</tbody>
</table>
Typologies of the public interest idea 22
  Preponderance theory 22
  Common interest theory 23
  Unity theory 23
The special case of mass communication 23
A compromise proposal 25
A framework for identifying public interest claims 26
Media policy debates: past and present 30
Media policy as a source of norms for performance 30
A summary of mid-twentieth century policy issues 32
Varieties of national expression of media norms 33

Part II MEDIA PERFORMANCE NORMS

4 PERFORMANCE NORMS IN MEDIA POLICY DISCOURSE: THE NEWSPAPER PRESS 35
Policies for freedom and democracy 35
The USA: basic principles of policy 36
The newspaper press in the United States 37
Canada: press policy for democracy and cultural identity 39
Press policy in Britain 41
The continental European contribution 43
  Sweden: support for the political role of the press 43
  Other national experience: France, Germany and The Netherlands 44
Norms for international news 46
Changing status of the press 47

5 PERFORMANCE NORMS IN MEDIA POLICY DISCOURSE: BROADCASTING 49
Media on a leash 49
The USA: regulating the airwaves 49
Canadian broadcasting: multiculturalism and autonomy 53
British broadcasting policy: from public service to consumerism? 55
Varied national experience in Europe 59
  Germany: democracy, regionalism and cultural obligations 59
  Sweden: support for culture and politics 61
  The Netherlands and elsewhere: support for ‘pluriformity’ 61
Additional goals in European media policy: identity and access 62
New rules for European television 63
A wider policy debate 63

6 A FRAMEWORK OF PRINCIPLE FOR MEDIA ASSESSMENT 65
Four (or more) theories of the press 65
Basic communication values: a proposal 66
Part III  RESEARCH MODELS AND METHODS

7  MEDIA ORGANIZATIONAL PERFORMANCE: MODELS AND RESEARCH OPTIONS  
   Obstacles to performance as viewed from within 81
   Normative responses to organizational pressures 83
      Relations with sources and selection decisions 83
      Response to economic pressure and support 84
      Relations with the wider society: public interest or self-interest? 85
   Relations with the audience 86
   Autonomy as a recurrent theme 86
   A media organization model 87
      Market structure 87
      Media organizational conduct 89
      Media organizational performance 90
      Informational feedback for media and society 90
   Variants of media organizational form 91
      The newspaper press model 91
      The broadcast model 92
      The book model 93
      The common carrier model 94
   The basic logic of social research into media performance 95
   Strategic research options: choice of level and of explanatory variables 96
   Inter-media comparisons 98
   Multiple methods needed 98

Part IV  MEDIA FREEDOM

8  CONCEPTS AND MODELS OF MEDIA FREEDOM 99
   Degrees of freedom 99
      Questions of structure 99
      Questions of organizational conduct 100
   Components of the press freedom idea 101
   Four editorial models of media freedom 102
      The press market model of editorial freedom 103
      The broadcasting editorial model 104
      The book market model 105
      Common carriage 106
Varying conditions of constraint: finance and freedom 106
Variable claims to freedom: information versus art; fiction versus reality 108
Extending the normative framework 110

9 MEDIA FREEDOM: FROM STRUCTURE TO PERFORMANCE 112
Conditions of freedom of structure 112
Seeking signs of independent performance 113
Does monopoly affect content? 115
Proprietal versus editorial freedom 117
Evidence from editors 118
The case of electoral politics 118
Other evidence of owner influence 119
The media as watch-dog and critic of government 120
Applied research into the critical role of the media 121
The active editorial role 122
Conflict reporting as an indicator of freedom 123
Investigative reporting 124
Structure and performance only weakly linked 124

10 MEDIA FREEDOM: THE ORGANIZATIONAL ENVIRONMENT 126
Conduct and performance: perceptions of autonomy 126
Relations with routine news sources 127
Public relations as source 128
Media self-origination of content 129
Powerful sources 130
War and patriotism 131
Other options for assessment 133
Advertiser pressure 133
Effects of advertising on structure and content 133
Advertising pressure and editorial autonomy 135
Journalists and the audience as sources of evidence 136
Pressures from advocates and special interest groups 136
The audience view of media freedom 138
Modest achievements, limited knowledge 139

Part V DIVERSITY

11 VARIETIES AND PROCESSES OF DIVERSITY 141
The diversity principle 141
Alternative interpretations of media diversity and its benefits 142
Media diversity: three standards of performance 144
Diversity as reflection 144
Diversity as access 144
Diversity as more channels and choice for the audience 145
Conceptual overlaps 145
Contents

Sub-concepts of media diversity 145
  External versus internal diversity 145
    External diversity 145
    Internal diversity 146
  Equal versus proportional reflection and access 147
    Equality of access 147
    Proportionality 148
  Quantitative versus qualitative diversity of treatment 149
  Diversity as consumer choice: the horizontal/vertical distinction 149

The inter-relation of concepts 150

Alternative dimensions of media diversity 150
  The political dimension 150
  The geographical dimension 151
  The social/cultural dimension of diversity 152

Delivering media diversity: two basic models 152
  The market model 153
  The non-market (public policy) model 154

Options in diversity research 155
  Source diversity 155
  Channel diversity 156
  Diversity of content ‘as sent’ 157
  Diversity of content ‘as received’ 157
  Receiver/audience diversity 158

The main questions for diversity assessment research 159

12 TAKING THE MEASURE OF DIVERSITY:

MEDIA REFLECTION 160

Reflective diversity and media structure 160
  Political reflection in media structure 160
  Local and regional media diversity 161
  Media structure and class structure 162

Reflective diversity and media content 162
  Reflecting political divisions 163
  Social life reflected in media content 164
  Race and ethnicity reflected in media content 165
  Women in the media 166
  The representation of work and social status 166
  A distorted reflection of the world? 167

Reflective diversity and the media audience 167

Reflections on reflection 169

On not being too literal 170

13 MEDIA ACCESS AND AUDIENCE CHOICE 171

Diversity as access: questions of structure 171

Diversity of access in media content 172
Contents

Political access and inter-channel difference 172
Duplication of news content 173
Balance and direction of access 174
Hegemonic tendencies in media content 174
Access and the audience 175
Diversity as variety and choice for the audience 175
Assessing reader choice 176
Viewer and listener choice 176
  Vertical versus horizontal diversity 178
  Methodological limitations 179
Audience diversity 180
No end in sight 181

Part VI OBJECTIVITY

14 CONCEPTS OF OBJECTIVITY 183

  The trouble with the notion 183
  The meaning of news objectivity for news people 184
  Sources of the objectivity norm 186
  Objections to objectivity 187
    Its impossibly 187
    Its undesirability 188
  Non-objective news 189
    Human interest and news 189
    Partisanship and advocacy 190
    Investigative news 191
  The objectivity–bias polarity 191
    A typology of news bias 193
      Partisanship 193
      The case of propaganda 193
      Unwitting bias 194
      Ideology 194
  Objectivity less obscure 195

15 A FRAMEWORK FOR OBJECTIVITY RESEARCH 196

  Westerståhl’s model 196
  Cognitive (information quality) aspects 197
    Factuality and cognate terms 197
    The standard of relevance 197
  Alternative sources of relevance criteria 198
    Absolute (normative) standards of relevance 199
    Real world indicators 199
    The audience as guide 199
  Journalistic criteria of relevance 199
  Relevance versus sensationalism 200

Contents

Evaluative direction in news accounts 226
External tests of balance in coverage 228
Source bias 228
Semantic and discourse bias 230
Evaluative structures (frames) of meaning 231
'Preferred reading' in news 232
Neutral presentation 232
Sensationalism 233
Formats and visuals in TV news 233
Stereotypes, juxtaposition and linkages 234
The audience view of balance and neutrality 235
Ifs and buts 236

Part VII MASS MEDIA, ORDER AND SOCIAL CONTROL

18 MEDIA AND THE MAINTENANCE OF PUBLIC ORDER 237
   Concepts of order and their assessment 237
   A framework for performance research 239
   Divergent expectations concerning social control 239
   Limited war situations and the mass media 240
   Civil disturbance 244
   The case of terrorism 247
   Communication values give way to power 249

19 POLICING THE SYMBOLIC ENVIRONMENT 251
   An intermediate zone of control 251
   Media, crime and violence 251
      Mass media as perceived cause of crime 252
      Images of crime 252
      Measuring media violence 253
      Norms for portraying violence 255
   Socialization and consensus 255
      The cultivation process 256
      Symbolic reward and punishment 256
      Conformity and deviance 257
   Questions of taste and morality 258
      Issues of proscribed ('non-cultural') content 259
         Representation of sex 259
      Violence 260
      Commercialism in media content 260
      Blasphemy and bad language 261
      Other causes of cultural offence 261
   Absence of consensus 262

20 SOLIDARITY AND SOCIAL IDENTITY 263
   Media and solidarity 263
   Mass media and social identity 263
Counter-cultures and the media 265
Ethnic minorities and the media 265
Women and mass media 266
Local media and local identity 267
Solidarity: the empathy factor 269
The international dimension of media empathy 271
Media follow rather than lead 273

Part VIII MEDIA AND CULTURE

21 QUESTIONS OF CULTURE AND MASS COMMUNICATION 275

Protecting cultural quality 275
Culture and society: fragmentation and relativism 276
Principles of cultural policy for the media 277
Hierarchy 277
Equality 277
Cultural identity 277
Taste and morality 278
Agents and claimants 278
Cultural institutions 278
Cultural industries 278
Political interests 278
Pressure groups 279
From cultural politics to performance criteria 279
Culture as education and science content in mass media 280
Expectations of the educational role of broadcast media 281
Quantative assessment 281
Qualitative assessment 282
Reaching the audience 283
Assessing artistic cultural provision 284
'High' versus 'low' culture 284
Ways around the impasse 286
Dimensions and indicators of cultural quality 286
Space for 'high' culture 286
The standard of originality 287
Criteria of social morality or political value 287
Production values and professional quality 288
Folk art and crafts 288
Commercial criteria of success 288
Multiple paths to assessment 289

22 CULTURAL IDENTITY AND AUTONOMY: WHOSE MEDIA CULTURE? 290

Political tests of media cultural performance 290
Uncertainty about identity 290
