List of Figures

Figure 2.1	Historic development of airline alliances and mergers	24
Figure 2.2	Qualifyer hub system	29
Figure 2.3	Qualifyer passenger traffic (RPK)	30
Figure 2.4	Alliance world passenger (RPK) share	38
Figure 2.5	Major traffic flows between regions	39
Figure 2.6	Alliance survey 2005 – summary by type and start date	40
Figure 2.7	World of strategic alliances as in September 2006	41
Figure 2.8	Star Alliance passenger traffic (RPK)	44
Figure 2.9	oneworld passenger traffic (RPK)	47
Figure 2.10	SkyTeam passenger traffic (RPK)	49
Figure 2.11	Planned three-year transitional shareholding structure	53
Figure 3.1	Development of partnerships	60
Figure 3.2	Code share	71
Figure 3.3	Block space	73
Figure 3.4	Free flow	73
Figure 3.5	Alliance-merger staircase	87
Figure 4.1	Alliance awareness by region of residence	92
Figure 4.2	Favourite alliance by region of residence	93
Figure 4.3	Code sharing benefits for travellers	95
Figure 4.4	Code sharing drawbacks for travellers	95
Figure 4.5	Travellers' view of the collective groups of airlines in their favourite alliances	103
Figure 4.6	Reasons for favourite alliance	104
Figure 6.1	Opinion of alliance cooperation so far	148
Figure 6.2	Assessment of alliance performance by alliance grouping	149
Figure 6.3	Alliance impact on traffic according to geographical region	150
Figure 6.4	Impact of alliances on several parameters	151
Figure 6.5	Alliance impact on different aspects on a 1-5 scale	152
Figure 6.6	Reasons behind any positive impact on passenger traffic	153
Figure 6.7	The impact on route type measured by length of haul	154
Figure 6.8	Alliance impact on the traffic of each type of international route	155
Figure 6.9	Quantitative estimation of the magnitude of alliance impact on passenger traffic by route type	156
Figure 6.10	Alliance impact on traffic according to geographical region	157
Figure 6.11	The most productive type of cooperation regarding traffic increase	158
Figure 6.12	Degree of impact on traffic according to type of cooperation	159

Figure 6.13	The impact of different alliance cooperation types on traffic according to airline size	159
Figure 6.14	Assessment of the impact different types of alliance cooperation have had on traffic according to geographical region	160
Figure 8.1	Is the air transport industry moving towards consolidation?	194
Figure 8.2	What is the future of alliances in relation to mergers?	194
Figure 8.3	Are alliances/mergers a significant part of the airline strategy?	195
Figure 8.4	Benefits of alliances and cross-border mergers on airline operations	196
Figure 8.5	Negative impact of alliances and cross-border mergers on airline operations	197
Figure 8.6	In which areas will there be reactions to mergers?	198

List of Tables

Table 2.1	Qualiflyer	30
Table 2.2	‘Wings’	32
Table 2.3	The global alliance groupings – traffic/revenue totals and world market share (2005)	38
Table 2.4	Alliance survey 2005 – current agreements by type and start date	40
Table 2.5	Star Alliance	44
Table 2.6	oneworld	47
Table 2.7	SkyTeam	49
Table 6.1	Estimation of alliance impact	153
Table 6.2	Quantitative estimation of the magnitude of alliance impact on passenger traffic by route type	156
Table 7.1	Translation lexicon for mergers	189
Table 8.1	Alliance and merger framework	192
Table 8.2	Airline alliances vs LCCs	202
