

CONTENTS

Chapter 1

The Culture and Context of Learning	1
<i>Farideh Salili, Chi-yue Chiu and Ying-yi Hong</i>	
The Role of Learning Context and Motivation in the Education of Exceptional Students	2
Psychological Mediators of Learning Vulnerabilities	3
Organization and Overview of the Book	4
Attribution Theory, Beliefs and Values: Current Status and Research	5
Goal Orientation Theory: New Ideas and Recent Research	8
Context of Learning and Classroom Instruction	11
Conclusion	13
References	13

PART I. ATTRIBUTION THEORY/BELIEFS AND VALUES: CURRENT STATUS AND RESEARCH

Chapter 2

Intrapersonal and Interpersonal Theories of Motivation from an Attribution Perspective	17
<i>Bernard Weiner</i>	
Intrapersonal Motivation from an Attributional Perspective	18
Thoughts about Underachievement	22
Interpersonal Motivation from an Attributional Perspective	23
Some Concluding Thoughts	29
References	30

*Chapter 3***Inferences about Responsibility and Values:
Implication for Academic Motivation** 31*Sandra Graham*

Study 1: African American Respondents	34
“Value” Nominations: Who do Respondents Admire, Respect, and Want to be Like?	34
Other Nomination Questions	36
Study 2: Multi-Ethnic Respondents	42
Value Nominations	42
Other Nomination Questions	44
Study 3: The Development of Achievement Values	50
Conclusions	58
References	59

*Chapter 4***The Social Functions of Attributional Face Saving
Tactics** 61*Jaana Juvonen*

Perceived Social Consequences of Lack of Effort and Low Ability Accounts	63
Communicating Lack of Effort and Low Ability to Teachers and Peers	64
Why Portray Oneself as Low in Ability?	66
Cross-Cultural Generalizability of Low Ability Accounts	67
Failure Accounts to Teachers and Peers	67
Self-Effacement and Honesty Facilitating Positive Relationships	68
Failure Accounts Conveying Positive and Negative Sentiments	70
Summary and Discussion	72
Multiple Social Benefits Associated with Low Ability Accounts	73
Comparing Low Ability and Lack of Effort Accounts	74
True Causes versus Untrue Accounts	75
References	76

*Chapter 5***Declining Optimism in Ethnic Minority Students:
The Role of Attributions and Self-Esteem** 79*Colette van Laar*

Attributions	82
Expectancies	83
Two Accounts of Achievement in African American College Students	84
The Self-Esteem Hypothesis	86
The External Attribution Hypothesis	87
Method	88
Participants and Procedure	88
Measures	89
Results	90
Declining Expectancies Among Black, but Not White, Students	90
High Self-Esteem Among Black and White Students	92
Increasingly External Attributions for Failure Among Black, but Not White, Students	93
Blacks who Make External Attributions for Failure but Internal Attributions for Success have the Highest Academic Motivation	94
Discussion	95
Appendix: Measures	99
Expectancies for the Self	99
Self-Esteem	100
Locus of Causality for Future Outcomes	100
Locus of Causality for Failure	100
Locus of Causality for Success	100
Academic Motivation	100
References	101

*Chapter 6***Chinese Students' and Teachers' Inferences of
Effort and Ability** 105*Ying-yi Hong*

Exertion of Effort is a Cultural Norm	106
Beliefs in the Relationship Between Effort and Ability	107
Research in Western Cultures	107

Research in Chinese Culture	108
Study 1: Students' Beliefs About Effort and Ability and Their Correlates	110
Compensatory Rule and Deep Motivation	111
Compensatory Rule and Academic Achievement	112
Discussion	112
Study 2: Teacher's Beliefs About Effort and Ability	113
Attributions of Students' Poor Performance	115
Implicit Theories of the Malleability of Intelligence	115
Teaching Methods in Helping Students with Poor Performance	116
Implications and Conclusion	118
References	119

PART II. GOAL ORIENTATION THEORY: NEW IDEAS AND RECENT RESEARCH

Chapter 7

123

Cultural Diversity, Student Motivation and Achievement

Martin L. Maehr and Ryoko Yamaguchi

Cultural Diversity: Opportunity and Challenge	124
Special Programs as Solutions	125
Standardizing Quality	126
Special Interventions	127
Multicultural Education	127
Motivation Intervention	131
The Problem with Special Programs	131
Transforming School Culture as a Need and a Solution	132
A Goal Orientation Theory Perspective	134
Purpose as Primary	134
Goals as Constructions in Context	136
Goals and Identity	137
Creating Task Focused School Cultures	138
Conclusion	142
References	143

Chapter 8

**Goal Orientation and Self-Regulated Learning in
the College Classroom: A Cross-Cultural
Comparison** 149

*Paul R. Pintrich, Akane Zusho, Ulrich Schiefele, and
Reinhard Pekrun*

Method	153
Participants	153
Procedure	153
Measures	153
Results and Discussion	155
Descriptive Analyses	155
Regression Analysis	159
Conclusions	165
References	168

Chapter 9

**Contextual Influences on Motivation and
Performance: An Examination of Achievement
Goal Structures** 171

Tim Urdan

Achievement Goal Theory: An Overview	172
Contextual Influences on Achievement Goals	174
Laboratory Manipulations	175
Classroom and School-Based Research	176
Summary and Remaining Questions	180
Processes	181
Effects of Goal Structures	183
Individual Differences	183
Current Research: A Description of the Classroom Goal	184
Processes Study (CGPS)	
Sample and Procedure	185
Coded Student Interviews	186
Preliminary Impressions	187
Frequency	187
Developmental Differences	188
Achievement Level Differences	189
Teacher-Student Mismatch	190

Students' Perceptions about the Purposes of Classroom Work	191
Students About Students	191
Students About Teachers	193
Summary and Implications for Research and Practice	195
References	198

Chapter 10

Cross-Cultural Response to Failure: Considering Outcome Attributions with Different Goals	203
<i>Heidi Grant and Carol S. Dweck</i>	
Attributions Predict Affect, Cognition, and Motivation	204
Performance Goals and Learning Goals	205
When Might Effort Attributions Go with the Performance Goals?	206
Motivational Patterns of Asian Students	206
Effort Emphasis	206
Performance Goals and Group Responsibility	207
The Present Research	208
A Cross-Cultural Study of Korean and U.S. Students	209
Studies of Effort-Oriented Learning and Performance Goal	210
A Preliminary Study of Effort (and Ability) Attributions for Individual Versus Group Outcomes	211
A Further Study of Effort (and Ability) Attributions for Individual Versus Group Outcomes	212
Cross-Cultural Difference in Achievement Motivation – Goals, Attributions, and Meaning Systems	214
Attribution-Affect Linkages Are Not Invariant	214
Meaning Systems Affect Attribution-Affect Linkages	215
A Meaning-System Approach can Illuminate Cross-Cultural Differences and Universals	215
Do Ability Attributions have Invariant Linkages?	216
Conclusion	217
References	217

Chapter 11

The Influence of Culture and Context on Students' Motivational Orientation and Performance 221

Farideh Salili, Chi-yue Chiu, and Simon Lai

Theoretical Background 222

Goal Theory 222

The Role of Culture and Context in Learning and 224

Motivational Orientations

The Relationship Between Goal Orientation, Test 226

Anxiety, Self-Efficacy And Effort

Overview of the Present Study 227

Method 227

Participants 227

Measures and Procedure 227

Results 228

Group Differences 229

Correlation Between Measures 234

Self-Efficacy 234

Goals 238

Effort 238

Test Anxiety 238

Discussion and Conclusions 240

Theoretical Implications 243

References 245

Chapter 12

Goals and Motivation of Chinese Students – Testing the Adaptive Learning Model 249

Kan Shi, Peng Wang, Wenzhong Wang, Yantao Zuo, Dawei Liu, Martin L. Maehr, Xiaotong Mu, Lisa Linnenbrink, and Lidi Hruđa

Background 249

Generalizability of Pattern 250

Development of the Research 250

Instrument 251

Participants and Procedures 252

Results and Discussion 253

Analysis of Reliability 253

Test of the Pattern	253
The Initial Study: Relationship Between the Constructs in Achievement Goal System	253
Relation Between School Variables and Personal Goal Orientations	254
Relation Between Goals and Use of Strategy	256
Academic Self-Efficacy as a Mediator	257
The Differences Between the Achievement Goals of the Gifted and the Common Students	258
Tendency of the Change in the Gifted Students' Achievement Goals	259
Development of the Motivation Pattern	260
Gender Differences in Patterns of Adaptive Motivation	265
Conclusion	266
Generalization of Students' Adaptive Motivation Pattern	266
Gender and Motivation Pattern	267
Age and Motivation	268
References	269

PART III. CONTEXT OF LEARNING AND CLASSROOM INSTRUCTION

Chapter 13

Classroom Context Effects on Young Children's Motivation 273

Deborah J. Stipek

Conceptualizing Classroom Contexts	275
Classroom Context Effects on Children's Motivation	277
The Evaluative Context	277
The Social Context and the Nature of Instruction	279
Assessing Classrooms	279
Child Assessments	280
Findings	282
Follow-Up Study	283
Within Classroom Effects	285
Conclusions	285
Beyond Dichotomies	286
Children at Risk for School Failure	287
Cultural Contexts	288

CONTENTS	xxiii
References	289
<i>Chapter 14</i>	
Teaching Across Cultures	293
<i>John B. Biggs</i>	
Teaching and the Ladder of Abstraction	293
Level 1: Focus on What the Student Is	295
Level 2: Focus on What the Teacher Does	296
The Paradox of the Asian Learner	297
The Classroom as a Cultural System	298
Level 3: Focus on What the Student Does	300
Some Lessons for Cross-Cultural Teaching	303
The Focus on Individual Differences	303
“Westernization” and the Decline in Quality	305
Conclusions	306
References	306
 <i>Chapter 15</i>	
Significance of Cultural and Motivation Variables on Students’ Attitudes Towards Group Work	309
<i>Simone Volet</i>	
Method	313
Sample and Procedure	313
Instruments	314
Results	316
Analyses Exploring Cross-Group Differences in Cultural, Motivational and Appraisals of Group Assignments Measures	316
Cross Groups Analyses Exploring the Interaction Effects of Group and Motivational Variables on Appraisals of Group Assignments	318
Analyses Involving Group, Self-Efficacy and Extrinsic Goal Orientation with a Self-Focus	318
Analyses Involving Group, Self-Efficacy and Extrinsic Goal Orientation (Social Focus)	319
Within Group Analyses Exploring the Interaction Effects of Interdependence and Motivational Variables on Appraisals of Group Assignments	323

Discussion	325
References	330
