Tables

5.1	Determinants of creditworthiness: significant variables	60
5.2	Effects of a decrease in Chilean external debts by 4,000 million US dollars using DES	63
5.3	Determinants of creditworthiness: Chile, 1976-86	67
5.4	Selected spread elasticities with respect to changes in determinants of creditworthiness	69
5.5	Probabilities of default: Chile, 1976-86	70
5.6	Changes in spreads induced by swap-financed and conventionally-financed investments	73
7.1	Latin America and the Caribbean: external debt, 1970-85	90
7.2	Latin America and the Caribbean: ratio of total interest payments to exports of goods and services, 1978-86	91
8.1	Germany: current payments and net capital inflows, 1924-32	114
8.2a	High level of indebtedness ($D/Y = 1$)	118
8.2b	Medium level of indebtedness ($D/Y = 0.7$)	118
8.2c	Low level of indebtedness ($D/Y = 0.5$)	119
8.3	Market price of notes payable on the foreign debt	122
8.4	Sustainable foreign debt, debt at market prices, and nominal debt	123
9.1	Agricultural trade liberalization literature in the 1980s: the impact on developing countries	151
9.2	Change in export revenue, import cost, and efficiency for selected commodities of developing countries caused by a 50 per cent decrease in OECD tariff rates, 1975-7	152
9.3	Range of values of the effect of trade liberalization on world prices, export revenues, and welfare for beef, wheat, sugar, and maize: sensitivity to different values of the domestic supply elasticity	153

List of tables

9.4	Calculated world price increases from trade liberalization in selected commodities	156
9.5	Value of agricultural exports from Latin America to the EC from 1962-5 to 1981-4	163
9.6	Latin America's exports of agricultural products to the EC as a percentage of world exports to the EC from 1962-5 to 1981-4	164
9.7	Value of agricultural exports from the EC to Latin America from 1962-5 to 1981-4	165
12.1	International LIBOR interest rates, 1970-86	208
12.2	The effect of the unfavourable external shocks on Latin America	209
12.3	Comparison of the gross interest payments of Latin America's foreign debt and war compensatory payments by France and Germany	210
12.4	Comparison of Latin America's real transfer of resources with that of France and Germany for war compensations	212
12.5	Latin America's foreign debt	213
12.6	Programmes of the IMF in Latin America, 1954-80	214

Figures

4.1	Phase diagram of the model's behaviour	43
4.2	Impacts of the government's expenditure	48
8.1	Terms of trade in Latin America 1930-86	112
8.2	Terms of trade in non-oil-exporting countries 1930-85	112
12.1	Growth of GDP in Latin America	203
12.2	Income per capita (development in Latin America)	204
12.3	Exports and imports	204
12.4	Real exports and real imports (development in Latin America)	205
12.5	Net capital flows	206
12.6	Terms of trade (development in Latin America)	207
12.7	Net capital inflows	211
12.8	Net capital transfers	212
