FRONTISPIECE . . . . .	IV
PREFACE TO SECOND, AUGMENTED EDITION . . . . .	IX
ACKNOWLEDGEMENTS. . . . .	XIII
INTRODUCTION. . . . .	3

X PART ONE: *AQUIS SUBMERSUS*

I. The tension in the core of the narrative design between (1) the awareness that human happiness vanishes with the passing of years and (2) the reassuring feeling that the destructive effects of the passage of time can be overcome with memory. . . . .	11
II. The realization that memory is subject to the ravages of passing time . . . . .	12
III. The use of the memoir to counteract the realization that memory is subject to the ravages of passing time. . . . .	18
IV. The fear that the memoir will vanish . . . . .	21
V. The recourse to pictorial commemoration as a means of allaying the fear of the vanishing memoir . . . . .	23
VI. The realization that even pictorial commemoration will not last	26
VII. The use of auxiliary commemorative media as supports for pictorial commemoration . . . . .	31
VIII. The awareness that the auxiliary commemorative media cannot function permanently . . . . .	37

IX. The attempt to suppress every fear with an all-embracing memory . . . . .	44
X. The mistrust of the all-embracing memory . . . . .	45
PART TWO: <i>IN ST. JÜRGEN</i>	
I. The narrative form of <i>Aquis submersus</i> and the interpretation of <i>In St. Jürgen</i> . . . . .	57
II. The composition of commemorative tales and their disclosure of a sensitivity to passing time . . . . .	58
III. The recourse to memory in order to allay the sensitivity to passing time . . . . .	62
IV. The premonition that the soothing effect of memory will prove a deception . . . . .	65
V. The ability and inability to overcome a premonition that the soothing effect of memory is a deception. . . . .	68
VI. The narrative's musical imagery and setting as devices for transmitting the joy and anguish of being both able and unable to cope with passing time . . . . .	69
VII. The narrative's literary prototype and its treatment of the joy and anguish of being both able and unable to cope with passing time . . . . .	72
EPILOGUE . . . . .	77
NOTES . . . . .	81
APPENDICES	
I. The author's drafts of a conclusion to <i>Aquis submersus</i> , hitherto believed to be lost . . . . .	107
II. A list of the various extant manuscripts of Theodor Storm's narrative prose, together with a note about the author's unpublished correspondence . . . . .	117
III. The recent criticism of Theodor Storm. . . . .	123
Index of names . . . . .	138
