

Contents

0. Introduction and Summary	1
1. Biased Differentiability and its Taylor's Formula	5
1.1 The Strong form of Biased Differentiability	5
1.2 Biased Differentiability	20
2. Biased Differentiability and Extrema	35
2.1 Introduction and Summary	35
2.2 Extrema for $C^{\mathbf{P}}$ Functions	37
2.3 Extrema for $C^{\mathcal{P}}$ Functions	53
3. Sufficiency of Biased Jets	85
3.1 Preliminaries	86
3.2 The Results	93
3.3 The Proofs of Theorems 6, 7 and 8	102
3.4 Final Comments and Remarks	121
References	125
