11. Evolution of outcomes in international strategic alliances <i>Anupama Phene</i>	195
PART III LOCATION IN THE MODERN GLOBALIZING WORLD	
12. Is it all a matter of grouping? Examining the regional effect in global strategy research <i>Ruth V. Aguilera, Ricardo G. Flores and Paul Vaaler</i>	209
13. Global cities and multinational corporation investment <i>Anthony Goerzen</i>	229
14. Cultural and institutional determinants of agglomeration <i>Robert Salomon and Zheyang Wu</i>	245
15. Local clusters with non-local demand: an exploratory study of <i>small ethnic worlds</i> in the Indian IT industry <i>Florian A. Täube</i>	263
16. Technology as a remedy for political risks <i>Veneta Andonova</i>	282
17. The role of geographic distance in FDI <i>Roberto Ragozzino</i>	295
18. Psychic distance and directional equivalence: a theoretical framework <i>Ronaldo Parente, Daniel W. Baack and Victor Almeida</i>	308
<i>Index</i>	327

Figures

3.1	Effects of technology maturity on the outsourcing decision	57
8.1	A model of discontinuous knowledge flow	153
9.1	Conceptual model of capabilities, strategy and structure	164
14.1	External factors and agglomeration	253
14.2	The effects of acculturation	256
17.1	Geographic distance interactions	303
18.1	Perceived psychic distance under conditions of assimilation and contrast bias	318

Tables

1.1	New vistas for international strategy	4
3.1	Comparison of resource, transaction and relational perspectives	47
3.2	Technology sourcing strategy: dominant design	53
3.3	Technology sourcing strategy: technology protective system	54
3.4	Technology sourcing strategy: complementary assets	56
4.1	Types of difficulties in internationalization and their consequences	67
7.1	New organizational forms and examples of their challenge to IB theory	129
8.1	Lessons from three streams of literature	152
9.1	Types of (knowledge-based) capabilities	167
12.1	Key regional schemes by scholar field	212
12.2	IB and GS studies uncovering regional effects in MNCs' actions	218
13.1	Roster of world cities	233
13.2	MNC investment location	235
13.3	Comparison of global city-centric MNCs	238
15.1	Number of engineering colleges and enrolment compared to population	268
15.2	State-wise female enrolment	272
17.1	Percentage of equity acquired by country	299
