Table of content

Foreword

1. **INTRODUCTION** 1

PART I

2. **HEALTH KNOWLEDGE TODAY AND ORGANIZED SOCIAL RESPONSES TO PROMOTE HEALTH (STATE OF RESEARCH)** 10

2.1 **HEALTH AND CO-DETERMINANTS OF HEALTH** 12

2.1.1 **INTRODUCTION** 12

2.1.2 **THE SEARCH FOR AN INTEGRATIVE THEORY OF HEALTH AND DISEASE** 14

2.1.3 **FACTORS THAT INFLUENCE OR CO-DETERMINE HEALTH - A GENERAL PICTURE** 22

2.1.4 **THE SOCIAL ECOLOGICAL MODEL (AND SYSTEMS PERSPECTIVE) ON HEALTH** 40

2.1.5 **SYNOPSIS AND DISCUSSION** 43

2.2 **HEALTH PROMOTION - AN ORGANIZED SOCIAL RESPONSE TO THE KNOWLEDGE OF FACTORS THAT INFLUENCE OR CO-DETERMINE HEALTH** 45

2.2.1 **INTRODUCTION - SOCIAL ECOLOGICAL APPROACHES TO THE PROMOTION OF HEALTH** 45

2.2.2 **HEALTH PROMOTION - DEFINITIONS AND KEY FEATURES** 51

2.2.3 **THE SETTINGS APPROACH IN HEALTH PROMOTION** 60

2.2.4 **HEALTH PROMOTION IN THE 21ST CENTURY - EVOLUTION, REVIEW, CHALLENGES** 69

2.2.5 **'NEW' APPROACHES IN HEALTH PROMOTION** 81

2.2.6 **LARGE SCALE EFFORTS TO DEVELOP HEALTH PROMOTING SETTINGS: PROJECTS, MOVEMENTS, NETWORKS** 89

2.2.7 **SEARCHING FOR 'GOOD' COLLABORATIVE PRACTICE - LESSONS LEARNED IN HEALTH PROMOTION** 101

2.3 **FROM UNDERSTANDING HEALTH TO HEALTH PROMOTION TO 'HEALTH PROMOTION NETWORKS' - INTERMEDIATE SYNOPSIS AND DISCUSSION** 116

2.3.1 **WHERE DID THE JOURNEY LEAD TO SO FAR?** 116

2.3.2 **HEALTH AND HEALTH PROMOTION - RELEVANT LESSONS LEARNED** 118

2.4 **INTERORGANISATIONAL NETWORKS - FEATURES AND DEVELOPMENT** 122

2.4.1 **INTRODUCTION** 122

2.4.2 **ORGANIZATIONAL NETWORKING AND THE 'NEW ORGANIZATION'** 124

2.4.3 **FEATURES AND TYPES OF NETWORKS OF ORGANIZATIONS** 140

2.4.4 **ACHIEVING CHANGE IN ORGANIZATIONS AND ORGANIZATIONAL SYSTEMS** 160

2.4.5 **FORMING AND MAINTAINING INTERORGANISATIONAL NETWORKS (IONs)** 174

2.4.6 **ASSESSING INTERORGANISATIONAL NETWORK (ION) PERFORMANCE** 183

2.4.7 **SYNTHESIS AND DISCUSSION - A CONCEPTUAL FRAMEWORK OF INTERORGANISATIONAL NETWORKS (IONs) AND BEYOND** 189

3. **A FRAMEWORK FOR THE ASSESSMENT OF INTERNATIONAL NETWORKS FOR THE DEVELOPMENT OF HEALTH PROMOTING SCHOOLS (HPS)** 193

3.1 **FOUNDATIONS OF AN ASSESSMENT FRAMEWORK FOR SUCH NETWORKS** 193

3.1.1 **INTRODUCTION** 193

3.1.2 **A COMPREHENSIVE ASSESSMENT FRAMEWORK FOR INTERORGANISATIONAL NETWORKS (IONs)** 194

3.1.3 **THE ION ASSESSMENT FRAMEWORK AND HEALTH PROMOTION: DO THEY FIT?** 204

- 1 -
3.1.4 **Assessment in Health Promotion - Selected Models and Implications for the ION Assessment Framework** 209

3.2 **Synopsis: The General Assessment Framework Applicable to International Networks for the Development of Health Promoting Schools** 225

4. **The 3-Step-Case Study Approach** 230

4.1 **Introduction and Methods Used** 230

4.1.1 **Rational for the Case Study Approach** 231

4.1.2 **Case Selection and Data Collection** 232

4.2 **The Structure of Each Case Study** 236

4.2.1 **The Overall Analysis of Each Network Case (Step 1)** 238

4.2.2 **Synthesizing Analysis I of Each Network Case (Step 2)** 240

4.2.3 **Synthesizing Analysis II of All Network Cases (Step 3)** 245

**PART II**

5. **The “European Network of Health Promoting Schools” (ENHPS) - A Case Study from an Inter-National and Inter-Organizational Research Perspective** 248

5.1 **Primary Case Study: Overall Analysis of the European Network (ENHPS)** 248

5.1.1 **Introduction - The European Context and the Birth of the ENHPS** 248

5.1.2 **Rational, Goals, and Core Concepts** 253

5.1.3 **Structural Set-Up and Key Actors of the ENHPS Initiative** 262

5.1.4 **Developments Over Time: The Evolution of the ‘European Network of Health Promoting Schools’ (ENHPS)** 273

5.1.5 **Interactions and Relations of ENHPS Network Members** 292

5.2 **Synthesizing Analysis I - Structural and Process Features of the ENHPS** 319

5.2.1 **Membership or Borders of the European Network (For the Development) of Health Promoting Schools (ENHPS)** 319

5.2.2 **The Structure of the European Network for the Development of Health Promoting Schools** 323

5.2.3 **The European Network’s ‘Operational Processes’ and ‘Organizational Networking’** 335

5.2.4 **Distance, Assessment Culture, and Satisfaction within the European Network** 343

5.3 **ENHPS Country Case 1: The “European Network of Health Promoting Schools” in Germany** 348

5.3.1 **The German Network Initiative - Context at the Outset, Concepts, Goals** 348

5.3.2 **Structural Set-Up and Key Actors of the ‘Model Experiments’ and Network in Germany** 359

5.3.3 **Developments Over Time: The Evolution of the German Network for the Development of Health Promoting Schools** 364

5.3.4 **Interactions and Relations of Network Members** 372

5.4 **Synthesizing Analysis I - Structural and Process Features of the German Network** 390

5.4.1 **Membership or Borders of the German Network for the Development of Health Promoting Schools** 390

5.4.2 **The Structure of the German Network for the Development of Health Promoting Schools** 393

5.4.3 **The German Network’s ‘Operational Processes’ and ‘Organizational Networking’** 400
5.4.4 Distance, assessment culture, and satisfaction within the German network 409

5.5 ENHPS country case 2: The “European Network of Health Promoting Schools” in Slovenia 414

5.5.1 The ENHPS in Slovenia - context, concepts, goals 415

5.5.2 Structural set-up and key actors of the Slovenian ‘HPS project’ and ‘Network of Health Promoting Schools’ 422

5.5.3 Developments over time: the evolution of the Slovenian ‘Network of Health Promoting Schools’ 425

5.5.4 Interactions and relations of network members 434

5.6 Synthesizing analysis I - structural and process features of the Slovenian Network 452

5.6.1 Membership or borders of the Slovenian network for the development of Health Promoting Schools 453

5.6.2 The structure of the Slovenian network for the development of Health Promoting Schools 456

5.6.3 The Slovenian network’s ‘operational processes’ and ‘organizational networking’ 462

5.6.4 Distance, assessment culture, and satisfaction within the Slovenian Network 470

6.1 Introduction (or towards the journey’s end) 477

6.2 The networks as a whole, their evolution and Health Promotion dimension (Synthesizing analysis II) 479

6.2.1 Network structures and processes in context: The networks as a whole and over time 479

6.2.2 The Networks’ Health Promotion dimension 509

Part III 517

7. Lessons learned, recommendations, and outlook 518

7.1 Lessons learned from, and suggestions towards members and supporters of the “European Network of Health Promoting Schools” (ENHPS) 518

7.2 Critical appraisal of the new assessment framework for inter-organisational networks for the development of Health Promoting schools and similar networks 534

7.2.1 Critical appraisal of the main assessment categories, adaptations, and recommendations 536

7.2.2 Critical appraisal of the network assessment framework as a whole 553

7.3 Theses and outlook 561
