## SECTION 1 DEFINITION AND DIAGNOSIS OF HYPERTENSION

Chapter 1 <b>Blood pressure and atherosclerotic risk factors</b>	3
<i>Paolo Palatini, Stevo Julius</i>	

Chapter 2 <b>Definition and classification of hypertension: the WHO criteria</b>	13
<i>John Chalmers A.C.</i>	

Chapter 3 <b>How to measure blood pressure</b>	19
<i>Gianfranco Parati, Giuseppe Mancia</i>	

## SECTION 2 INVESTIGATIONS IN THE PATIENT WITH HYPERTENSION

Chapter 4 <b>Detection of organ damage: heart</b>	37
<i>Richard B. Devereux, Mary J. Roman</i>	

Chapter 5 <b>Detection of large artery damage in hypertension</b>	51
<i>Michel E. Safar</i>	

Chapter 6 <b>Detection of damage to the brain</b>	63
<i>Kazuo Minematsu, Omae Teruo</i>	

Chapter 7 <b>Ocular damage in hypertension</b>	73
<i>Alice V. Stanton</i>	

# CONTENTS

---

- Chapter 8  
**Detection of organ damage: kidneys** 79  
*Julián Segura, Carlos Campo, Luis M. Ruilope*

- Chapter 9  
**Diagnostic strategies in renovascular hypertension** 87  
*Michael J. Bloch, Thomas G. Pickering*

- Chapter 10  
**Diagnostic investigations in primary aldosteronism** 101  
*Richard D. Gordon*

<b>COLOR ATLAS</b>
--------------------

- Chapter 11  
**Investigations in secondary hypertension: pheochromocytoma** 115  
*Emmanuel L. Bravo*

- Chapter 12  
**Investigations in secondary hypertension: renal disease** 119  
*Carlos Campo, Julián Segura, José L. Rodicio*

## SECTION 3 MANAGEMENT OF THE PATIENT WITH HYPERTENSION

- Chapter 13  
**Cost and cost-effectiveness of hypertension management: impact on care** 129  
*Alberto Zanchetti*

- Chapter 14  
**Prescribing and monitoring life-style patterns in patients with hypertension** 135  
*Garry L.R. Jennings*

Chapter 15	
<b>Principles of drug therapy: antihypertensive agents</b>	145
<i>Helge Hohage, Karl Heinz Rahn</i>	
Chapter 16	
<b>Monotherapy vs combined treatment in hypertension: new clinical trials data</b>	177
<i>Lennart Hansson</i>	
Chapter 17	
<b>Management of hypertension in elderly patients</b>	183
<i>Hilde Celis, Robert H. Fagard</i>	
Chapter 18	
<b>Management of hypertension in the black population</b>	195
<i>William J. Elliott, Henry R. Black</i>	
Chapter 19	
<b>Management of hypertension in the diabetic patient</b>	201
<i>Paolo Palatini</i>	

<b>Chapter 20</b>	
<b>The hypertensive patient with coronary heart disease</b>	209
<i>Leszek Michalewicz, Keshav Chander, Franz H. Messerli</i>	
<b>Chapter 21</b>	
<b>Hypertension in pregnancy</b>	221
<i>Anders Svensson</i>	
<b>Chapter 22</b>	
<b>Hypertension and menopause</b>	227
<i>Stephen E. Bakir, Suzanne Oparil</i>	
<b>Chapter 23</b>	
<b>Quality of life in hypertension</b>	233
<i>Astrid E. Fletcher</i>	
<b>Chapter 24</b>	
<b>How to manage hypertension in clinical practice, and what can be expected from a hypertension clinic</b>	241
<i>Pierre-François Plouin, Guillaume Bobrie, Gilles Chatellier</i>	
<b>Index</b>	I-1
