List of Tables	ix
List of Figures	xi
Preface	xiii
1. Defining the Problem	1
<i>Salient Dimensions of Diversity</i>	3
<i>A Demographic Profile of the Contemporary U.S. Workforce</i>	6
<i>Demographic Diversity in Organizations</i>	12
<i>Distinction between Demography and Diversity</i>	13
<i>Outline of the Book</i>	16
2. Three Approaches to Demographic Analysis in Organizations	19
<i>The Categorical Approach: Demography As Personal Traits</i>	19
<i>The Compositional Approach: Demography As Structural Properties of a Group</i>	21
<i>The Relational Approach: Demography As Social Relationships between an Individual and the Group</i>	23
<i>Summary</i>	24
3. Research on Demographic Diversity	25
<i>A Review of Demography Studies</i>	27
<i>Lessons from Demography Research</i>	41
<i>Conclusions</i>	46

4. The Multiple Meanings of Demography	47
<i>Demography As Social Information about People</i>	48
<i>Demography As a Source of Identity for the Individual</i>	53
<i>Summary</i>	59
5. Understanding Vertical and Horizontal Pairs from a Demographic Point of View	61
<i>The Nature of Demographic Differences in Vertical Dyads</i>	62
<i>Demographic Differences in Horizontal Dyads</i>	71
<i>Provider–Customer Dyads</i>	73
<i>Summary</i>	75
6. Understanding Demographic Diversity in Groups	77
<i>Nature of Demographic Diversity in Work Groups</i>	78
<i>Implications of Demographic Diversity for Relatively Permanent Organizational Groups: Research Findings</i>	80
<i>Implications of Demographic Diversity for Temporary Groups: Research Findings</i>	95
<i>Summary</i>	98
7. Understanding Demographic Diversity in Organizations	101
<i>Nature of Demographic Diversity in Organizations</i>	102
<i>Implications of Demographic Diversity in Organizations: Research Findings</i>	103
<i>Conclusion</i>	115
8. Demographic Diversity in the International Arena: The Chinese Case	117
<i>The Meaning of Guanxi</i>	118
<i>Research Evidence on Guanxi and Relational Demography</i>	125
<i>Future Directions</i>	128
9. An Integrative Framework of Demographic Diversity in Organizations	131
<i>Visible versus Non-visible Demographic Factors</i>	131
<i>Mediating Processes</i>	134
<i>Effects or Outcomes</i>	135
<i>The Moderating Role of the Context</i>	136

<i>Antecedents of Demographic Diversity in Organizations</i>	139
<i>Propositions on the Integrative Framework</i>	140
<i>Summary</i>	142
10. Managing Demographic Diversity	145
<i>Personal Strategies for Managing Demographic Differences</i>	146
<i>Dyad-Level Strategies for Managing Demographic Diversity</i>	153
<i>Group Strategies for Managing Demographic Diversity</i>	156
<i>Organizational Strategies for Managing Demographic Diversity</i>	162
<i>Summary</i>	168
11. Directions for Future Research	171
<i>Important Demographic Issues Requiring More Research</i>	172
<i>Conclusion: Partnership and Collaboration for New Knowledge</i>	178
12. Conclusion	179
<i>Demographic Diversity As an Organizational Asset: The Value of Differences</i>	180
<i>Demographic Diversity As a Personal Asset: The Value of Uniqueness</i>	182
<i>The End Is Where It Begins</i>	184
References	185
Index	199
About the Authors	203

Tables

1.1	The U.S. Labor Force	6
1.2	Labor Force Participation	7
1.3	Marital Status and Labor Force Participation	8
1.4	Labor Force Participation by Educational Attainment	9
1.5	Changes in Labor Force Participation by Sex and Race	9
1.6	Changes in Occupation by Sex, Race, and Hispanic Origin	10
1.7	Percentage and Number Employed by Occupation, 1983 and 1995	11
3.1	Twenty-five Demography Studies Using Organizational Samples	29
3.2	Compositional Measures of Organizational Demography	32
3.3	Relational Demography Measures	33
3.4	Attributes and Effects Analyzed in Twenty-four Organizational Demography Studies	36
3.5	Summary of Social Psychology Research Results for Group Heterogeneity Effects	43
5.1	Outcomes Influenced by Demographic Similarity in the Vertical Dyad	69

5.2	Average Ratings of Subordinate Performance in Vertical Dyads with Age Differences	70
6.1	Major Research Findings on the Impact of Demographic Diversity on Different Types of Groups	95
7.1	Summary of Research Findings on Organizational-Level Demography	113
7.2	Relevant Demographic Diversity Factors at Different Levels of Analysis	114
8.1	Bases of <i>Guanxi</i> and Relational Demography	120
8.2	<i>Guanxi</i> Bases and Interpersonal Relationships in the Chinese Context	123
8.3	<i>Guanxi</i> , Relational Demography, and Work Outcomes in China	129
10.1	Strategies for Managing Demographic Diversity in Organizations	169

Figures

4.1	The Information Function of Demography	52
4.2	The Function of Demography-Based Attraction	56
4.3	Demography and Two Types of Attraction	57
7.1	Difference in Gender and Psychological Commitment to the Organization	107
7.2	Difference in Race and Psychological Commitment to the Organization	108
8.1	A Conceptual Framework of <i>Guanxi</i> , Relational Demography, and Work Outcomes in Chinese Organizations	124
9.1	Demographic Diversity: Antecedents, Moderators, Mediators, and Outcomes	132
10.1	Group vs. Individual Differences	148
10.2	Gender Difference in Math Performance	149
