

# Table of Contents

<b>I. Introduction</b>	1
<b>II. Methodology</b>	4
1. General Approach	4
2. The Rosse-Panzar Methodology	6
<b>III. Application to the German Banking System</b>	11
1. Data	11
2. Estimation equation	13
3. Estimation Results and Interpretation	15
<b>IV. Previous Empirical Results for Germany and Empirical Comparison</b>	20
1. Data and Empirical Application in Previous Studies	21
2. Previous Results	22
3. Empirical Comparison: Generalization and Simplification	24
4. Empirical Comparison: Estimation Results	27
5. Interpretation	31
<b>V. Conclusions</b>	32
<b>Appendix</b>	34
HHI for Germany	34
Concentration ratios for Germany	36
Details of the data processing	37
List of variables	39
Estimation Results from Chapter IV	41
<b>References:</b>	43
