipitating factor of negative intergroup relations	
	<i>Richard DeRidder, Sandra G. L. Schreijer, and Rama C. Tripathi</i>	3
	Introduction	3
	Definition of concepts	4
	Social-psychological theories of intergroup relations	6
	Realistic conflict theory	6
	Social identity theory	9
	Relative deprivation theory	12
	Power, attitudes, attribution	14
	Power	14
	Intergroup attitudes	16
	Intergroup attribution	17
	Recent developments	19
	Norm violation theory: towards a model of intergroup dynamics	20
	A pig in the Eidgah	20
	Norms and intergroup relations	21
	Attributes of norms	22
	Norm development	24
	Norm violation and intergroup behaviour: a theoretical framework	24
	An elementary sequence	24
	Assumptions of the elementary framework	27
	An elaborated framework	28
	Empirical evidence	31
	Norm violation theory in perspective: limitations and related approaches	33
	Limitations	33
	Related approaches to intergroup behaviour	35
	Concluding comments	37
	Notes	37

2	Methodological concerns, choice of groups and instruments	
	<i>Ype H. Poortinga and Jai B. P. Sinha</i>	38
	Methodological concerns	38
	Group contrasts	39
	Subjects within groups	40
	Instruments	40
	Norm violation inventory	41
	Scale for own group identification	44
	Scale for attitudes towards the other group and own group	45
	Scale for perceived power	45
	Scale for fraternal relative deprivation	46
	Notes	47

PART II EMPIRICAL STUDIES

3	On what happens when Dutchmen and Turks violate each other's norms: a perfect match of mutual expectations?	
	<i>Sandra G. L. Schruijer</i>	51
	Introduction	51
	Turkish immigration: a historical overview	51
	Education, (un)employment, and family life of Turkish immigrants	52
	Turks and Dutch: discrimination and integration	52
	Predictions	53
	Method	54
	Instruments	54
	Norm violation inventory	54
	Own group identification	56
	Intergroup attitudes	56
	Perceived power	57
	Fraternal relative deprivation	57
	Other dependent variables	58
	Sample	58
	Results	59
	Reactions to norm violation	59
	Context factors	62
	Own group identification	62
	Intergroup attitudes	62
	Perceived power	63
	Fraternal relative deprivation	64

Relationship between reactions to norm violation and context factors	65
Discussion	66
Notes	69
4 The communal cauldron: relations between Hindus and Muslims in India and their reactions to norm violations	
<i>Emmanuel S. K. Ghosh, Rashmi Kumar, and Rama C. Tripathi</i>	70
Introduction	70
The setting of the present study	72
Hypotheses	72
Method	73
The development of the norm violation inventory	73
Sample	74
Instruments	74
Norm violation inventory	74
Measures of own group identification and attitudes	76
Perceived power	76
Fraternal relative deprivation	77
Results	77
Reactions to norm violation	77
Context variables	80
Own group identification	80
Attitudes towards the own group and the other group	81
Perceived power	81
Fraternal relative deprivation	82
Relationship between social context factors and norm violation	83
Prediction of reaction to norm violation from context factors	83
Discussion	84
Notes	89
5 The darker side of the worker–manager relationship in a coal area in India	
<i>Ravi B. P. Singh and Jai B. P. Sinha</i>	90
Introduction	90
The milieu	90
Research setting	92
Hypotheses	93
Method	95

Sample	95
Instruments	95
The norm violation inventory	96
Measures of attitudes and own group identification	97
Power	99
Fraternal relative deprivation	100
Results	101
Reactions to norm violations	101
Results for context variables	103
Workers' and managers' attitudes	103
Own group identification	103
Power of managers and workers	104
Fraternal relative deprivation of managers and workers	105
Prediction of reactions to norm violation	107
Discussion	108
Notes	115
6 Dutch employee relations: supervisors' and subordinates' perspectives	
<i>Richard DeRidder</i>	116
Introduction	116
Employment in a social welfare state	116
Value of work and workers' ideology	116
Labour unions and work councils	117
Predictions	118
Method	118
Pilot studies	118
Sample	119
Instruments	120
Norm violation inventory	121
Own group identification and other group attitudes	121
Perceived power	122
Fraternal relative deprivation	122
Results	123
Reactions to norm violation	123
Context variables	127
Own group identification	127
Intergroup attitudes	127
Power	128
Fraternal relative deprivation	129
Relationship between context factors and reactions to norm violation	130

Discussion	130
Notes	135
7 Overall analysis	
<i>Ype H. Poortinga and Xander H. M. Jansen</i>	137
Cross-cultural equivalence of the data	137
Results for the separate variables	138
Hierarchical regression analysis	141
Regression analyses of results	143
Conclusion	146
Notes	146
8 Norms of redress	
<i>Richard DeRidder, Rashmi Kumar, and Sandra G. L. Schruijer</i>	147
Anthropological evidence	147
Three empirical studies	150
Study 1: evaluation of norm violation and reactions by autochthonous Dutchmen and Turkish immigrants	151
Subjects	151
Method	152
Results	152
Discussion	154
Study 2: evaluation of norm violation and reactions by employees in The Netherlands	155
Subjects	156
Method	156
Results	156
Discussion	157
Study 3: norms of redress between Hindus and Muslims in India	158
Subjects	159
Method	159
Results	159
Discussion	162
General discussion	164
Group differences in evaluation of reactions to norm violation	164
Similarities in evaluation of reactions to norm violation	165
Three major norms of redress	167
The norm of negative reciprocity; a Western invention?	168
Notes	169

PART III GENERAL DISCUSSION

9	Norm violation and intergroup relations: conclusions and prospects	
	<i>Richard DeRidder, Sandra G. L. Schruijer, and Rama C. Tripathi</i>	173
	Empirical studies: criticism	173
	Methodological issues	173
	Scales for context factors	174
	Reaction alternatives in the norm violation inventory	175
	Samples and research settings	176
	Main results	177
	Norm violation and intergroup reactions	177
	Power and fraternal relative deprivation	179
	Conclusions	180
	Norms of redress and reactions to norm violation	181
	Prospects	183
	Attribution processes	184
	A closer look at the context factors	184
	Norms of redress	184
	Concluding remarks	185
	Notes	185
	<i>Appendices</i>	187
	<i>References</i>	201
	<i>Author index</i>	215
	<i>Subject index</i>	219
