

## **CHAPTER ONE**

### **A Framework for Strategic Management 1**

Introduction 2

Strategic Thinking 3

Strategy Formulation 5

Strategic Analysis 6

What Is Value? 6

Total Value 8

Strategic Success and Organizational Values 12

**Illustrative Case: AHSC 14**

Maintaining and Renewing Successful  
Strategies 19

Preparing and Communicating a Strategic  
Plan 22

Strategic Planning at Omicon  
Industries, Inc. 23

A Systems Framework for Strategic  
Management 29

**Illustrative Case: Polaroid 34**

Summary 35

References and Suggestions for Further  
Reading 36

## **CHAPTER TWO**

### **Strategic Analysis 38**

Introduction 39

**Illustrative Case: Can John Akers Save IBM? 41**

Analyzing the Industry 52

Analyzing the IBM Case 60

Summary 68

References and Suggestions for Further  
Reading 69

Appendix A: Sample of Sources of Information  
for an Industry Analysis 71

## **CHAPTER THREE**

### **Strategic Visioning, Goals, Ethics, and Social Responsibility 72**

Introduction 73

The Concept of Strategic Vision 74

Grand Strategy, Goals, and Objectives 82

Assumptions and Beliefs 83

Values 86

Corporate Culture 91

Corporate Social Responsibility 93  
Corporate Social Performance Matrix 98  
Ethics and Strategy 101  
The Enemies Check 106  
Summary 108  
References and Suggestions for Further Reading 108

## **CHAPTER FOUR**

### **The Competitive Environment 111**

Introduction 112  
Environmental Scanning 114  
Strategic Segmentation Within an Industry 116  
Competitive Forces 122  
Stakeholder Analysis 132  
Assessing the International Environment 144  
Environmental Forecasting 147  
Scenario Writing 149  
Summary 155  
References and Suggestions for Further Reading 156  
Appendix A: Example of a Foreign Environment: Japan 159

## **CHAPTER FIVE**

### **Capability-based Strategy 168**

Introduction 169  
Illustrative Case: GE's New Capability-based Strategy 171  
Formulating a Capability-based Strategy 172  
Value Chain Analysis 175  
Time and Quality 180  
Assessing Company Capability 196  
Vulnerability Analysis 202  
Measuring Organization Performance 206

Critical Success Factors 209  
Summary 211  
References and Suggestions for Further Reading 211

## **CHAPTER SIX**

### **Market Dynamics and Sustainable Competitive Advantage 213**

Introduction 214  
Illustrative Case: AMP Connects Its Once and Future Goals 216  
Sustainable Competitive Advantage 233  
Trend Assessment 236  
PIMS Analysis 250  
Competitive Portfolio Analysis 252  
Strategic Position and Action Evaluation (SPACE) 255  
Generic Competitive Strategies for Strategic Business Units 266  
Summary 271  
References and Suggestions for Further Reading 271  
Appendix A: Product/Market Mapping 273  
Appendix B: Steps in Technology Assessment 282

## **CHAPTER SEVEN**

### **Strategy in a Global Environment 286**

Introduction 287  
A Framework for Global Environmental Analysis 289  
Major Global Trends 291  
Competitive Business Strategies for Global Markets 312  
Types of International Strategies 314  
Organizational Arrangements for Global Firms 325

Summary	332
References and Suggestions for Further Reading	334
Appendix A: Selected Sources of Information for International Business	336

## CHAPTER EIGHT
