Preface	v
Contributors	xiii

Part I Introduction

1 Adolescence—A Matter of Context	3
<i>Rainer K. Silbereisen and Eberhard Todt</i>	
Leisure Contexts and Adolescent Development	4
Contexts Matter—Do They?	7
How Contexts Get Developmental	9
Comparison across Contexts	12
Interacting Contexts	14
Plan of the Book	16
References	18

Part II Social Contexts and the Development of Orientations for Life

2 The Broader Context of Social Influence in Adolescence	25
<i>Laurence Steinberg and Nancy Darling</i>	
The Power of Authoritative Parenting	28
Authoritative Parenting: Transcontextual Validation	31
Family Influences on School Performance: The Moderating Role of Peers	33
Social Networks and Functional Communities	36
Neighborhood Effects	41
Some Concluding Comments	42
References	43

3	Youth Organizations, Hobbies, and Sports as Developmental Contexts . . .	46
	<i>Reed Larson</i>	
	Extracurricular Activities as Vehicles of Social Integration	47
	Conclusion	54
	Extracurricular Activities and Psychological Integration	56
	Conclusion	60
	References	62
4	The Developmental Context of Adolescent Life-styles	66
	<i>Leo B. Hendry, Anthony Glendinning, Janet Shucksmith, John Love, and Jeanette Scott</i>	
	Introduction	66
	Adolescent Transitions	66
	Life-styles and Ecologies	70
	Young People's Leisure and Life-styles Project	72
	Understanding the Development of Life-styles in Adolescence	76
	References	80
5	The Development of Interests during Adolescence: Social Context, Individual Differences, and Individual Significance	82
	<i>Eberhard Todt, Ralf Drewes, and Sigrid Heils</i>	
	Introduction	82
	Defining Interests and Context	83
	Phenomenons in Development of Interests during Adolescence	84
	Context and Development of Interests in Physics and Technology	87
	Perspective of Research	91
	References	93

Part III The Impact of Cultural and Ethnic Contexts

6	Culture Makes a Difference . . . or Does It? A Comparison of Adolescents in Hong Kong, Australia, and the United States	99
	<i>S. Shirley Feldman and Doreen A. Rosenthal</i>	
	Are There Cultural Group Differences in Adolescent Outcomes?	105
	Are There Cultural Differences in Family Environments and Adolescent Values?	107
	Are There Group Differences in the Patterning of Relationships	110
	Do Family Environments and Adolescent Values Succeed in "Unpackaging" Culture as it Influences Adolescent Outcomes?	113

Is There a Correspondence between Factors that Account for Within-cultural and Between-cultural Differences?	114
Conclusions	117
References	120
7 Economic Hardship in Polish and German Families: Some Consequences for Adolescents	125
<i>Sabine Walper and Rainer K. Silbereisen</i>	
Economic Hardship as Stressor	126
Design of the Studies in Berlin and Warsaw	129
Risk Factors for Income Loss	132
Impact of Income Change on Family and Adolescents	134
Conclusions	139
References	144
Appendix	147
8 Racial, School, and Family Context among Adolescents	149
<i>Roberta G. Simmons and Yingzhi Zhou</i>	
Method	153
Findings: Differences among Race/Gender Subgroups	158
The Impact of Family Factors	166
Conclusion	171
References	173
9 Comparative Analyses of Beliefs, Leisure Contexts, and Substance Use in West Berlin and Warsaw	176
<i>Rainer K. Silbereisen, Peter Noack, and Ute Schönplflug</i>	
Aspects of Adolescents' Beliefs	177
Adolescents and Their Leisure Contexts	180
Smoking and Drinking in Adolescence	183
Conclusions	190
References	194

Part IV The Family-Work Nexus

10 The Gender-differential Significance of Work and Family: An Exploration of Adolescent Experience and Expectation	201
<i>Phame M. Camarena, Mark Stemmler, and Anne C. Petersen</i>	
Gender-differential Experiences in Work and Family Contexts	202
Gender-differential Expectations for Work and Family Roles	203

Experience and Expectation	204
Evidence of Gender-differential Patterns from the Adolescent Mental Health Study	204
Sample	205
Measures	205
Analysis and Results	208
Summary and Conclusions	217
Significance of Findings for Alternate Contexts	218
References	220
11 The Two-earner Family as a Context for Adolescent Development	222
<i>Nancy L. Galambos and David M. Almeida</i>	
Our Conceptual Model	223
Work Conditions and the First-order Mediators	226
Parent-adolescent Relations as a Second-order Mediator	227
The Two-earner Family Study	228
Conclusions	237
References	239
12 Looking Forward in Troubled Times: The Influence of Social Context on Adolescent Plans and Orientations	244
<i>Glen H. Elder, Jr., Ann Hagell, Laura Rudkin, and Rand D. Conger</i>	
Living in Rural America: Its Meaning for Youth and Their Futures	246
The Current Study: Research Objectives	249
Sample and Variables	250
Results	254
Conclusion	261
References	262

Part V The Interplay between School and Work

13 Employment Prospects as Motivation for School Achievement: Links and Gaps between School and Work in Seven Countries	267
<i>Stephen F. Hamilton</i>	
School Performance and Employment Prospects	267
Transparency and Permeability	268
Democracy and the Transformation of Workplaces	270
The American Model: School-based Learning	271
The German Model: Learning at Work	273
Balancing Apprenticeship and Schooling: Scandinavia	276
Transparency versus Permeability	279

	Implications for the United States	280
	Conclusions	281
	References	283
14	Vocational Identity Development in Adolescence <i>Fred W. Vondracek</i>	284
	Theoretical Framework	285
	Antecedents of Vocational Identity Achievement	287
	Exploratory Research on Vocational Identity Development	291
	Implications and Conclusions	299
	References	301
15	The Effects of Adolescent Employment on School-related Orientation and Behavior <i>Jeylan T. Mortimer, Michael Shanahan, and Seongryeol Ryu</i>	304
	Data Source	307
	Measurement	307
	Findings	309
	Conclusion	321
	References	324
16	The Effects of Sponsored Mobility: Educational Careers of Adolescents in West Germany <i>Uwe Engel and Klaus Hurrelmann</i>	327
	Introduction	327
	The Social Capital Perspective	328
	Youth in Germany: Sponsored Mobility to Adulthood	329
	Hypotheses	331
	Data and Study Design	334
	Findings	335
	Discussion	341
	References	343

Part VI The Sample Case of Aggressive Behavior

17	The Influence of Parents and Peers on Misconduct at School: Simultaneous and Synergistic Effects <i>Hans Oswald and Klaus-Uwe Süß</i>	347
	Introduction	347
	The Problem	347

Method	350
Results	353
Discussion	360
References	363
18 Interactions between Individual and Contextual Factors in the Development of Offending	366
<i>David P. Farrington</i>	
The Cambridge Study in Delinquent Development	367
Methods of Analysis	370
Predicting Adolescent Offending	371
Investigating Interaction Effects	373
Interactions among Predictors of Adolescent Offending	376
Predicting Teenage Offending	379
Interactions among Predictors of Teenage Offending	380
Predicting Adult Offending	382
Interactions among Predictors of Adult Offending	383
Independently Important Interaction Effects	384
Conclusions	386
References	388
19 The Social Field of the Classroom: Context for the Developmental Epidemiological Study of Aggressive Behavior	390
<i>Sheppard G. Kellam, George W. Rebok, Renate Wilson, and Lawrence S. Mayer</i>	
A Developmental Epidemiological Perspective: The Life-course Social Field Concept	391
Developmental Epidemiology of the Classroom: Teacher Ratings of Aggressive Behavior	393
Developmental Epidemiology of the Classroom: Peer Ratings of Aggressive Behavior	396
Testing Classroom Contextual Influences through Preventive Intervention Trials	400
Cross-cultural Implications	404
References	405
Name Index	409
Subject Index	421
