Foreword	xi
<i>David W. Bates</i>	
Preface	xiii
<i>Michael R. Cohen</i>	
Acknowledgments	xxi
Contributors	xxiii

Part I: Preparing for Action

1 Systems Analysis and Redesign: The Foundation of Medical Error Prevention	3
<i>Lucian L. Leape</i>	
2 Research on Errors in Dispensing and Medication Administration	15
<i>Elizabeth Allan Flynn and Kenneth N. Barker</i>	
3 Health Care Providers' Experiences with Making Fatal Medication Errors	43
<i>Zane Robinson Wolf</i>	

Part II: Understanding the Causes of Medication Errors

4 Causes of Medication Errors	55
<i>Michael R. Cohen</i>	
5 Root Cause Analysis of Medication Errors	67
<i>Mary Burkhardt, Caryl Lee, Lesley Taylor, Rodney Williams, and James Bagian</i>	
6 The Role of Drug Names in Medication Errors	87
<i>Michael R. Cohen, George Di Domizio, and Robert E. Lee, Jr.</i>	
7 The Role of Drug Packaging and Labeling in Medication Errors	111
<i>Michael R. Cohen</i>	
8 Error-Prone Abbreviations and Dose Expressions	153
<i>Michael J. Gaunt and Michael R. Cohen</i>	

Part III: Preventing Medication Errors: A Shared Responsibility

9 Preventing Prescribing Errors	175
<i>Michael R. Cohen</i>	

10	Preventing Dispensing Errors	205
	<i>Michael R. Cohen and Judy L. Smetzer</i>	
11	Preventing Drug Administration Errors.....	235
	<i>Judy L. Smetzer and Michael R. Cohen</i>	
12	Preventing Medication Errors Related to Drug Delivery Devices	275
	<i>Judy L. Smetzer and Michael R. Cohen</i>	
13	The Patient's Role in Preventing Medication Errors.....	289
	<i>Stacy A. Aimette, Nancy R. Tuohy, and Michael R. Cohen</i>	

Part IV: Preventing Medication Errors: Specific Medications, Patients, and Conditions

14	High-Alert Medications: Safeguarding against Errors.....	317
	<i>Michael R. Cohen, Judy L. Smetzer, Nancy R. Tuohy, and Charles M. Kilo</i>	
15	Using Technology to Prevent Medication Errors	413
	<i>Matthew Grissinger, Hedy Cohen, and Allen J. Vaida</i>	
16	Preventing Medication Errors in Cancer Chemotherapy	445
	<i>Michael R. Cohen</i>	
17	Preventing Medication Errors in Pediatric and Neonatal Patients	469
	<i>Stuart Levine and Michael R. Cohen</i>	
18	Preventing Medication Errors with Immunologic Drugs.....	493
	<i>John D. Grabenstein and Michael R. Cohen</i>	

Part V: Reducing Risks and Creating a Just Culture of Safety

19	Medication Error Reporting Systems.....	513
	<i>Judy L. Smetzer and Michael R. Cohen</i>	
20	Disclosing Medication Errors to Patients and Families.....	551
	<i>Nancy R. Tuohy and Judy L. Smetzer</i>	
21	Health Care Failure Mode and Effects Analysis	561
	I Introduction to Failure Mode and Effects Analysis.....	561
	<i>J. W. Senders and S. J. Senders</i>	
	II An Application of Failure Mode and Effects Analysis	565
	<i>Judy L. Smetzer and Michael R. Cohen</i>	

III Veterans Health Administration Approach to Failure Mode and Effects Analysis.....576
Mary Burkhardt, Joseph DeRosier, Erik Stalhandske, and James Bagian

22 The Clinical Bioethics of Safe Medication Practices.....587
J. Russell Teagarden

23 Managing Medication Risks through a Culture of Safety.....605
Judy L. Smetzer
