

TABLE OF CONTENTS

Abstract	vi
1. Introduction	1
2. The Variational Bicomplex for Ordinary Differential Equations	12
3. First Integrals and the Inverse Problem for Second Order Ordinary Differential Equations	27
4. The Inverse Problem for Fourth Order Ordinary Differential Equations	35
5. Exterior Differential Systems and the Inverse Problem for Second Order Ordinary Differential Equations	50
6. Examples	64
7. The Inverse Problem for Two Dimensional Sprays	88
8. References	108
