| <i>List of Tables, Figures, and Appendix</i>                               | xi   |
| <i>Foreword by Professor John Child</i>                                    | xiii |
| <i>Preface</i>   | xv   |
| <b>Part I: Defining International Joint Ventures</b>                       | 1    |
| Chapter 1 Conceptualization and Formation Motives                          | 3    |
| International Joint Ventures Defined                                       | 3    |
| Complexities in International Joint Ventures                               | 4    |
| The Key Areas of Research  | 6    |
| Practical Reasons for Joint Venture Formation                              | 7    |
| Theoretical Explanations of Formation Motives                              | 9    |
| Structure of the Book  | 14   |
| <b>Part II: Building International Joint Ventures</b>                      | 17   |
| Chapter 2 Partner Selection: Criteria and Process                          | 19   |
| The Importance of Partner Selection  | 19   |
| The Partners' Cultural, Strategic, Organizational, and<br>Financial Traits | 20   |
| Interpartner Fit at the Operational Level                                  | 30   |
| Partner Selection Process  | 37   |
| Mini-Case Examples   | 41   |
| Chapter 3 Founding Negotiations  | 48   |
| Introduction   | 48   |
| Antecedents of Negotiations  | 51   |
| Concurrent Factors   | 56   |

|   |            |
|---|------------|
| Negotiation Consequences                                | 65         |
| A Mini-Case Example                                     | 67         |
| <br>  |            |
| Chapter 4 Structure of Joint Ownership                  | 71         |
| <br>  |            |
| Importance of Ownership Structure                       | 71         |
| Assessment of Different Ownership Structures            | 73         |
| Determinants of Ownership Structure                     | 76         |
| Ownership Structure and Control                         | 81         |
| A Mini-Case Example                                     | 84         |
| <br>  |            |
| Chapter 5 Structure of Parent Control                   | 87         |
| <br>  |            |
| The Concept of Management Control                       | 87         |
| Why Control?  | 89         |
| Parent Control Structures                               | 91         |
| Dimensions of Control                                   | 96         |
| Performance Implications                                | 99         |
| Determinants of Control                                 | 102        |
| A Mini-Case Example                                     | 107        |
| <br>  |            |
| <b>Part III: Managing International Joint Ventures</b>  | <b>109</b> |
| <br>  |            |
| Chapter 6 Interpartner Learning and Knowledge Transfers | 111        |
| <br>  |            |
| Interpartner Learning in Joint Ventures                 | 111        |
| Challenges of Learning                                  | 115        |
| Steps in Knowledge Transfer                             | 118        |
| Taking Opportunities and Avoiding Challenges            | 119        |
| Mini-Case Examples                                      | 126        |
| <br>  |            |
| Chapter 7 Performance and Performance Assessment        | 132        |
| <br>  |            |
| Controversies on Joint Venture Performance              | 132        |
| Organizational Effectiveness                            | 137        |
| An Integrative Framework of Performance Assessment      | 142        |
| Conclusions   | 150        |
| A Mini-Case Example                                     | 152        |

|   |     |
|---|-----|
| Chapter 8 An Empirical Study of Interpartner<br>Fit and Performance                     | 155 |
| Introduction  | 155 |
| Theoretical Background  | 156 |
| A Four-Dimensional Model of Interpartner Fit  | 160 |
| Methodology   | 163 |
| Case Study Results  | 165 |
| Discussion and Conclusions  | 181 |
| Chapter 9 Two Empirical Studies of Bargaining Power,<br>Parent Control, and Performance | 187 |
| Introduction and Methods  | 187 |
| Case Study Results  | 193 |
| The Survey Study  | 206 |
| Conclusions   | 219 |
| <b>Part IV: International Joint Venture Evolutions</b>                                  | 221 |
| Chapter 10 Joint Venture Instability  | 223 |
| Introduction  | 223 |
| Previous Research on Instability  | 224 |
| Limitations and Deficiencies in Stability Research                                      | 234 |
| Reconceptualization of Joint Venture Instability  | 236 |
| Conclusions and Future Research Directions  | 241 |
| A Mini-Case Example   | 243 |
| Chapter 11 Structural Stability and Reconfiguration                                     | 245 |
| Introduction  | 245 |
| Previous Literature on Joint Venture Development  | 247 |
| Driving and Restraining Forces for Structural<br>Reconfiguration                        | 248 |
| Conclusion: A Balanced Understanding of Joint Venture<br>Development                    | 263 |
| A Mini-Case Example   | 267 |

|  |            |

# List of Tables, Figures, and Appendix

## *Tables*

|      |   |     |
|------|---|-----|
| 2.1  | JTI's Key Financial Attributes  | 45  |
| 7.1  | Multidimensional Measures of Joint Venture Performance                    | 147 |
| 7.2  | Patterns of Performance and Associated Structural Changes                 | 149 |
| 8.1  | A Summary of the Major Characteristics of the Joint Ventures              | 164 |
| 8.2  | The Founding Strategic Objectives of the Partners                         | 166 |
| 8.3  | Partner Resource Contributions  | 168 |
| 8.4  | The Co-alignment Between Bargaining Power and Management Control          | 171 |
| 8.5  | Relationship Between Interpartner Fit and Performance                     | 179 |
| 9.1  | A Summary of the Major Characteristics of the Joint Ventures              | 191 |
| 9.2  | Industrial Sectors and Provinces/Municipalities Represented in the Sample | 192 |
| 9.3  | Relative Bargaining Power Between the Partners                            | 194 |
| 9.4  | Partner Management Control  | 199 |
| 9.5  | Achievement of Strategic Objectives by the Partners                       | 200 |
| 9.6  | Patterns of Bargaining Power, Management Control, and Performance         | 201 |
| 9.7  | Descriptive Statistics and Pearson Product-Moment Correlation             | 213 |
| 9.8  | Multivariate Analysis Results   | 214 |
| 9.9  | Results of Path Analysis  | 215 |
| 9.10 | Achievement of Strategic Objectives for Both Partners                     | 216 |
| 10.1 | A Summary of Previous Empirical Research on Joint Venture Instability     | 225 |

*Figures*

|      |   |     |
|------|---|-----|
| 8.1  | A Grounded Theory Model of Interpartner Fit in International Joint Ventures   | 182 |
| 9.1  | A Preliminary Model of Bargaining Power, Management Control, and Performance  | 188 |
| 9.2  | A Grounded Theory Model of Management Control in International Joint Ventures | 207 |
| 11.1 | A Framework of Structural Reconfiguration in International Joint Ventures     | 264 |
