

## **CONTENTS**

### **CHAPTER I**

#### **Determinants**

1.1. Definition . . . . .	1
1.2. Second- and Third-Order Determinants . . . . .	3
1.3. Some Fundamental Theorems . . . . .	5
1.4. Minors and Cofactors . . . . .	8
1.5. Systems of Linear Equations . . . . .	10

### **CHAPTER II**

#### **Nomograms**

2.1. Fundamentals . . . . .	13
2.2. Nomogram for Addition . . . . .	16
2.3. Another Nomogram for Multiplication . . . . .	21
2.4. Circular Nomograms . . . . .	24
2.5. Semideductive Method . . . . .	27

### **CHAPTER III**

#### **Projective Transformations**

3.1. Elementary Transformations . . . . .	29
3.2. Projection . . . . .	33
3.3. Transformation of an Arbitrary Quadrilateral into a Rectangle . . . . .	36
3.4. Discussion . . . . .	39
3.5. Transformation of the Circular Nomogram to the Standard Form . . . . .	42

### **CHAPTER IV**

#### **Matrix Multiplication**

4.1. Fundamentals . . . . .	49
4.2. Multiplication Theorem . . . . .	51
4.3. Generalized Projective Transformations . . . . .	54
4.4. Transformation of an Arbitrary Quadrilateral into a Rectangle . . . . .	56
4.5. Transformation of the Circular Nomogram to the Standard Form . . . . .	58

**CHAPTER V****More Than Three Variables**

5.1. Grid Nomograms . . . . .	61
5.2. Multiple Alignment Charts . . . . .	62
5.3. Discussion . . . . .	63
5.4. High-Accuracy Nomograms . . . . .	66
5.5. Set-Square Nomogram . . . . .	69

**CHAPTER VI****Empirical Nomography**

6.1. Duality . . . . .	73
6.2. Adams' Scanner . . . . .	76
6.3. Anamorphosis . . . . .	81
6.4. Slope of the Transforms . . . . .	86

**CHAPTER VII****Kellogg's Method**

7.1. Wronskians . . . . .	93
7.2. Differential Equations . . . . .	99
7.3. First Necessary Condition for a Nomogram . . . . .	101
7.4. Second Condition for a Nomogram . . . . .	104
7.5. Degenerate Cases . . . . .	106

**CHAPTER VIII****Nonprojective Transformations**

8.1. Elementary Types . . . . .	113
8.2. Generalized Circular Nomograms . . . . .	115
8.3. Weierstrass' Elliptic Function . . . . .	118
8.4. Abel's Proof . . . . .	121
8.5. Discussion . . . . .	125
8.6. Degenerate Cases . . . . .	127
Bibliography . . . . .	131
Index . . . . .	133
