

Contents

Introduction

1. Social Prevention: Theoretical Controversies and Evaluation Strategies
Günter Albrecht and Hans-Uwe Otto 3

Part I

Crises of Present-Day Societies and Social Prevention: Implications for Theory, Methodology, and Ethics

2. Decline of Community? – Problems of Guidance and Control in Present-Day Societies
Johannes Berger 17
3. Social Individualization and the Fate of Sociological Method
Hartmut Esser 33
4. Is an Advocatory Ethic at All Possible?
Micha Brumlik 61

Part II

Theoretical Controversies

5. Introduction: Theoretical Controversies
Hans-Uwe Otto 73

Section I

Systematic Problems of Prevention as Social Action

6. Preventive Planning – A Strategy With Loss of Purpose
Klaus Peter Japp 81
7. Basic Problems of Prevention
Remi Hess 95
8. Verwendungsforschung – Research on the Use of Knowledge and Prevention in Social Work
Bernd Dewe and Hans-Uwe Otto 101

Section II**Prevention as a Strategy of Social Work and Social Policy**

- | | | |
|-----|--|-----|
| 9. | Moving Beyond the Prevention-Intervention Dichotomy in Social Work
<i>Burt Galaway</i> | 121 |
| 10. | Cooptation and Counterculture — The Ambiguous Strategies of the Organizations of the Oppressed
<i>Sune Sunesson</i> | 131 |
| 11. | Childhood, Subjectivity, and Prevention
<i>Heinz Sünker</i> | 143 |
| 12. | Prevention Through Institutional Change? — The Preventive Potential in the Reorganization of Social Services
<i>Karin Böllert</i> | 157 |
| 13. | Innovation Despite Bureaucracy? — On the Self-Misunderstanding of Social Work
<i>Gaby Flösser</i> | 167 |
| 14. | Normalization of Eroded Daily Life: Methodizing Everyday Life in Institutional Contexts
<i>Regine Gildemeister</i> | 183 |
| 15. | Advances in Research on Social Support and Issues Applying to Adolescents at Risk
<i>Benjamin H. Gottlieb</i> | 199 |
| 16. | The Lady Is Not for Burning — The Gender Paradox in Prevention and Social Support
<i>Frank Nestmann and Christiane Schmerl</i> | 217 |

Part III**Research on Social Prevention: Old Dilemmas and New Approaches to Evaluating Social Prevention**

- | | | |
|-----|---|-----|
| 17. | Introduction: Evaluation Strategies
<i>Günter Albrecht</i> | 237 |
|-----|---|-----|

Section I**Meta-Analysis: A New Approach to Evaluation Research**

- | | | |
|-----|---|-----|
| 18. | Meta-Analysis: Its Potential for Causal Description and Causal Explanation Within Program Evaluation
<i>Thomas D. Cook</i> | 245 |
|-----|---|-----|

19. An Introduction to Meta-Analysis and the Integrative Research Review
Harris Cooper 287
20. Meta-Analysis and Social Prevention: Evaluation and a Study on the Family — Hypothesis in Developmental Psychopathology
Friedrich Lösel 305
