

## Table of Contents

Chapter I. Introduction . . . . .	1
Chapter II. Derivation of the Series . . . . .	16
Chapter III. The Szegő and Heat Expansions . . . . .	36
Chapter IV. $f^{(k)}(\sigma; \tau_i)$ in the Hermitian Case . . . . .	42
Chapter V. Trace Formulas . . . . .	45
Chapter VI. Proof of the Szegő Expansion in the Nonself-adjoint Case . . . . .	65
Chapter VII. Proof of the Szegő Expansion in the Self-adjoint Case . . . . .	95
Chapter VIII. Proof of the Heat Expansion . . . . .	132
References . . . . .	148
Index of Terms and Symbols . . . . .	150
