

# Contents

*Preface* . . . . v

*Contributors* . . . . ix

<b>1. Overview of CO<sub>2</sub> as a Contrast Agent</b> . . . . .	<b>1</b>
<i>Irvin F. Hawkins</i>	
<b>2. Physical Properties and Flow Dynamics of CO<sub>2</sub></b> . . . . .	<b>23</b>
<i>Kyung J. Cho, David R. Cho, Kyung S. Song, and Irvin F. Hawkins</i>	
<b>3. CO<sub>2</sub> as a Venous Contrast Agent: Safety and Tolerance</b> . . . . .	<b>37</b>
<i>Kyung J. Cho</i>	
<b>4. Monitoring Patients Undergoing CO<sub>2</sub> Angiography</b> . . . . .	<b>45</b>
<i>Grace Peterson and Kyung J. Cho</i>	
<b>5. Aortogram and Runoff</b> . . . . .	<b>53</b>
<i>Irvin F. Hawkins</i>	
<b>6. Visceral CO<sub>2</sub> Digital Subtraction Angiography</b> . . . . .	<b>69</b>
<i>Kyung J. Cho</i>	
<b>7. CO<sub>2</sub> Renal Digital Subtraction Angiography</b> . . . . .	<b>85</b>
<i>Irvin F. Hawkins</i>	
<b>8. CO<sub>2</sub> Digital Subtraction Angiography for Renal Transplant Patients</b> . . . .	<b>99</b>
<i>Irvin F. Hawkins</i>	
<b>9. CO<sub>2</sub> Digital Subtraction Angiography of Tumors</b> . . . . .	<b>109</b>
<i>Kyung J. Cho</i>	
<b>10. CO<sub>2</sub> for Traumatic Bleeding</b> . . . . .	<b>121</b>
<i>Kyung J. Cho</i>	

<b>11. CO<sub>2</sub> for Gastrointestinal Bleeding</b> . . . . .	<b>131</b>
<i>Irvin F. Hawkins</i>	
<b>12. CO<sub>2</sub> for Use in Iliac Arterial Lower Extremity Percutaneous Transluminal Angioplasty and Stent Placement</b> . . . . .	<b>141</b>
<i>Irvin F. Hawkins</i>	
<b>13. CO<sub>2</sub> Renal Percutaneous Transarterial Angioplasty and Stent Placement</b>	<b>151</b>
<i>Irvin F. Hawkins</i>	
<b>14. CO<sub>2</sub> Upper Extremity Venography</b> . . . . .	<b>161</b>
<i>Kyung J. Cho</i>	
<b>15. CO<sub>2</sub> for Wedged Hepatic Venography</b> . . . . .	<b>171</b>
<i>Kyung J. Cho</i>	
<b>16. CO<sub>2</sub> Splenoportography</b> . . . . .	<b>181</b>
<i>Irvin F. Hawkins</i>	
<b>17. CO<sub>2</sub> with Large-Needle TIPS</b> . . . . .	<b>187</b>
<i>Kyung J. Cho</i>	
<b>18. CO<sub>2</sub> Fine-Needle Transjugular Intrahepatic Portosystemic Shunt</b> . . . . .	<b>197</b>
<i>Irvin F. Hawkins</i>	
<b>19. Aneurysms, Arteriovenous Malformations, and Arteriovenous Fistula</b> . . .	<b>211</b>
<i>Kyung J. Cho</i>	
<b>20. CO<sub>2</sub> Inferior Vena Cavography</b> . . . . .	<b>225</b>
<i>Kyung J. Cho</i>	
<b>21. CO<sub>2</sub> with Central Venous Access and Venous Interventions</b> . . . . .	<b>239</b>
<i>Kyung J. Cho, Aya Kamaya, and Seong T. Hahn</i>	
<b>22. CO<sub>2</sub> Guided Percutaneous Nephrostomies Including the Blunt Needle Technique</b> . . . . .	<b>253</b>
<i>Irvin F. Hawkins</i>	
<b>23. CO<sub>2</sub> Plastic Bag Delivery System</b> . . . . .	<b>261</b>
<i>Irvin F. Hawkins</i>	
<b>24. Potential Complications and Their Prevention</b> . . . . .	<b>271</b>
<i>Irvin F. Hawkins</i>
