1 Revisiting the eclectic paradigm: new developments and current issues **1**

JOHN CANTWELL AND RAJNEESH NARULA

Introduction 1

The continuing usefulness of the OLI framework with the evolution of the MNC 2

Increasing interaction between ownership and location advantages 7

New perspectives on internalisation advantages 9

Applications of the paradigm: future directions and challenges 16

References 20

2 The eclectic (OLI) paradigm of international production: past, present and future **25**

JOHN H. DUNNING

Its origins 25

The key propositions of the eclectic paradigm 28

Some criticisms of the paradigm 29

Extending and reconfiguring the eclectic paradigm 33

Concluding remarks: a look towards the future 40

Notes 42
