Preface vii

A HISTORICAL SKETCH OF CALCULATION

1

GENERAL INFORMATION

9

TOUCH ADDITION

11

Introduction 11
Explanation of Basics 12
Get Ready 16
Skill Development 16

MECHANICAL TAPE MACHINES

31

Introduction 31
The Printed Tape 34
Parts and Features 38
Get Ready 41
Addition 42
Subtraction 52
Addition and Subtraction Review 60
Multiplication 62
Multiplication Review 90
Division 91
Division Review 110

ELECTRONIC CALCULATORS

111

Introduction 111
Parts and Features 115
Get Ready 124
Addition 124
Subtraction 132
Repeat Addition and Subtraction 138
Addition and Subtraction Review 141
Multiplication 143
Combined Operations 177
Multiplication Review 180
Division 181
Combined Operations 205
Division Review 214

 SUPPLEMENTARY

 PROBLEM SOLVING

216

Addition and Subtraction of a Constant	217
Constant Dividend	218
Ordinary Annuities	219
Present Value of an Annuity	220
Discounting Promissory Notes	221
Finding the True Annual Interest Rate	222
Finding Annual and Total Compound Interest	223
Word Problems	225

 TABLES

231

Chain Discount Table	231
Table of Decimal Reciprocals	232
Annuity Table	237
Present Value of an Annuity Table	239

 GLOSSARY

240

 ANSWERS TO

 ODD-NUMBERED PROBLEMS

242

Touch Addition	242
Mechanical Tape Machines	242
Electronic Calculators	244
Supplementary Problem Solving	248
