<b>PREFACE</b> .....	VII
<b>I. INTRODUCTION</b> .....	1
<b>II. A SIMPLE MACROECONOMIC FRAMEWORK FOR THE SMALL OPEN ECONOMY</b> .....	2
<b>1. Building Blocks</b> .....	2
<b>2. International Openness</b> .....	8
a. From Autarky to Intertemporal Trade.....	8
b. International Capital Mobility .....	10
<b>3. External Shocks: Effects on the Small Open Economy</b> .....	13
<b>4. The Macroeconomic Framework: Summing Up</b> .....	17
<b>III. EFFECTS OF FISCAL POLICY ON PRIVATE DECISION-MAKING</b> .....	18
<b>1. Taxation</b> .....	19
<b>2. Government Expenditure</b> .....	24
a. The Degree of Publicness of Government Spending .....	25
b. The Degree of Distributional Neutrality of Government Spending .....	25
c. Complete Characterization of Spending Categories .....	26
d. Diagrammatic Analysis .....	28
<b>IV. ENDOGENOUS TAX RATES AND EXPENDITURE COMPOSITION IN THE SMALL OPEN ECONOMY</b> .....	32
<b>1. The Constrained Leviathan Government: Introduction</b> .....	32
<b>2. Optimality Conditions</b> .....	34
<b>3. Diagrammatic Analysis</b> .....	36
<b>4. External Shocks and Fiscal Policy Reforms</b> .....	38

5. <b>Fiscal Policy Harmonization</b> .....	44
a. A Heuristic Model of International Policy Coordination.....	44
b. A More Formal Model .....	45
2 V. <b>AN OUTLINE OF THE EMPIRICAL PART OF THE STUDY</b> .....	50
1. <b>Introduction</b> .....	50
2. <b>Predicted Signs of the Regression Coefficients</b> .....	51
3. <b>Selected Topics of the Intended Empirical Analysis</b> .....	54
4. <b>First Results for Tests of Inflationary Expectations</b> .....	55
a. On the Method of Estimation .....	55
b. A Preliminary Look at the Forecasts .....	60
c. Bias Tests of the Inflation Forecasts.....	60
VI. <b>POLICY IMPLICATIONS OF THE MODEL:</b> <b>THE CASE FOR COMPETITION</b> .....	70
VII. <b>APPENDIX TO THE THEORETICAL MODEL</b> .....	73
1. <b>The Basic Model</b> .....	73
2. <b>The Model Extended to Include Government Policy</b> .....	79
a. Private Equilibrium and Intertemporal Budget Constraints	79
b. Leviathan Equilibrium .....	82
c. Fiscal Policy Reforms .....	84
d. International Policy Competition and Coordination in a Two-Country World.....	86
<b>BIBLIOGRAPHY</b> .....	92

## List of Tables

Table 1 — Change in Location of Goods and Increase in External Liabilities.....	11
Table 2 — Effects of External Shocks on the Small Open Economy.....	14
X Table 3 — A Comparison of Two Systems of Capital Income Taxation	23
Table 4 — Assumptions on the Degree of Publicness and Distributional Neutrality of Three Categories of Public Spending.....	26
Table 5 — Fiscal Policy Reforms That Increase Private Wealth .....	42
Table 6 — Expected Signs of the Impact of Price Shocks on Fiscal Policy.....	52
Table 7 — Modelling Inflationary Expectations: Results for the Whole Sample Period.....	59
Table 8 — Forecast Errors of Inflation Forecasts: Results for Ten OECD-Countries .....	64
Table 9 — Rationality Tests of the Annual Inflation Forecasts .....	67
Table 10 — Net External Asset Positions of the EC-Countries as a Percentage of GDP, 1970, 1975, 1980, and 1987.....	71
Table A1 — External Shocks and the Small Open Economy: Size and Direction of Effects on Dependent Variables.....	77
Table A2 — Private and Social Returns to Investment .....	80
Table A3 — Fiscal Policy Reforms: Effects on Private Wealth .....	85
Table A4 — Changes in Private Government Consumption and Electoral Support under Different Assumptions on Government Behaviour .....	91

## List of Figures

Figure 1 — Intertemporal Trade .....	3
Figure 2 — Static and Intertemporal Trade .....	7
✕ Figure 3 — Residence-Based Capital Income Taxation .....	20
✕ Figure 4 — Source-Based Capital Income Taxation.....	22
Figure 5 — Public Expenditure and Private Decisions .....	29
Figure 6 — Optimal Expenditure of the Constrained Leviathan .....	37
Figure 7 — Policy Changes Induced by Interest Rate Rise.....	39
✕ Figure 8 — From Competition to Collusion: How the Choice Set of Investors Is Narrowed .....	45
Figure 9 — Fiscal Policy Coordination .....	48
Figure 10 — Actual and Expected Inflation Rates for Ten Countries .....	61
