### INVITED TALK

Personal Knowledge Management in Engineering Design – Issues, Concepts and Applications .....	9
<i>Jerzy Pokojski, Warsaw University of Technology, Poland</i>	

### WORKSHOP PAPERS

An Approach for model based Requirement Engineering of Participative Engineering Methodology.....	21
<i>Svein G. Johnsen, Rolf K. Rolfsen, SINTEF, Norway</i> <i>Hilda Telliloglu, Vienna University of Technology, Austria</i>	
Product Based Interoperability – Approaches and Requirements .....	33
<i>Håvard D. Jørgensen, Dag Karlsen, Frank Lillehagen,</i> <i>Active Knowledge Modeling, Norway</i>	
Business Process and Workflow Management for Design of Electronic Systems – Balancing Flexibility and Control .....	45
<i>Adam Pawlak, Piotr Penkala, Paweł Fraś, Silesian University of Technology, Poland</i> <i>Håvard D. Jørgensen, Active Knowledge Modeling, Norway</i>	
A Web Services based approach for System on a Chip design planning.....	61
<i>Maciej Witczyński, Edward Hryniewicz, Adam Pawlak</i> <i>Silesian University of Technology, Poland</i>	
Supporting Effective Collaborative Engineering.....	73
<i>Jörg M. Haake &amp; Till Schümmer, FernUniversität Hagen, Germany</i>	
Towards an ontology of collaboration patterns.....	85
<i>Jonas Pattberg, Matthias Fluegge, Fraunhofer FOKUS, Germany</i>	
Supporting Shared Understanding within Distributed Enterprise Development Teams .....	97
<i>Jessica Rubart, Stephan Müller, arvato direct services, Germany</i>	
Practices and Cultures of Knowledge Management .....	107
<i>Gianni Jacucci, University of Trento, Italy</i> <i>Hilda Telliloglu, Ina Wagner, Vienna University of Technology, Austria</i>	

From CSCW over CWE to CE: The Evolution of Needs and Tools MATES Revisited.....	123
<i>Ger van den Broek, Philips Research, Netherlands</i>	
<i>Franz-Josef Stewing, Materna, Germany</i>	
Collaboration - New Media – Design An Integrated Environment for Supporting Collaboration in Building Design .....	143
<i>Gianfranco Carrara, Antonio Fioravanti, Sapienza University of Rome, Italy</i>	
Reflections on Future Collaborative Work(ing) Environments - CWEs.....	161
<i>S. Eicker, E. Heimann, University Duisburg-Essen, Germany</i>	
<i>Franz-Josef Stewing, Materna, Germany</i>	
Context-aware Integration of Collaboration Services for the Support of Mobile Field Operations .....	179
<i>Heinz-Josef Eikerling, Matthias Benesch, Frank Berger, Siegfried Bublitz</i>	
<i>Siemens C-LAB, Germany</i>	
Domain Repositories as Coordination Support in Collaborative Engineering.....	195
<i>Kurt Sandkuhl, Andreas Billig, Jönköping University, Sweden</i>
