
Part 1

Background for
International
Business

Contents

Chapter I

International Business: An Overview 2

Case: Euro Disney	3
Introduction	8
Modes of International Business	14
External Influences on International Business	19
Evolution of Strategy in the Internationalization Process	23

Countervailing Forces	27
Ethical Dilemmas & Social Responsibility	29
Looking to the Future	33
Summary	33
Case: Blockbuster Video	34

International Business	
Environment: An Atlas	40
Map Index	48

Part 2

Comparative Environmental Frameworks

Part 2 shows a northern
Indian Mughal carpet
from about 1600.

Chapter 2

The Cultural Environments Facing Business 57

**Case: Parris-Rogers International
(PRI) 58**

Introduction 61

The Concept of Culture 63

Behavioral Practices Affecting
Business 66

Reconciliation of International
Differences 80

Cultural Needs in the Internationalization Process	81
Ethical Dilemmas & Social Responsibility	87
Countervailing Forces	89
Looking to the Future	90
Summary	91
Case: John Higgins	92

Chapter 3

The Political and Legal Environments Facing Business 99

Case: The Taipan's Dilemma 100

Introduction 103

The Political Environment 104

The Political System and Its
Functions 104

Basic Political Ideologies 105

The Impact of the Political System on
Management Decisions 116

Formulating and Implementing
Political Strategies 117

The Legal Environment 119

Ethical Dilemmas & Social

Responsibility 123

Evolution of Legal and Political

Strategies in the Internationalization

Process 125

Countervailing Forces 126

Looking to the Future 127

Summary 128

Case: Bata, Ltd. 130

Appendix 1 Comparative Measures

of Freedom 135

Chapter 4

The Economic Environment 137

Case: McDonald's Corporation
138

Introduction 141

Classifying Economic Systems 142

Classifying Countries 147

Key Macroeconomic Issues 154

**Ethical Dilemmas & Social
Responsibility 165**

Transformation to a Market Economy
168

Adapting to Foreign Economic Environments in the Internationalization Process	176
Countervailing Forces	177
Looking to the Future	178
Summary	178
Case: Pizza Hut in Brazil	180

Part 3

Theories and
Institutions:
Trade and
Investment

Chapter 5
International Trade Theory 189

Case: Sri Lankan Trade 190

Introduction 193

Mercantilism 195

Absolute Advantage 196

Comparative Advantage 200

Factor-Proportions Theory 204

The Product Life Cycle 206

**Ethical Dilemmas & Social
Responsibility 209**

Trade Patterns 211

Independence, Interdependence, and Dependence	215
Why Companies Trade Internationally	218
Trade in the Internationalization Process	222
Countervailing Forces	223
Looking to the Future	224
Summary	225
Case: The Cashew	227

Chapter 6

Governmental Influence on Trade

Case: United States-Japanese

Auto Trade 234

Introduction 237

The Rationale for Governmental
Intervention 238

Forms of Trade Control 249

**Ethical Dilemmas and Social
Responsibility 251**

233

From GATT to WTO	260
International Business Strategy in the Internationalization Process	266
Countervailing Forces	268
Looking to the Future	269
Summary	270
Case: United States-Cuban Trade	271

Chapter 7

Economic Integration and Cooperative Agreements 278

Case: Ford in Europe 279

Introduction 282

The European Union 287

North American Free Trade Agreement
(NAFTA) 298

Latin American Integration 306

**Ethical Dilemmas & Social
Responsibility 309**

Asian Integration Efforts 310

African Cooperation 312

Commodity Agreements 314

The United Nations 317

The Environment 318

Countervailing Forces 320

Looking to the Future 320

Summary 322

Case: Crystal Lake

Manufacturing—A NAFTA

Dilemma 323

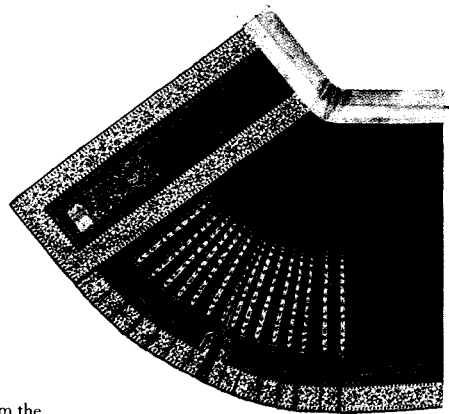

Chapter 8 Foreign Direct Investment 332

Case: Bridgestone Tire Company 333

Introduction 335

The Meaning of Foreign Direct
Investment 336

The Relationship of Trade and Factor
Mobility 339

Part 3 shows a Chinese
(Shanghai) skirt panel from the
late 19th century.

Motivations for Handling International Business through Direct Investment	342
Market-Expansion: Investments versus Trade	342
Resource-Acquisition Investments	347
Diversification-Oriented Investments	350
Political Motives	351
Buy-versus-Build Decision	352
Advantages of Foreign Direct Investment	353
Ethical Dilemmas & Social Responsibility	355
The Strategy of Direct Investment in the Internationalization Process	356
Direct Investment Patterns	357
Countervailing Forces	359
Looking to the Future	360
Summary	361
Case: Cran Chile	363

Part 4

World Financial Environment

Chapter 9

Foreign Exchange 371

**Case: Foreign Travels, Foreign
Exchange Travails: Excerpts
from the Travel Journal of
Lee Radebaugh 372**

Introduction 374

Terms and Definitions 375

How the Foreign-Exchange Market
Works 381

Convertibility 393

Exchange Restrictions 394

The Uses of the Foreign-Exchange
Market in the Internationalization
Process 395

**Ethical Dilemmas & Social
Responsibility 397**

Countervailing Forces 398

Looking to the Future 398

Summary 399

**Case: Ilusión Textiles and the
Mexican Peso 400**

Chapter 10

The Determination of Exchange Rates 408

Case: The Chinese Renminbi 409

Introduction 411

The International Monetary System
411

Exchange-Rate Arrangements 414

Ethical Dilemmas & Social Responsibility 419

The Determination of Exchange Rates
420

Forecasting Exchange-Rate Movements
428

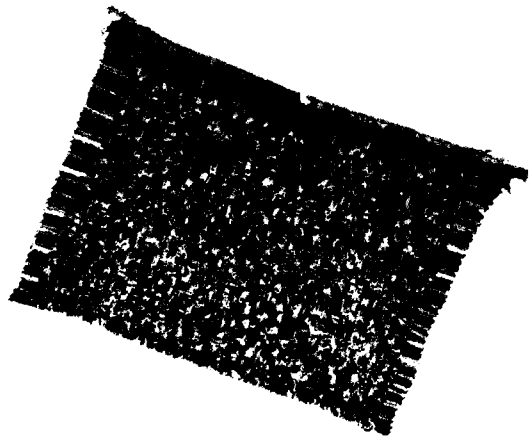

Business Implications of Exchange-Rate
Changes 431

Countervailing Forces 433

Looking to the Future 434

Summary 434

Case: The Japanese Yen 436

Part 4 shows a New Zealand
Maori cloak, circa 1930.

Part 5

The Dynamics
of International
Business-
Government
Relationships

Chapter 11

The Impact of the Multinational

**Case: Foreign Direct Investment
in China 444**

Introduction 448

Evaluating the Impact of the MNE
449

Economic Impact of the MNE 452

Political and Legal Impact of the MNE
460

**Ethical Dilemmas & Social
Responsibility 467**

The Impact of the Multinational
Enterprise in the Internationalization
Process 469

Enterprise 443

Operational Impact of International
Business Activities 470

Countervailing Forces 470

Looking to the Future 471

Summary 471

**Case: Foreign Real-Estate
Holdings in the United States
473**

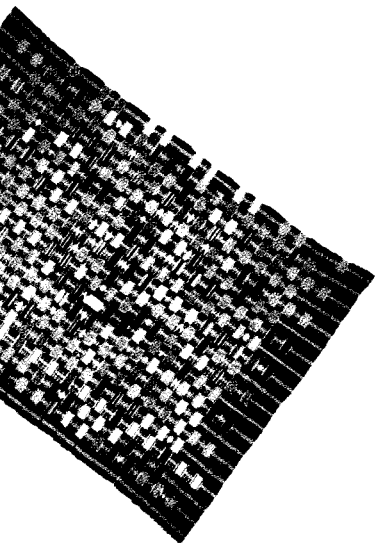

Chapter 12

International Business Negotiations and Diplomacy 478

Case: Saudi Aramco 479

Introduction 483

Governmental versus Company
Strength 483

Negotiations in International Business
487

Evolution of Negotiations and
Diplomacy in the Internationaliza-
tion Process 496

Home-Country Involvement in Asset
Protection 496

**Ethical Dilemmas and Social
Responsibility 497**

Multilateral Agreements and
Settlements: FDI 500

Multinational Agreements: IPRs 501

Role of Public Affairs 505

Countervailing Forces 508

Looking to the Future 509

Summary 510

Case: PepsiCo in India 512

Part 6

Operations:
Overlaying
Tactical
Alternatives

Chapter 13

Country Evaluation and Selection

Case: Ford Motor Company 522

Introduction 524

Scanning for Alternatives 526

Influential Variables: Opportunities
528

Influential Variables: Risk 533

Business Research 540

Tools for Comparing Countries 546

**Ethical Dilemmas & Social
Responsibility 549**

Diversification versus Concentration
Strategies 551

521

Evaluation of Investment Proposals

554

Geographic Strategy in the

Internationalization Process 556

Divestment Decisions 556

Countervailing Forces 558

Looking to the Future 558

Summary 559

Case: Royal Dutch Shell/Nigeria

561

CONTENTS

Chapter 14 **Collaborative Strategies 568**

Case: Grupo Industrial Alfa (GIASA) 569

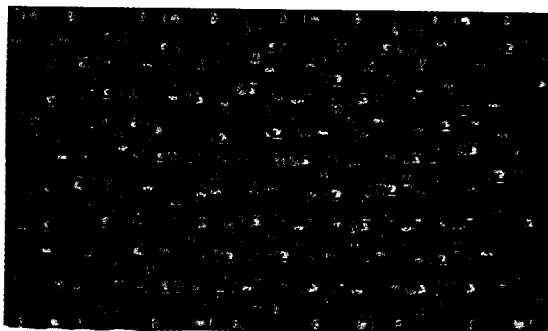

Introduction 572

Motives for Collaborative
Arrangements 573

Types of Collaborative Arrangements
577

Problems of Collaborative
Arrangements 588

Collaborative Strategies in the
Internationalization Process 591

Managing Foreign Arrangements	592

Cases in the Eighth Edition

Chapter 1

- 3 Euro Disney
Describes the problems encountered and the adjustments required when setting up a theme park in France
- 34 Blockbuster Video
Discusses the reasons for international expansion in the video rental market

Chapter 2

- 58 Parris-Rogers International (PRI)
Shows how deep-seated cultural values affected a British company's operations in the Middle East
- 92 John Higgins
Examines the adaptation of a U.S. expatriate manager in Japan to Japanese ways

Chapter 3

- 100 The Taipan's Dilemma
Discusses the impending changes in Hong Kong's political status and the effect on Hong Kong trading companies
- 130 Bata, Ltd.
Describes the dilemmas facing a Canadian MNE with respect to operations in South Africa, Slovakia, and the Czech Republic

Chapter 4

- 138 McDonald's Corporation
Examines the process of setting up a joint venture in Russia
- 180 Pizza Hut in Brazil
Explores the economic attractions of Brazil and its economic conditions that may cause operating adjustments

Chapter 5

- 190 Sri Lankan Trade
Illustrates the application of trade theories to policies of the Sri Lankan government
- 227 The Cashew
Analyzes changes in the worldwide cashew market and describes alternatives for Indian producers to maintain their competitiveness

Chapter 6

- 234 United States—Japanese Auto Trade
Discusses the dynamics of competitiveness, trade, and governmental actions in the U.S. and Japanese automobile industry
- 271 United States—Cuban Trade
Traces the political ramifications on business between Cuba and the United States with emphasis on the Helms-Burton bill

Chapter 7

- 279 Ford in Europe
Examines Ford's strategy for organizing production in Europe to take advantage of the EU
- 323 Crystal Lake Manufacturing—A NAFTA Dilemma
Presents the problems of the broom-corn broom industry in the United States as a result of regional trade pacts

Chapter 8

- 333 Bridgestone Tire Company
Analyzes the motivation behind the Japanese tire company's acquisition of Firestone, a U.S. company
- 363 Cran Chile
Outlines the supply and demand conditions that led a U.S. entrepreneur to invest in the growing of cranberries in Chile

Chapter 9

- 372 Foreign Travels, Foreign-Exchange Travails: Excerpts from the Travel Journal of Lee Radebaugh
Presents a first-hand account of an international traveler's difficulties with exchange-rate calculations and conversion
- 400 Ilusión Textiles and the Mexican Peso
Illustrates factors that influence a currency's value and the effects of changed values on a company's operations

Chapter 10

- 409 The Chinese Renminbi
Describes the renminbi's change from a controlled currency to a managed floating one

- 436 The Japanese Yen
Analyzes Nissan's strategies for remaining competitive in the global automobile market during a period when the yen is rising and then falling against the U.S. dollar

Chapter 11

- 444 Foreign Direct Investment in China
Presents Chinese policy to prohibit, restrict, and encourage different types of inward direct investment
- 473 Foreign Real-Estate Holdings in the United States
Discusses changing attitudes over time toward foreign ownership of U.S. real estate and whether restrictions on foreign ownership should be placed on it

Chapter 12

- 479 Saudi Aramco
Shows how oil companies' power has shifted in response to changing economic and political situations
- 512 PepsiCo in India
Describes the bargaining process for establishing a new venture in India

Chapter 13

- 522 Ford Motor Company
Explores the process of allocating sales and production among countries
- 561 Royal Dutch Shell/Nigeria
Discusses risk factors and the implications for Shell's future expansions and continued operations in Nigeria

Chapter 14

- 569 Grupo Industrial Alfa, S.A. (GIASA)
Explains how a Mexican company has used collaborative arrangements with foreign companies to improve its competitive situation
- 599 International Airline Alliances
Illustrates the changing nature of alliances in an industry that is subject to a high level of government intervention

Chapter 15

- 609 Nestlé
Explores the methods used by one of the largest international companies to manage its spreading operations
- 645 GE's Tungsram Acquisition
Analyzes the efforts by GE to bring Tungsram, Hungary's largest manufacturing company, into its control after acquiring it

Chapter 16

- 655 Marks & Spencer
Examines why the highly successful British retailer encountered setbacks in its efforts at foreign expansion
- 694 Avon
Describes the push by Avon into foreign markets and its combination of globally standardized and nationally responsive practices

Chapter 17

- 704 Grieve Corporation
Examines a small U.S. manufacturer's efforts to expand its exports using the services of the International Trade Administration of the U.S. Department of Commerce
- 741 Sunset Flowers of New Zealand, Ltd.
Outlines the problems a New Zealand exporter faced in selling cut flowers to the U.S.

Chapter 18

- 746 Black & Decker (B&D)
Outlines a strategy for coordinating production globally in order to cut costs
- 775 Applied Magnetics Malaysia (AMM)
Discusses the challenges facing a U.S. company trying to improve quality in a multiethnic work setting in Malaysia

Chapter 19

- 782 The Coca-Cola Company
Explains how Coca-Cola's worldwide operations created accounting challenges that led to the development of an operating procedures manual
- 817 Daimler-Benz and a U.S. Listing
Details the problems encountered by the German company in getting American Depositary Receipts listed on the New York Stock Exchange

Chapter 20

- 824 LSI Logic Corp.
Examines strategies a high-tech company used to gain access to funds in global capital markets
- 856 NCR's Risk-Management Strategy
Outlines the approach used by NCR, before its merger with AT&T, to hedge foreign-exchange risk

Chapter 21

- 862 Dow's International Management Development
Illustrates how a company can successfully develop human resources to complement its global objectives
- 903 Office Equipment Company (OEC)
Examines the criteria applied by a U.S. company in evaluating potential managers for its operations in Peru
