Preface vii

Acknowledgments xi

List of Figures xvii

ONE Introduction 1

TWO The Rationality of Belief in a Superior Being 13

2.1 Introduction 13

2.2 The Revelation Game 15

2.3 The Revelation Game Paradox 19

2.4 The Knowability Games 24

2.5 Belief in an Uncertain World 32

2.6 Conclusions 39

THREE Omniscience and Partial Omniscience 41

- 3.1 Introduction 41
- 3.2 Some Effects of Omniscience 43
- 3.3 Newcomb's Problem 46
- 3.4 Which Principle, and Is There a Conflict? 50
- 3.5 Newcomb's Problem Symmetricized: Prisoners' Dilemma 52
- 3.6 A Solution to Prisoners' Dilemma 54
- 3.7 Cooperation or Noncooperation? 57
- 3.8 Implications of Mutual Predictability for SB and P 60
- 3.9 Conclusions 64

FOUR The Paradox of Omniscience and the Theory of Moves 67

- 4.1 Introduction 67
- 4.2 The Paradox of Omniscience 69
- 4.3 A Resolution of the Paradox of Omniscience 72
- 4.4 Theory of Moves 75
- 4.5 A Second Paradox: Moves May Provide No Resolution 84
- 4.6 Conclusions 89

FIVE Omnipotence: Moving and Staying Power 91

- 5.1 Introduction 91
- 5.2 Moving Power 93
- 5.3 Is There a Paradox of Moving Power? 99
- 5.4 Theological Interpretations of Moving Power 101
- 5.5 Staying Power 104
- 5.6 An Algorithm for Determining S-Power Outcomes 108
- 5.7 M-Power Versus S-Power in the Commitment Game and Other Situations 115
- 5.8 Conclusions 120

SIX Immortality and Incomprehensibility 123

- 6.1 Introduction 123
- 6.2 Threats and Immortality 124
- 6.3 Repeated Plays 128
- 6.4 Threat Power in the Punishment Game: When Immortality Is
Decisive in an Asymmetrical Game 137
- 6.5 Deception by the Superior Being 141
- 6.6 The Truth Game and the Problem of Evil 148
- 6.7 Conclusions 154

SEVEN Superior Beings: They May Be Undecidable 157

- 7.1 Introduction 157
- 7.2 Undecidability 158
- 7.3 Arbitrariness and Undecidability 164

Appendix 173

Glossary 179
