Preface

Chapter One. The Need for Theoretical Development 1
The Conceptual Elaboration of Contingency Theory 3
  Effectiveness 4
  Environment 5
  Structure 8
  Congruency 9
The Need for More Theoretical Scope 11
  Cultural Considerations 11
  The Integration of Individual and Organizational Concepts 14
  Strategic and Design Choices 21
Summary 23
Organization of the Book 25

PART I. THE ENVIRONMENT/ORGANIZATION/ PERSON CONTINGENCY MODEL OF ORGANIZATION

Chapter Two. The Organization and the Environment: The E/O Link in the Model 29
The Environment 29
  Environmental Sectors in the Theory 32
  Properties of the Environmental Sectors 34
Subsystems and Types of Organization 37
Environment, Subsystems, and Types of Organizations 39
  Mechanistic Organization 40
  The Organic Organization 43
ix / Contents

Technology-Dominated Mixed Organizations 46
Market-Dominated Mixed Organizations 48
Unit of Analysis 49
The Effectiveness of Organizations 50
Organization Effects 53
Organization Effectiveness 53
Choice of Effects 57
Effects, Effectiveness, and Types of Organizations 57
Effectiveness and Cultural Values 58
Decision Issues at the Organizational/Environment Level 60
Strategic Choices 60
Organization Design Issues 62
Summary 65

Chapter Three. Organization and Personality: The O/P Dimension of the Model 67
A Model of Organization and Personality 69
Personality Orientations 70
Organization Types and Personality 74
Theoretical Implications 79
Summary 93

PART II. EXTENSIONS OF THE ENVIRONMENT/ORGANIZATION/PERSON MODEL

Chapter Four. Conflict and the Forms of Organization 97
The Nature of Conflict in Contingency Approaches 100
Congruence 100
Functional Unity 101
Consensus 102
Political Dimensions of the Contingency Model 103
Contingency Theory and the Bases of Organizational Conflict 104
Types of Conflict in Organizations 108
Propositions about Conflict in Organizations 108
The Structure of Conflict 109
The Organizational Effects of Conflict 112
Summary 117

Chapter Five. The Nature of Power in Complex Organizations 119
Power, Authority, and Political Behavior 121
The Independent Variables

*Personality Characteristics and Power Striving*  
122
*Mechanistic and Organic Organizations*  
124
*Selection and Socialization Processes*  
124
*Loose vs. Tight Coupling and the Express of Individual Differences*  
126
*Boundary Spanning/External Monitoring Positions and Power*  
128

Outcome Variables

*The Nature of Authority and Correction of Dysfunctional Performance*  
130
*Political Behavior and the Use of Power in Complex Organizations*  
132
*The Contexts for Manipulation and Coercion: The Power Arenas*  
134
*Adjustment of Power Distribution to Environmental Demands*  
139

Summary  
144

**PART III. SOME APPLICATIONS OF THE ENVIRONMENT/ORGANIZATION/PERSON MODEL**

Chapter Six. Organizational Control and Accounting-Related Mechanisms in the Environment/Organization/Person Model  
147

Control: Meaning and Process

*The Process of Control*  
148
*Mechanisms of Organizational Control*  
150

The Accounting Information System (AIS) and Administrative Control

*Internal Applications of the AIS*  
152
*External Applications of the AIS*  
153
*Features of the Traditional Accounting Information Systems*  
154
*Impact of the Accounting Information Systems*  
155

Control and the Contingency Perspective

*Amplification of the EOP Model*  
157

Types of Organizations and Accounting-Related Controls

*Mechanistic Organizations*  
163
*Organic Organizations*  
165
*Mixed Organizations*  
167

Summary  
169
Chapter Seven.  The Nature of Human Resource Management Systems and the Structure of Organizations  171
Staffing Systems in Organizations  173
Training and Development Systems in Organizations  176
Performance Appraisal Systems in Organizations  179
Compensation Systems in Organizations  182
HRM Issues in Mixed Organization Types  185
Summary  186

Chapter Eight.  Leadership and Types of Organizations  187
Contingency Theories of Leadership  187
Fiedler’s Contingency Model of Leadership  188
Path-Goal Theory of Leadership  193
The Organizational Context—Two Arenas  195
for Leadership Behavior  196
Leader Power  196
Work Climate  197
Leader Behaviors and Cognitive Resources  197
Organization Effectiveness and Dominant Leader Behavior Patterns  200
Dominant Leader Patterns in Effective Mechanistic Organizations  201
Dominant Leader Patterns In Organic Organizations  202
Mixed-Context Case-Different Organizational Situations in the Same Focal Unit of Analysis  204
Substitutes for Leadership  209
Leadership Substitutes and Types of Organization  210
Summary  212

Chapter Nine.  Directions for Amplification of the Environment/Organization/Person Model  213
Extending the Descriptive Dimensions  214
Communications  214
Motivation and Other Psychological Dimensions  214
Organization Growth  215
Culture and Organization Design  215
Extending the Prescriptive Dimensions  216
Organization Change  216
Strategic Choice  217
Planning, Decision Making, and Implementing Decisions  217
Validation of the Environment/Organization/Person Model  217
Summary  220
List of Figures

Chapter Five
1. Power, Personality, and Organization 120

Chapter Six
1. Elements and Processes of Organizational control 149

Chapter Eight
1. Leadership Patterns in Effective Mechanistic Organizations 200
2. Leadership Patterns in Effective Organic Organizations 202
3. Leadership in the Mixed Context Case
4. Effective Leadership Patterns in the Mixed Context Case 207
Appendix: An Inventory of Propositions of the Environment/Organization/Person Contingency Model of Organizations 221

Subject Index 255
# LIST OF TABLES

## Chapter One
1. Environmental Uncertainty and Organizational Dimensions in Typical Model  10

## Chapter Six
1. Factors Affecting the Feasible Set of Accounting Controls  161

## Chapter Seven
1. Task Characteristic Differences Between Mechanistic and Organic Organizations  172
2. Staffing System Differences Between Mechanistic and Organic Organizations  174
3. Training and Development System Differences Between Mechanistic and Organic Organizations  177
4. Performance Appraisal System Differences Between Mechanistic and Organic Organizations  180
5. Compensation System Differences Between Mechanistic and Organic Organizations  184
# LIST OF FIGURES

## Chapter One
1. The Environment/Organization/Person (EOP) Contingency Model of Organization 12
2. Hypothetical Relationships Between Member Control and Organizational Performance 15
3. Four Levels of Analysis in Organizational Research 17

## Chapter Two
1. The Simple Environment 31
2. The Complex Environment 32
3. Degree of Environment Change and Ease of Adapting 35
4. The Environment and Types of Organization 36
5. The Total System 38
6. A Firm with Major Divisions Located in a Similar Environment 51
7. A Conglomerate with Major Divisions in Different Environments 51
8. Hypothetical Relationships Between Member Control and Organizational Outcomes 54
9. Member Control, Predictability, and Profitability in Two Cases of Organization 59

## Chapter Three
1. The Basic Conceptual Model 75
2. A Strong Upward-Mobile Orientation 84
3. A Strong Indifferent Orientation 85
4. A Multilevel Model of Organization Culture 88
5. The Role of Culture in Determining Organization Design Through Personality 92

## Chapter Four
1. Structural and Situational Bases of Conflict 105
2. Bases of the Organization Power Distribution and Its Perpetuation 107
