## **PART I: THE SERVICE PROFIT CHAIN A RATIONALE FOR EXCELLENCE**

### **1. Setting the Record Straight 3**

- A World of Misleading Advice 4
  - Too Much Advice out of Context 4
  - The Tyranny of the Tradeoff 4
  - Emphasis on Symptoms vs. Causes 5
  - The “Trivialization” of Service 6
  - Fixation on Service Process Quality 7
- The Service Profit Chain and Our Search for Evidence 7
  - Heskett and the Strategic Service Vision 8
  - Sasser and Customer Loyalty 10
  - Schlesinger and Determinants of Employee and Customer Loyalty 10
- The Service Profit Chain 11
  - The Centrality of Value 12
  - Quality as One Element of Value 14
  - Price 14
  - Results, Costs, Price, Value, and Profit 14
  - Relationship to Service Profit Chain 15
- What Difference Does It Make? 16
- Spreading the Word 16

### **2. Capitalizing on the Service Profit Chain 17**

- The Service Profit Chain 18
  - Managing for Results at Southwest Airlines and American Express 18

Profit and Growth Are Linked to Customer Loyalty	20
Customer Loyalty Is Linked to Customer Satisfaction	22
Customer Satisfaction Is Linked to Service Value	23
Service Value Is Linked to Employee Productivity	26
Employee Productivity Is Linked to Loyalty	28
Employee Loyalty Is Linked to Employee Satisfaction	28
Employee Satisfaction Is Linked to Internal Quality of Work Life	29
Comprehensively Relating Links in the Chain	30
Implications of the Service Profit Chain for Management	34
Measuring Across Operating Units	34
Communicating Results of the Self-Appraisal	35
Developing a “Balanced Scorecard”	35
Designing Efforts to Enhance Performance	36
Tying Recognition and Rewards to Measures	36
Communicating Results	36
Encouraging Internal “Best Practice” Exchanges	37
Questions for Management	37
Getting on with the Job: An Important Caveat	37
<b>3. Managing by the Customer Value Equation</b>	<b>39</b>
The Customer Value Equation	40
Results Produced for Customers	40
Process Quality	40
Price and Acquisition Costs	41
Customer Value Equation Relationships	42
Managing by the Customer Value Equation:	
What It Requires	42
USAA	42
British Airways	43
Requirements of Those Who Manage by the Customer Value Equation	46
Linking the Strategic Service Vision and the Service Profit Chain	51
Questions for Management	53

## **PART II: BUILDING PROFIT CHAIN CAPABILITY**

<b>4. Rethinking Marketing: Building Customer Loyalty</b>	<b>57</b>
Defining the “New” Marketing: Adding the Three Rs to the Four Ps	58

Estimating the Lifetime Value of a Customer	60
Retention	61
Related Sales of New Products and Services	62
Referrals	63
Managing by the Three Rs	64
Measuring and Communicating the Lifetime Value of Customers	65
Identifying, Creating, and Enhancing Listening Posts	65
Recognizing and Creating Incentives to Build Customer Loyalty	68
Utilizing Customer Defections as Learning Opportunities	68
Potential-Based Marketing	69
Identifying Share of Loyal Customers	70
Calculating Economic Impact of Customer Behavior Change	71
Lengthening Customer Relationships	71
Overall Impact of Potential-based Marketing	71
Implementing a Potential-based Marketing Effort	72
Mining Customer Data to Achieve Mass Customization	74
Achieving Mass Customization on a “Vertical” Data base	74
Achieving Mass Customization on a “Horizontal” Data base	75
Organizational Implications of the New Marketing	77
Questions for Management	78

## **5. Attaining Total Customer Satisfaction: Not Whether but When 80**

The Xerox Experience	80
The Total Customer Satisfaction Imperative	84
Relationship of Customer Satisfaction and Loyalty	84
Relationship of Customer Satisfaction and Profitability	86
Total Satisfaction for Captive Customers	86
The Importance of Focus	87
The Tyranny of Averages	87
Satisfying Targeted Segments	88
The Ultimate Source of Focus: Affinity Groups	88
Measuring Customer Satisfaction and Loyalty	89
Customer Surveys	89
Customer Feedback	90
Marketing Research	90
Feedback from Frontline Personnel	91
Complementarity of Methods	91

Addressing Customer Satisfaction at the Limits: Apostles and Terrorists	92
The Economics of the Extreme	92
Investing in Existing versus New Customers	95
Creating Terrorists as a By-Product of Focus	96
Meanwhile, Back at Xerox	96
Questions for Management	97
Understanding Determinants of Customer Satisfaction	97

## **6. Managing the Customer-Employee “Satisfaction Mirror” 98**

The Service Encounter	98
Evidence of the “Satisfaction Mirror”	99
Why the Satisfaction Mirror Occurs	101
Preventing Cracks in the Mirror	102
From Service Encounter to Relationship	103
Factors Creating the Successful Service Encounter	103
Achieving Consistency in Service Encounters	105
Enlisting the Customer in Relationship Building	106
Engineering an Organization for Customer Relationships	106
Developing the Service Relationship Triangle	107
Identifying Relationship-Critical Jobs	108
Dedicated Servers or Not?	109
Service Teams or Not?	109
Questions for Management	110

---

## **7. Building a Cycle of Capability 112**

Frontline Frustration	113
Capability Defined	114
Hiring for Attitudes First, Skills Second	115
The Bugs Burger Method	116
Selection by “Life Themes”	117
Substituting Self-Selection for Selection	118
Involving Customers in the Process	118
Serving Customers Who Qualify	119
Designing Training as Both Ends and Means	119
Providing Latitude and Limits	120
The Traditional View	121
The Nontraditional View	121
Investing in Support Systems	122
Information and Communication Technology	123
Facilities	123
Methods and Materials	124

Field Quality Control “Safety Nets”	124
Service Guarantees	124
Latitude to Fire Customers	125
Providing Consistent Reward and Recognition	126
Fitting the Elements Together	128
Questions for Management	129
Concluding Comments	131

## **8. Developing Processes That Deliver Value 132**

Basic Tenets of Process Design That Yield Value	133
The World’s Best Hospital	134
The World’s Best Dinner Show Value	137
America’s Only Deming Prize Winner	139
Formation of Quality Improvement Teams	140
Development of The Process	140
Policy Deployment	141
Quality in Daily Work	141
Important Techniques for Process Improvement	143
Service Mapping	143
Pareto Analyses	144
Cause-and-Effect (Fishbone) Diagramming	145
Other Process Steps	146
Translating Techniques into Results	148
Value Enhancement versus Quality Improvement Process	150
Questions for Management	152

## **9. Designing Service Delivery Systems That Drive Quality, Productivity, and Value 153**

Developing Single-Facility Service Delivery Systems	153
Planning System Designs for the Right Amount of Employee Latitude	155
Controlling Customer Behavior	157
The Ultimate Customer Control Strategy: Self-Service	158
Managing Information Support Systems to Enhance Customer Loyalty and Sales	159
Providing Process “Visibility”	160
Preventing Service Errors	161
Developing and Managing Multisite Networks	162
Network Characteristics	163
Factors in Network Design	164
Degree of Support for Operating Strategy	164
Need for Interconnectedness	165

Need for Standardization	165
Latitude Allowed Site Managers: Preserving the Core	166
Delivering Services Globally	167
The Target Market and the Need for Customization	167
“Total Experience” Services	168
Culturally Sensitive Services	169
Incorporating Franchising into the Strategy	170
“Employing” Franchisees	171
“Enfranchising” Employees	172
Questions for Management	172

## **10. Attaining Total Customer Satisfaction: Doing Things Right the Second Time 175**

Doing It Right the First and Second Time	176
Getting Customers to Complain: The British Airways Experience	178
The Problem	180
Some Responses	182
External and Internal Service Contracting	182
Customer Service Contracting	183
Internal Service Contracting	183
Supplier Service Contracting	184
Service Guarantees	184
Questions in Guarantee Design	185
What’s the Primary Purpose?	185
Internal Guarantees	189
Impact on Suppliers	190
The Economics of Service Guarantees	190
Putting Guarantees in Context	192
Service Recovery: A Case for Capability	193
The Service Recovery Payoff	195
Questions for Management	196

## **11. Measuring for Effective Management 198**

Estimating the Lifetime Value of a Customer	199
Fitting Measurement to the Business	202
Fitting Measurement to Purpose: Relevance	204
The Xerox Experience	204
The AT&T Universal Card Experience	204
Taking Process into Account	205
Determining the Form in Which Results Will Be Transmitted	207

Other Criteria for Evaluating Measures and Methods	208
Designing the Balanced Scorecard	209
Questions for Management	211

### **PART III: PUTTING IT ALL TOGETHER**

#### **12. Reengineering the Service Organization for Capability: Gains and Pains 215**

The Theory of Managing Change	216
Organization Reengineering without a Crisis	217
John Martin and Taco Bell	218
Actions	218
Gains	220
Pains	220
William Bratton and the NYPD	220
Actions	222
Gains	223
Pains	224
Arthur Martinez and Sears	224
Actions	224
Gains	226
Pains	226
Putting Organization Reengineering in Context	226
Applying Cosmetics	227
Picking Movers and Shakers	228
Creating a Sense of Urgency	229
Choosing the Theme and Vehicle	230
Preparing People	230
Getting the Facts Straight and Fast	231
Restructuring the Organization	231
Undertaking New Initiatives	232
Widening the Competitive Gap: Sustaining Effort	233
Observations	233
Questions for Management	234

#### **13. Leading and Living Service Profit Chain Management 236**

Service Profit Chain Leadership at Wal-Mart	237
Service Profit Chain Leadership at Southwest Airlines	238
Leading Service Profit Chain Management	239
What Service Profit Chain Leaders Do: Supplying the "Extras"	240
Believing in and Communicating the Basics	240

Putting Employees First	241
Investing in Customers	245
Maintaining Measures and Rewards That Influence Behavior	247
Communicating the Message	248
Linking Organization Culture, Performance, and the Service Profit Chain	249
Questions for Management	250
<b>14. Auditing Service Profit Chain Management Success</b>	<b>252</b>
Leadership = Focus	253
Strategic Service Vision = Positioning, Leverage, and Consistency	254
Service Profit Chain = Value, Satisfaction, and Loyalty	256
Profit Model = Value to Customers versus Costs to Providers	257
Performing the Service Profit Chain Management Audit	257
Identifying the Organizational Limit	258
Assessing Importance	258
Assessing Current Practice	258
Measuring the Gaps	258
Establishing Priorities and Taking Action	259
A Final Word	259
<i>Notes</i>	271
<i>Index</i>	281
<i>About the Authors</i>	301
