Preface	vii
Overview of Contents	xi
Detailed Contents	xiii
List of Tables	xix
List of Figures	xxii
List of Trouble Cases	xxiv
Chapter One	
Introduction	1
Research Question.....	1
Research Problems	5
Cooperation	5
Control.....	7
Interdependencies	9
Research Design.....	12
Plan of the Book.....	13

PART ONE - RAMPANT REMEDIES	15
A Theoretical Framework for the Study of Informal Control in Organizations	
Chapter Two	17
Existing Explanations and Empirical Evidence	
Existing Theoretical Explanations	17
Control Theories	17
Social Control Explanations	17
Organizational Control Explanations.....	18
Compliance-Gaining Theories.....	19
Strategic Choice Explanations	20
Goal Limitation Explanations	21
Institutional Theories	22
Contextual Explanations	23
Situational Explanations	25
Existing Empirical Evidence.....	27
The Sanction Level: Strategy Propositions.....	27
Content and Form.....	27
Consequences.....	29
The Organization Level: Contextual Propositions	31
Formal and Informal Structures	31
Task Complexity and Interdependence	34
The Dyad Level: Relational Propositions.....	35
Closeness and Cross-Linkages	37
Power and Status	40
The Event Level: Situational Propositions	40
Type and Scope	41
Seriousness and Frequency	41
The Actor Level: Attitudinal Propositions	42
Gender and Personality	42
Goals and Expectations	44
Concluding Remarks.....	48
Chapter Three	51
A Relational Signaling Theory of Informal Control	
Relational Signaling.....	51
The Strategy Decision	55
Sharing.....	55
Signaling.....	56
Framing.....	57
The Compliance Decision	59
Social Escalation Effects	60
Social Capital Effects	61
Loss Effects	62
Concluding Remarks.....	64

PART TWO - CHANGING CAGES

An Ethnographic Study of Organizational Change and Informal Control in the Management Team of a German Paper Factory

67**Chapter Four****Interdependence and Informal Control****69**

The Setting	71
The Old Building, 1995	72
In the Office.....	72
In Production	73
The New Building, 1996	77
In the Office.....	77
In Production	78
The Management Team.....	79
Production and Technical Departments	82
Project and Administrative Departments	85
Phase 1, 1995: Contingencies.....	86
Structures.....	86
Perceptions	90
Control.....	96
Phase 2, 1996: Confusion.....	101
Structures.....	101
Perceptions	103
Control.....	105
Phase 3, 1997: Consolidation.....	110
Structures.....	110
Perceptions	112
Control.....	115
Concluding Remarks	116

Chapter Five**Social Goals And Informal Control****119**

Method	120
Solidarity and Social Control Through Time: A Bird's Eye View	122
Social Goals and Social Control: A Theoretical Interpretation.....	135
Sanctions as Strong Solidarity Signals.....	137
Sanctions as Ambiguous Relational Signals	141
Sanctions as Weak Solidarity Signals	147
Concluding Remarks	151

PART III. GRIMY GOSSIP

A Panel Study on the Causes and Consequences
of Informal Control in Five Organizations

153

Chapter Six**Social Capital and Informal Control**

Forms of Social Capital and Informal Control.....	155
Functional Interdependence and Gain Seeking.....	156
Cognitive Interdependence and Weak Solidarity.....	159
Structural Interdependence and Strong Solidarity.....	160
Method	163
Dependent Variables	164
Independent Variables.....	165
Weak Ties and Constraint	166
Trust, Closure and Coalitions.....	167
Control Variables	168
Validity, Reliability, and Social Desirability Checks.....	168
Results	171
Concluding Remarks	173

Chapter Seven**Cooperation and Informal Control**

Contingencies, Control and Cooperation	184
Method	190
Dependent Variable.....	191
Independent Variables.....	192
Hierarchy	192
Control Strategies.....	193
Interaction Effects	194
Control Variables	195
Statistical Analysis Method.....	195
Results	196
Embeddedness Effects.....	196
Strategy Effects	197
Concluding Remarks	198

Chapter Eight**Conclusion**

Insights and Implications of the Study	209
Strengths and Limitations of the Signaling Perspective.....	224
Concluding Remarks	226

APPENDIX	229
A. Research Design	231
Getting Access	231
Getting the Data	237
Vignettes.....	237
Trouble Cases	239
Networks.....	242
Attitudes	243
Measurement Issues	243
Concluding Remarks.....	245
B. Descriptive Statistics	247
C. Validity and Reliability	259
D. Vignettes	265
E. Questionnaire for Paper Factory	273
Dutch Summary	287

LIST OF TROUBLE CASES

Case 1	Inconvenient Vacation: Public Strategies, March 1995	97
Case 2	Rough Guy: Public Strategies, August 1995	98
Case 3	Smoking in the Office: Public Strategies, August 1995	99
Case 4	Scrap: Indirect Strategies, February 1995	100
Case 5	The Call: Passive Strategies, December 1995	106
Case 6	Foam Bubbles: Passive Strategies, December 1996	106
Case 7	Information Leak: Formal Strategies, December 1996	107
Case 8	Colours: Indirect Strategies, December 1996	108
Case 9	Hollerith's Return: Public Strategies, December 1995	109
Case 10	Ruffians: Direct Strategies, December 1996	115
