Index.....	184

# List of Figures

- Figure 1.1 Household disposable income per head by county/region (1987)
- Figure 1.2 Diagrammatic representation of Maslow's hierarchy of needs and wants
- Figure 2.1 Some examples of Marketing Channels
- Figure 4.1 Schematic diagrams to show the interrelationship between urban growth and variations in accessibility accompanying transport developments
- Figure 4.2 The relationship between threshold and range
- Figure 4.3 Threshold and range for different orders of good
- Figure 4.4 A theoretical spatial arrangement of the market areas of retailers selling the same good from competing central places
- Figure 4.5 The hypothetical arrangement of market areas for three levels of central place according to Christaller's Marketing principle
- Figure 4.6 Bid-rent curves for five land uses
- Figure 4.7 A hypothetical rent gradient in one direction across a town centre retail core from the point of highest land values
- Figure 4.8 Cumulative retail floorspace 1965–1988
- Figure 5.1 Total floorspace opened in schemes
- Figure 5.2 Retail park development 1982–1989
- Figure 5.3 Out-of-town Regional Shopping Centres

# List of Tables

- Table 1.1 Change in employment by broad economic activity in the United Kingdom, 1954–95
- Table 1.2 The top 30 retailers in the European Community
- Table 2.1 Bucklin's classification of goods
- Table 3.1 Employees in employment in Britain's top ten industries – June 1987
- Table 3.2 Employment in retail distribution in June 1987 by industrial group (1980 SIC)
- Table 3.3 Percentage distribution of part-time/full-time workforce (June 1987)
- Table 3.4 Volume of retail sales
- Table 3.5 The decline in shop numbers
- Table 3.6 The ownership of British Retailing – Retail outlets belonging to selected multiple groups
- Table 4.1 The family of spatial interaction models (after Senior, 1979)
- Table 4.2 Some key texts in retail geography
- Table 6.1 A classification of consumers according to Haley's (1968) Benefit Segmentation Hypothesis
- Table 6.2 Credit cards and the cost of borrowing (at January 1990)
- Table 6.3 Cost of some retailers' in-house credit cards (July 1990)
- Table 6.4 Examples of Charity Credit Cards
- Table 7.1 The 21 questions in the 1981 Census
- Table 7.2 An example of class segmentation
- Table 7.3 Family Life Cycle stages and consumption patterns
- Table 7.4 Spatial Aggregation of unit postcodes
- Table 7.5 Computer developments applicable to retailing
- Table 8.1 A selection of influential radical texts
- Table 8.2 Some key areas of environmental concern associated with western consumption patterns
- Table 9.1 Changes in the Birth Rate – UK compared to some major economic competitors, 1966–1985
