Volume I: Social Banking and New Poverty

Part I: Economic Development and Private Indebtedness

Chapter 1

Social Banking and New Poverty - Towards a New Approach in Law and Economics

Udo Reifner

A. Introduction: Economy and social justice	23
B. Poverty and capitalist market economy	25
1. Market's indifference to poverty	25
2. Market's indifference to collective goods	27
3. The credit and debt society	28
C. State responsibility for social affairs	29
1. Market compensation through State intervention	29
2. The ideology of a social State	31
D. Towards a social economy	32
1. Competition in a commodity market	32
2. Living with fictions	33
3. Legal analysis of economics	33
E. Socially responsive market economies	35
1. Social demand	35
a) Aggregate demand through the State?	36
b) Social demand through organizations?	36
c) Social demand by donations?	37
2. Social investment	37
a) Consumers' investment	38

b) From self-help to social help	38
c) From commodities to the money market	39
F. A social money system	39
1. Information network on money issues	39
2. Legal framework for social markets	40
3. Social banking	41

Chapter 2

Towards a Progressive Market

Paul Ekins

A. The progressive consumer	44
B. The progressive business	45
C. The progressive investor	46
D. Promoting the progressive market	47

Chapter 3

Economics and Social Problems

49

Kurt W. Rothschild

Chapter 4

Consumer Credit and Human Capital in Germany

Claus Reis

A. Consumer credit and "normal employment"	55
B. Quantitative developments in the field of consumer credit	56
C. Bank business and consumer credit	59
D. Trends	63
E. Summary	69

Chapter 5

Credit, Debt and Financial Control in Great Britain

Pat Conaty

A. Background	72
B. The debt crisis	73
1. Rent	73
2. Mortgage	74
3. Fuel	74
4. Consumer credit	74
5. Court actions	74

C. The causes of debt	75
1. Personal	75
2. Economic	75
D. The political economy of consumer credit	77
1. The credit card	79
2. Government policies and consumer credit	79
3. Financial services revolution	80
E. Credit industrial complex	83
F. Looking to the future: The creditors' perspective	85
G. Looking to the future: The debtors' perspective	86
1. Despair and hopelessness	87
2. Effects on couples	87
3. Relationships with children	87
4. Helplessness and loss of self esteem	88
5. Effects on social life	88
H. Financial illiteracy and dependency	88
I. Conclusion: The conscious and social use of money	91

Chapter 6

Financial Services - Who will gain from the Single Market?	95
--	----

Heinz Vogler

Part II: New Technologies and Consumer Debts

Chapter 7

Credit Cards, New Technology and Consumer Debt

Jeremy Mitchell

A. The explosion of consumer debt	99
B. The factors at work	101
C. The casualties of debt	102
D. Credit cards and consumer debt	103
E. International comparisons	104
F. The consumer balance sheet	105
G. Advertising and marketing	105
H. A move downmarket?	107
I. Consumer knowledge and use of rates of interest	107
J. Support services for credit casualties	108
K. The role of 'social' financial institutions	109
L. Electronic payment systems and debit cards	110
M. Prepaid payment cards	111
N. Conclusions	112

Chapter 8

Indebtedness by Credit Cards in the Federal Republic of Germany?

Hugo T. C. Godschalk

A. The development of credit cards in the Federal Republic of Germany ..	115
B. The credit card's function for issuing credit	116
C. A reduced credit function in the Federal Republic of Germany (deferred payment cards)	116
D. The credit card and indebtedness	117
E. A test of creditworthiness	118

Chapter 9

Credit Card Mania in America

David Caplovitz

A. The development of consumer credit	119
B. The credit card junkie	121
C. The improvident extension of credit by banks	122

Part III: Trade Unions, Consumer Unions and the Poor

Chapter 10

Whose Agenda? Whose Resources? Whose Initiative?	127
--	-----

Tony Gibson

Chapter 11

Trade-Unions, Unemployment and the Unemployed in Germany

Harald Mattfeldt

A. Introduction	135
B. The FRG - an economy of permanent unemployment	137
C. Trade-unions and unemployment	139
D. Trade-unions and the unemployed	141

Chapter 12

Consumer Organizations and the Struggle Against Poverty -

The Example of Konsumenten Kontakt in the Netherlands	145
---	-----

K. P. Nagel

Chapter 13
 “Credit for Poor People – Abolishing or Solving the Problem?” 151
Robin Simpson

Part IV: Ethical Banking – New Forms of a Social Market Economy

Chapter 14
 Ethical Banking
Paul Ekins

A. Introduction to the concept of ethical banking 155
 B. Constituencies for ethical banking 155

Chapter 15
 Alternative Banking and Ethical Investment
Guy Dauncey

A. Introduction 157
 B. Creating new banking and financial institutions 159
 1. Credit Unions 159
 2. Community development loan funds 161
 3. The LET System 162
 C. Socially responsible investment 163
 D. What is an ‘environmentally sound business’? 165
 E. Pension and insurance funds 165
 F. Local community banking 167
 G. South Shore Miracles 169
 H. Social collateral 170
 I. Creating a local banking strategy 173
 J. Community ownership 174
 K. In conclusion 175

Chapter 16
 Bright Ideas and Empty Pockets: Overview of Development Banking
 in the UK 177
Brian Dabson

Chapter 17

Shorebank Corporation: A Private Sector Banking Initiative to Renew Distressed Communities

Joan Shapiro

A. Executive summary	183
B. The Shorebank Corporation: An introduction	184
C. Summary history of the Shorebank Corporation	185
D. The South Shore neighbourhood: From affluence to disinvestment ...	186
E. Neighbourhood reinvestment: From theory to practice	188
1. Developing the theory	189
2. Bank holding company: Engine to drive renewal	190
F. The results: Fifteen years of targeted neighbourhood economic development	192
1. Development loans and development deposits sm	193
2. Non-bank subsidiaries	195
G. The lessons: Banks and community renewal	196
H. Expansion: Adapting the model beyond South Shore	197
I. The future: Examining replicability or, can there be more South Shore Banks?	198

Chapter 18

The Mondragon Bank and the Cooperative Movement in Euskadia

Antonio Matias Ortiz de Zarate/Elena Galdos Loyola

A. The Basque cooperative movement	201
B. The Mondragon cooperative movement	202
C. The Mondragon credit cooperative (Caja Laboral Popular)	203
1. The bank	204
2. The Entrepreneurial Division	204
3. Development methods	205
4. Performance and crisis	205
5. Recent results	206
D. The consolidation of the cooperative movement	206

Chapter 19

Socially Directed Investment - And its Potential Role in Local Development

James Robertson

A. Provisional definitions	209
B. Economic and social: A divided duality	210
C. Sources of socially directed investment funds	211

1. Public sector	211
2. Private sector: Financial institutions	212
3. Private sector: Non-financial corporations	212
4. Private sector: Personal	213
5. Voluntary, non-commercial, non-governmental sector	213
D. Need for a comprehensive approach	214
E. Further work	215
F. Wider implications	217
G. Annex – Some socially directed investment institutions	218
1. Set up by Labour local authorities and trade Unions	218
2. Local community financing in the USA	218
3. Socio-ecological concern	218
4. Anthroposophical banks	219
5. Grass-roots banking in the third world.	219
6. Co-operative movement	219
7. Other	219
H. Summary	220

Part V: Social Discrimination and Over-Indebtedness

Chapter 20

Changing Labour Market Structures and Over-Indebtedness

Janet Ford

A. Introduction	223
B. Credit default (over-indebtedness) in Britain	224
C. Unemployment and default	224
D. Labour market change	225
E. Development of the credit market	227
F. Employment and indebtedness	229
G. Discussion	231

Chapter 21

Indebtedness of Offenders

Harald Freytag

A. The nature of indebtedness amongst delinquents	233
B. Indebtedness and crime	235
C. Steps towards a remedy	237

Chapter 22	
Divorced Women and Consumer Debts in Germany: The Unequal Allocation of Risks Between Women and Men	239
<i>Susanne Böhmker</i>	
Part VI: Housing Debts	
Chapter 23	
Introduction	245
<i>Janet Ford</i>	
Chapter 24	
Mortgage Loans: Some Consumer Concerns	247
<i>Association National Info-Logement (ANIL)</i>	
Chapter 25	
Buyers of Residential Property - Their Situation in the Province of Grande-Synthe	
<i>Centre Regional de la Consommation Nord - Pas de Calais</i>	
A. Introduction	249
1. Aims of the investigation	249
B. The empirical data	250
1. Occupational classification	250
2. Family composition	250
3. Start of building activity (in years)	250
4. Terms of financing	250
C. Assessment	251
Financial difficulties	251
a) Development of financial problems and debt ratio	251
b) Considerations of how to improve the situation for home builders and buyers of residential property	254
Chapter 26	
Distressed Constructional Financing	
<i>Ruth Kaatz, Udo Reifner, Inken Sönksen, Rolf Schulz-Rackoll</i>	
A. Importance and reasons of indebtedness	257
1. Reasons of indebtedness	257
2. The legal control of failed 'construction financing'	258

Contents	XXI
B. Forms of credits and defaulty	258
1. Ready credit through Credit-Savings Plans	258
2. The combination of capital life insurance and mortgage loan	260
3. Mortgage loans	261
C. Phases of failed credit financing	261
1. The planning phase	262
a) Insufficient transparency of prices	262
b) Transparency of prices of combined financial services	262
2. Phase of adaption	263
3. Failure of the financing	264
D. Preventive and compensatory measures for constructional financings which have failed	264
1. Building up of an independent system of information	264
2. Protective rights in the field of constructional financing	265
a) Phase of planning	265
b) Phase of adaptation	265
c) Credit failure	265
 Chapter 27	
Mortgage Debt in the United Kingdom	267
<i>Simon Johnson</i>	
 Part VII: Personal Bankruptcy	
 Chapter 28	
Personal Bankruptcy in America	
<i>David Caplovitz</i>	
A. Chapter 7 – A fresh start	277
B. Chapter 13 – The wage earner’s plan	279
 Chapter 29	
Discharge for Bankrupt Individuals under the German Bankruptcy Law Reform	283
<i>Manfred Balz</i>	
 Chapter 30	
Prospects for Statutory Consumer Debts Arrangement in the Netherlands	
<i>Nick Huls</i>	
Introduction	287
1. A closer review of the US fresh-start policy	288

a) A fresh start	289
b) Two chapters	294
c) Differences between chapters 7 and 13	296
2. Towards a new approach for the Netherlands	298
a) Introduction	298
b) Towards a new bankruptcy philosophy	304

Volume II: Overdebtedness, Unemployment and Policy Responses – National Reports

Chapter 31

The Social Costs of Europe – General Report on Consumer Debts in Europe

Janet Ford, Anne Morin, Chantal Martin, Pierre Dejemeppe, Udo Reifner, Thierry Bourgoigne

A. Credit, indebtedness and unemployment: European trends	315
1. Trends in the development of credit	315
2. Trends in overindebtedness (default)	318
3. Explaining overindebtedness	319
4. Unemployment	319
B. Legal rules for debt repayment, and forms of debt collection:	
General observation	321
1. Legal factors that result in debt inflation	321
a) Penalties	321
b) The cost of debt collection	322
c) The rules concerning the compounding of payments	322
2. Out-of-court collection	323
a) The practice of debt recovery	323
b) Wage assignment	323
c) Securities	324
d) Refinancing	324
e) Legal debt recovery	325
f) Personal bankruptcy	325
C. Poverty through indebtedness – social discrimination and consumer credit	326
1. Discrimination by price	327
a) The price of consumer credit in Europe	327
b) Credit price and freedom of decision	329
c) The price of credit and credit worthiness	331
2. Personal Discrimination	335
a) Unemployed people	336
b) Foreigners	338

c) Women	338
c) Ex-prisoners	339
3. Regional discrimination	339
4. Discrimination at workplace	340
a) Problem	340
b) Remedies	340
5. Discrimination against overindebted people	341
a) Default interest rates	341
b) Interest pyramiding	342
c) Cost of debt collection	342
d) Costs of legal prosecution, consumer bankruptcy	342
e) Resume	349
D. The effectiveness of current legal approaches to consumer credit and indebtedness	343
1. Regulatory deficiencies	344
2. Information deficiencies	348
3. Operational deficiencies	349
4. Participative deficiency	351

Chapter 32

Debts and Depression – A Survey of Austrian Debtors and the Unemployed

*Gernot Mitter, Ulrich Schönbauer, Sigrid Wimmer, Jutta Repl, Georg Graf,
Gottfried Mayer, Gerhard Hanak, Inge Morawetz*

A. Unemployment in Austria	353
1. The development of unemployment in Austria	353
2. The structure of unemployment	354
3. On ‘disguised’ unemployment	354
4. Prerequisites for unemployment benefits and public assistance	355
a) Unemployment benefits	355
b) Public assistance	356
5. Financial consequences of unemployment	357
B. Consumer credit from a social science perspective	359
1. The available data on consumer credit	359
2. Credit indebtedness: distribution, purpose and creditors	361
3. Social discrimination and information gathering of credit takers	363
4. Statistics on overindebtedness	365
5. First reactions to repayment problems	366
6. Exaction by court action	367
7. Co-Liability: Security, liability of spouse	369
8. Problems of payment and problems of the labour market	370
9. Writing off and rescheduling debts	373
10. Other debts	374

C.	The legal framework for consumer credit and consumer indebtedness	374
1.	Rights of information	376
2.	Limits on the price and amount of credit	376
3.	Protection of the creditor, information about the debtor	376
4.	A monopolistic alliance of creditors?	377
5.	Reservation of title	377
6.	Assignment of Wages	378
7.	Liability of spouses	378
8.	Obligations of banks to instruct guarantors	379
9.	Enforcement strategies	379
10.	Enforcement via court action	379
11.	Consumer insolvency	380
12.	Public funds to support the overindebted	380
13.	Counselling the debtors	381
14.	Tendencies in consumer policy	381
15.	Provision of financial support for consumer protection activities	382
D.	Strategies of enforcement by court action of money institutes and mail-order houses	382

Chapter 33

Consumer Credit in Belgium – Old Laws and New Problems

Françoise Domont-Naert with the Cooperation of Pierre Dejemeppe

A.	Trends in consumer credit	387
1.	Credit and debt	387
a)	Consumer credit	387
b)	Getting into debt	388
2.	The unemployed and overindebtedness	391
3.	The growth of credit	393
B.	Problems and remedies	399
1.	The normative framework	399
2.	Unfair credit prices	401
a)	Consumer information	401
b)	Interest rate regulation	402
c)	Usury forbidden	402
3.	Social discrimination	403
4.	Discrimination at the work place	403
a)	Loans granted by employers	403
b)	Impact of wage assignment or seizure on the work relationship	404
5.	Common practices of debt collection	404
a)	Out-of-court procedures	404
b)	Legal means of debt collection: The summary procedure of injunction	408
c)	The order	409

Chapter 34

Unemployment, Debt and the Legal Principle of 'Social Force Majeure'
in Finland*Thomas Wilhelmsson*

A. Trends in unemployment and consumer credit	411
1. Unemployment	411
2. Debts	413
B. Problems and remedies	415
1. Overpricing in credit	415
2. Social discrimination	416
3. Discrimination at the workplace	417
4. Harrassement by common debt collection practices	417
5. Debt problems of unemployed people	418
C. Debt counselling	419
D. Social force majeure	419

Chapter 35

Minimum Wages, Rate Ceilings and Social Solidarity against Poverty -
Unemployment and Consumer Debts in France*Elizabeth Auclair*

A. Trends in unemployment and consumer credit	423
1. General information	423
2. Unemployment	424
a) General Development since 1970	424
b) Unemployment inequalities	429
c) Hidden unemployment	431
d) Unemployment income	432
e) Unemployment and access to home ownership	437
3. Consumer credit	438
a) Development of consumer debts	438
b) The cost of credit	444
c) Common practice as regards collection	445
d) Specialized institutions for disadvantaged persons	447
e) Main reasons for taking out a loan	447
f) Analysis of the role played by financial structures in the problems encountered by borrowers	448
B. Problems linked to the indebtedness of households and existing remedies	449
1. Credit surcharges	450
a) Information laws	450
b) Limitation of interest rates and usury laws	452
c) Problems of inflation	452

2. Social discrimination	455
a) The higher price of credit for low-income households	456
b) Credits for the unemployed	457
c) Closure of bank branches	457
3. Discrimination on the employment market	457
a) Over-indebtedness: Confidential information	457
b) Consequences of over-indebtedness	458
4. Debt recovery practices	459
a) Out-of-court debt recovery	459
b) Recovery of debt by the courts	460
5. The problems of over-indebtedness among the unemployed	462
a) The main causes of over-indebtedness	462
b) Economic solutions put forward to solve problems of over-indebtedness	465
c) The legal possibilities	467
d) The guarantees demanded by the issuer of the loan: personal guarantees	470
C. Debt counselling	470
1. Support to overindebted people	471
a) The structures	471
b) Legal advice	472
c) The court's role	472
2. Depending the interests of the poor	473
a) The role of the political parties	473
b) Social organization	473
c) Experiences in support of overindebted people	474
Annex 1 Our concept of debt counselling	474
Annex 2 Contract of quality	476
§ 1 Information for consumers	476
§ 2 Contractual documents	477
§ 3 Mortgage loans	477
§ 4 Creditmatic plus	478
§ 5 Parity Commissions	478
§ 6 Telephone-hot-line "Consumers"	478
§ 7 Consultative Committee	478
§ 8 Training	479
§ 9 Information	479
§ 10 Mediation and termination	479
§ 11 Actualisation of the contract	479

Chapter 36

The Private Debt Crisis in a Prosperous Environment: Germany

Udo Reifner, Thomas Eichler-Weiskorn

General information on West-Germany	481
Introductory remarks	481
A. Declining income of the lower third – unemployment and low-income work	483
1. General development of unemployment in the FRG since 1970	483
2. Unemployment of some selected groups of persons	483
3. Women's unemployment	484
4. Hidden unemployment	485
a) Disposability on the employment market	485
b) Work consultation	486
c) Job creation	486
d) Federal law on social assistance (BSHG)	486
5. Grey working, self-employment, part-time work	488
a) New independence	488
b) Part-time work	489
6. The financial situation of unemployed	490
a) The pattern of assistance	490
b) 1st step: Unemployment benefit	491
c) Second step: Unemployment assistance	493
d) Third step: Income of recipients of social assistance	494
7. Summary	496
B. Consumer indebtedness and consumer credit	496
1. The quantitative development of consumer indebtedness	496
a) General development of indebtedness	496
b) Indebtedness per household	499
c) Types of consumer credits	501
d) Other debts	504
2. Creditors	507
3. Credit costs	510
a) The types of credits and their fee system	510
b) Example	511
c) Costs in case of credit arrears	511
4. Reasons for obtaining a credit	512
5. Trends and tendencies	512
C. Problems and remedies	513
1. Social discrimination	513
a) 'The poor pay more' – credit costs	513
b) Exclusion of the poor	516
c) Discrimination against certain regions	517
d) Discrimination against employees	518

2. Collection measures	520
3. Debt problems of unemployed people	521
a) Unemployment and payment difficulties	521
b) Divorce	523
