<b>2 Opacity, Specificity, and ES</b>	81
2.0 Introduction	81

2.1	Range of interpretations of ES in embedded contexts	81
2.2	Opaque contexts	82
2.3	A pragmatic account of specificity	86
2.3.1	Non-opaque contexts	86
2.3.2	Specificity in transparent readings	88
2.3.3	Specificity in opaque readings	88
2.4	Non-availability of a specific interpretation	89
2.5	Responsibility for descriptions	90
2.5.1	Transparent readings	90
2.5.2	Opaque readings	92
2.6	Conclusions concerning specificity	94
2.7	Specificity and opacity in ES	95
2.7.1	Specificity in ES	95
2.7.2	Opacity	96
2.7.3	Quantifier scope adjustment rules	99
2.8	Responsibility for descriptions in ES	101
2.9	The problem of unwanted entailments	102
2.9.1	Transparent and opaque readings	102
2.9.2	Criteria for existence	103
2.9.3	Other accounts	105
2.9.4	Future time reference	107
2.10	Conclusion	109
<b>3</b>	<b>The Quantification Effect</b>	<b>110</b>
3.0	Introduction	110
3.1	Milsark	112
3.1.1	Classification of quantifier words and ES	112
3.1.2	Criticisms of Milsark	115
3.2	McCawley	119
3.2.1	Existential quantifiers	119
3.2.2	Problems with McCawley's analysis	122
3.3	Barwise and Cooper	123
3.3.1	Formal treatment of the strong/weak distinction	123
3.3.2	Problems with Barwise and Cooper's analysis	126
3.4	Safir	129
3.4.1	Safir's syntactic account of the QE	129
3.4.2	Problems with Safir's analysis	132
3.5	Presuppositions	135
3.6	Presuppositions of quantifier words	140

3.7	Advantages of the account proposed	148
3.8	Enumerative ES and Verbal ES	150
3.9	Conclusion	152
<b>4</b>	<b>Further Aspects of the QE</b>	<b>153</b>
4.0	Introduction	153
4.1	Bare plurals: generic and existential interpretations	154
4.2	Bare plurals and mass expressions in ES	157
4.3	Other kind-denoting expressions in ES	159
4.3.1	Sub-kinds	159
4.3.2	Representing sub-kinds	161
4.4	Kind interpretation without lexical marking	163
4.4.1	Examples with <i>same/usual</i>	163
4.4.2	Other explanations	166
4.4.3	Associative clauses	169
4.5	Other apparent QE violations	173
4.5.1	Non-demonstrative <i>this</i> and specific indefinites	174
4.5.2	Superlatives	176
4.5.3	<i>Any</i> and polarity superlatives	179
4.6	Conclusion	183
<b>5</b>	<b>ES and the Property Predication Restriction</b>	<b>184</b>
5.0	Introduction	184
5.1	Milsark	185
5.2	Carlson's analysis of predicate types	187
5.3	Explaining the PPR	189
5.3.1	The scope of the PPR	189
5.3.2	Accounting for the PPR	191
5.4	Restrictions on short predicates	193
5.5	Syntactic configurations in ES	197
5.6	The interpretation of syntactic configurations	202
5.7	Sourceless ES	204
5.8	Conclusion	208
<b>6</b>	<b>The Meaning of ES: Further Aspects</b>	<b>210</b>
6.0	Introduction	210
6.1	Predication and strong quantification	210
6.2	Enumerative uses of ES	214
6.2.1	Accounts of enumerative ES	214
6.2.2	Ambiguity or implicature	215

6.3	The relaxation of the QE	218
6.4	Context-dependent aspects of <i>there</i>	223
6.4.1	Communicative function of enumerative ES	223
6.4.2	Deixis	225
6.4.3	The locative force of <i>there</i>	227
6.4.4	<i>There</i> and <i>exist</i>	229
6.5	The interpretation of Verbal ES	231
6.5.1	Factors determining interpretation of ES	232
6.5.2	Focus	232
6.5.3	Presentational interpretations	234
6.6	Conclusion	239
<b>7</b>	<b>Conclusion</b>	<b>241</b>
7.1	Review of material presented	241
7.2	The general framework	245
7.3	Other remarks	248
